Being/s in Transit, 2021-11-22 This fifth volume of ASNEL Papers covers a wide range of theoretical and thematic approaches to the topics of travelling migration and dislocation All migrants are travellers but not all travellers are migrants Migration and the figure of the migrant have become key concepts in recent post colonial studies However migration is not such a new or exceptional phenomenon From the eighteenth century onward there have been migrations from Europe to what are now called post colonial countries and this prepared the ground for movement back to the old but also to the new centres of Europe and elsewhere Travel and travel experience on the other hand have been part of the cultural codes not only of the West and not only of imperialism The essays in this volume look at both kinds of movement at their intersections and at their dis locating effects They cover a wide range of topics from early seventeenth century travel reports through nineteenth century women s travel writing to such contemporary writers as Michael Ondaatje and Janette Turner Hospital

Ways of Sensing David Howes, Constance Classen, 2013-10-30 Ways of Sensing is a stimulating exploration of the cultural historical and political dimensions of the world of the senses The book spans a wide range of settings and makes comparisons between different cultures and epochs revealing the power and diversity of sensory expressions across time and space The chapters reflect on topics such as the tactile appeal of medieval art the healing power of Navajo sand paintings the aesthetic blight of the modern hospital the role of the senses in the courtroom and the branding of sensations in the marketplace Howes and Classen consider how political issues such as nationalism gender equality and the treatment of minority groups are shaped by sensory practices and metaphors They also reveal how the phenomenon of synaesthesia or mingling of the senses can be seen as not simply a neurological condition but a vital cultural mode of creating social and cosmic interconnections Written by leading scholars in the field Ways of Sensing provides readers with a valuable and engaging introduction to the life of the senses in society

The Collected Poems of Barbara Guest Barbara Guest, 2013-09-01 Winner of the SFSU Poetry Center Book Award 2010 One of the most notable members of the New York School and its best known woman Barbara Guest began writing poetry in the 1950s in company that included John Ashbery Kenneth Koch Frank O Hara and James Schuyler And from the beginning her practice placed her at the vanguard of American writing Guest s poetry saturated in the visual arts extended the formal

experiments of modernism and played the abstract qualities of language against its sensuousness and materiality Now for the first time all of her published poems have been brought together in one volume offering readers and scholars unprecedented access to Guest's remarkable visionary work This Collected Poems moves from her early New York School years through her more abstract later work including some final poems never before published Switching effortlessly from the real to the dreamlike the observed to the imagined this is poetry both gentle and piercing seemingly simple but truly and beautifully dislocating

The Collected Poems of Williams Carlos Williams William Carlos Williams, 2015-02-19 Considered by many to be the most characteristically American of our twentieth century poets William Carlos Williams wanted to write a poem that you would understand But you got to try hard So that readers could more fully understand the extent of Williams' radical simplicity all of his published poetry excluding Paterson was reissued in two definite volumes of which this is the first

My Silver Planet Daniel Tiffany, 2013-12-23 Reveals the hidden origins of kitsch in poetry from the eighteenth century Taking its title from John Keats My Silver Planet contends that the problem of elite poetry's relation to popular culture bears the indelible mark of its turbulent incorporation of vernacular poetry a legacy shaped by nostalgia contempt and fraudulence Daniel Tiffany reactivates and fundamentally redefines the concept of kitsch freeing it from modernist misapprehension and ridicule by tracing its origin to poetry's alienation from the emergent category of literature Tiffany excavates the forgotten history of poetry's relation to kitsch beginning with the exuberant revival of archaic and often spurious ballads in Britain in the early eighteenth century In these controversial events of poetic imposture Tiffany identifies a submerged pact in opposition to the bourgeois values of literature between elite and vernacular poetries Tiffany argues that the ballad revival the earliest explicit formation of what we now call popular culture sparked a perilous but seemingly irresistible flirtation among elite audiences with poetic forgery that endures today in the ambiguity of the kitsch artifact Is it real or fake art or kitsch He goes on to trace the genealogy of kitsch in texts ranging from nursery rhymes and poetic melodrama to the lyric commodities of Baudelaire He scrutinizes the fascist paradise inscribed in Ezra Pound's Cantos as well as the avant garde poetry of the New York School and its debt to pop and plastic art By exposing and elaborating the historical poetics of kitsch My Silver Planet transforms our sense of kitsch as a category of material culture
