Baker Putt, 2021-02-02 The impetus behind the ease with which the church has periodically justified violent behavior lies in its conceptual image of God as a violent deity This book emerges out of a passion to think differently albeit biblically about the character of God and articulates a theological construction of a nonviolent God an alternative to any image of God that seems to condone human violence It calls the church to rethink theology as something other than what might be termed redemptive violence and encourages Christians to reinterpret Scripture and traditional theological beliefs in ways that are more faithful to the God disclosed in Jesus of Nazareth Students of theology need a fresh glimpse of the love mercy and redemptive power of God through Jesus As it follows the structure of the Apostles Creed through the various theological topics this book reminds Christians to share in God's desires for peace and love and to recommit themselves to the call of God to be ministers of reconciliation and lovers of both neighbors and enemies even while at times responding to violence with nonviolent resistance **Albany Law Journal**, 1873 *St. Matthew* Willoughby C. Allen, 2000-11-30 **The Complete Poetry of Percy Bysshe Shelley** Percy Bysshe Shelley, 2021-05-04 A landmark event in literary scholarship the publication of the Johns Hopkins edition of *The Complete Poetry of Percy Bysshe Shelley* makes available for the first time critically edited clear texts

of all poems and translations that Shelley published or circulated among friends as well as diplomatic texts of his significant incomplete poetic drafts and fragments Edited upon historical principles by Donald H Reiman and Neil Fraistat the multi volume edition will offer more poems and fragments than any previous collective edition arranged in the order of their first circulation These texts are followed by the most extensive collations hitherto available and detailed commentaries that describe their contextual origins and subsequent reception Rejected passages of released poems appear as supplements to those poems while other poetic drafts that Shelley rejected or left incomplete at his death will be grouped according to either their publication histories or the notebooks in which they survive Writing to his publisher in 1813 Shelley expressed the hope that two of his major works should form one volume nearly two centuries later the second volume of the Johns Hopkins edition of *The Complete Poetry* fulfills that wish for the first time This volume collects two important pieces *Queen Mab* and *The Esdaile Notebook* Privately issued in 1813 *Queen Mab* was perhaps Shelley s most intellectually ambitious work articulating his views of science politics history religion society and individual human relations Subtitled *A Philosophical Poem With Notes* it became his most influential and pirated poem during much of the nineteenth century a favorite among reformers and radicals *The Esdaile Notebook* a cycle of fifty eight early poems exhibits an astonishing range of verse forms Unpublished until 1964 this sequence is vital in understanding how the poet mastered his craft As in the acclaimed first volume these works have been critically edited by Donald H Reiman and Neil Fraistat The poems are presented as Shelley intended with textual variants included in footnotes Following the poems are extensive discussions of the circumstances of their composition and the influences they reflect their publication or circulation by other means their reception at the time of publication and in the decades since their re publication both authorized and unauthorized and their place in Shelley s intellectual and aesthetic development

Some of the very best writers from across the Anglican tradition offer insightful informed and inspiring reflections on one of the day's readings for Morning Prayer covering 2017-18 Romantic Poetry Clarence Edward Andrews, Milton Oswin Percival, 1924 **Romantic and Victorian Poetry** Clarence Edward Andrews, Milton Oswin Percival, 1924 Martyrdom, Mysticism and Dissent Asghar Seyed-Gohrab, 2021-08-23

This book is the first extensive research on the role of poetry during the Iranian Revolution 1979 and the Iran Iraq War 1980-1988. How can poetry especially peaceful medieval Sufi poems be applied to exalt violence to present death as martyrdom and to process war traumas? Examining poetry by both Islamic revolutionary and established dissident poets, it demonstrates how poetry spurs people to action even leading them to sacrifice their lives. The book's originality lies in fresh analyses of how themes such as martyrdom and violence and mystical themes such as love and wine are integrated in a vehemently political context while showing how Shiite ritual such as the pilgrimage to Mecca clash with Saudi Wahhabi appreciations. A distinguishing quality of the book is its examination of how martyrdom was instilled in the minds of Iranians through poetry employing Sufi themes, motifs and doctrines to justify death. Such inculcation proved effective in mobilising people to the front ready to sacrifice their lives. As such, the book is a must for readers interested in Iranian culture and history, in Sufi poetry, in martyrdom and war poetry. Those involved with Middle Eastern Studies, Iranian Studies, Literary Studies, Political Philosophy and Religious Studies will benefit from this book. From his own memories and expert research, the author gives us a ravishing account of a poetry stained with blood, violence and death. His brilliantly layered analysis of modern Persian poetry shows how it integrates political and religious ideology and motivational propaganda with age-old mystical themes for the most traumatic of times for Iran. Alan Williams, Research Professor of Iranian Studies, University of Manchester.

When Asghar Seyed Gohrab, a highly prolific academician, publishes a new book, you can be certain he has paid attention to an exciting and largely unexplored subject: Martyrdom, Mysticism and Dissent. The Poetry of the 1979 Iranian Revolution and the Iran Iraq War 1980-1988 is no exception in the sense that he combines a few different cultural, religious, mystic and political aspects of Iranian life to present a vivid picture and thorough analysis of the development and effect of what became known as the revolutionary poetry of the late 1970s and early 1980s. This time he has even enriched his narrative by inserting his voice into his analysis. It is a thoughtful book and a fantastic read. Professor Kamran Talattof, University of Arizona.
