when we allow God to abide and work in us Therefore we have to live in the Spirit meaning walking in the Spirit who produces such fruit This volume of work has been prompted for the simple reason that the church seems to be neglecting the need to equip disciples who reflect and manifest the character of God We have become too obsessed with creating a feel good Church gifts signs and wonders yet ignoring the importance of character It should be stressed we cannot generate such good fruits that produce moral and godly living on our own therefore we need to abide in God to bear much fruit We need to earnestly cultivate a character that glorifies and exalts God so that the world may know we are disciples of God because of Prevailing Over the Bulls of Bashan Part Two Riaan Engelbrecht, 2024-07-10 Several years ago the Lord spoke clearly in my spirit about the intense season the Church is about to face At the time I understood this will not be a short season but might very well run until He comes In this time we are trusting in the Lord for the end time revival but make no mistake times are going to be brutal for those who follow God As a confirmation of this reality God in 2024 spoke of the bulls of Bashan As I sought the Lord on this truth I became acutely aware of the incredible dangers that await those who wish to stand with God In Psalm 22 12 David in his distress laments Many bulls surround me strong bulls of Bashan encircle me The picture of being surrounded by angry bulls intent on goring and trampling their victim is fearful indeed Trouble was near and there was no one to help him Psalm 22 11 Despite these fearsome circumstances David knew that God was not far off God could deliver David's soul from these threats God is raising an end time remnant for a time such as this They obey God and not man They fear not the devil They listen to God follow His truth and seek His will They dismiss the devil s lies and choose to stand with the Light as darkness continues to intensify upon the earth Yes they shall overcome the bulls of Bashan demonic and worldly threats and dangers This end time remnant is facing extreme attack and I believe more than ever since the resurrection of Jesus Ultimately if we as children of God want to survive the bulls of Bashan the spiritual and the physical giants we need to abide in the Lord We need to remain connected to the Vine John 15 We need to become true disciples grow up in the Spirit and grow in God's wisdom truth and knowledge If we are not grounded in the Lord we will be swept away by the storms and be gorged by the bulls After all these bulls are waiting for an opportunity to strike It is critical to remain connected to God for then we are connected to life hope vision joy and life
