Religion and Human Rights John Witte, M. Christian Green, 2012 The relationship between religion and human rights is both complex and inextricable While most of the world s religions have supported violence repression and prejudice each has also played a crucial role in the modern struggle for universal human rights Most importantly religions provide the essential sources and scales of dignity and responsibility shame and respect restraint and regret restitution and reconciliation that a human rights regime needs to survive and flourish in any culture This volume provides authoritative examinations of the contributions to human rights of Judaism Christianity Islam Hinduism Confucianism Buddhism and indigenous religions Each chapter grapples with the concept and origins of human rights and offers insight into the major human rights issues that confront religious individuals and communities These include core issues of freedom of religious conscience choice exercise expression association morality and self determination They also include analysis of the roles of religious ideas and institutions in the cultivation and abridgement of rights of women children and minorities and rights to peace orderly development and protection of nature and the environment With contributions by a score of leading experts *Religion and Human Rights* provides authoritative and accessible assessments of the contributions of Judaism Christianity Islam Hinduism Confucianism Buddhism and Indigenous religions to the development of the ideas and institutions of human rights It also probes the major human rights issues that confront religious individuals and communities around the world today and the main challenges that the world s religions will pose to the human rights regime in the future

Essays on Religion and Human Rights David Little, 2015-03-26 This collection of essays by David Little addresses human rights in relation to the historical settings in which its language was drafted and adopted Featuring five original essays Little articulates his view that fascist practices before and during World War II vivified the wrongfulness of deliberately inflicting severe pain injury and destruction for self serving purposes and that the human rights corpus developed in response was designed to outlaw all practices of arbitrary force He contends that while there must be an accountable human rights standard it should guarantee latitude for the expression and practice of beliefs consistent with outlawing arbitrary force

Little details the theoretical grounds of the relationship between religion and human rights and concludes with essays on US policy and the restraint of force in regard to terrorism With a foreword by John Kelsay this book is a capstone of the work of this influential writer on religion philosophy and law *Guide to International Human Rights Practice* Hurst Hannum, 2021-11-22 The standard work in its field this updated and expanded edition presents an eminently practical nuts and bolts guide to international human rights law and practice The contributors all specialists in their areas of expertise offer a panoramic yet meticulously detailed survey of the many techniques now available to protect human rights at global regional and national levels Appendices include a bibliographic essay that serves as a mini guide to contemporary human rights literature in both print and on line sources Published under the auspices of the Procedural Aspects of International Law Institute PAIL Paperback version of this title is available for classroom adoption only at cost of 25 00 copy 10 copy minimum Published under the Transnational Publishers imprint

Religion and Regulation in Indonesia Ismatu Ropi, 2017-01-05 This book analyses the relation between state and religion in Indonesia considering both the philosophical underpinning of government intervention on religious life but also cases and regulations related to religious affairs in Indonesia Examining state regulation of religious affairs it focuses on understanding its origin history and consequences on citizens religious life in modern Indonesia arguing that while Indonesian constitutions have preserved religious freedom they have also tended to construct wide ranging discretionary powers in the government to control religious life and oversee religious freedom Over more than four decades Indonesian governments have constructed a variety of policies on religion based on constitutional legacies interpreted in the light of the norms and values of the existing religious majority group A cutting edge examination of the tension between religious order and harmony on one hand and protecting religious freedom for all on the other this book offers a cutting edge study of how the history of regulating religion has been about the constant negotiation for the boundaries of authority between the state and the religious majority group

New Approaches to the Study of Religion Peter Antes, Armin W. Geertz, Randi Ruth Warne, 2004 Legal Position of Churches and Church Autonomy Hildegard Warnink, 2001 This book includes all papers presented at the colloquium on Church and State on 28 February and 1 2 March 2001 The colloquium focusing on the legal position of churches the autonomy of churches in modern societies and recent tendencies in jurisprudence was organised by the Faculty of Canon Law of the Catholic University Leuven in collaboration with the Faculty of Theology of the University of Stellenbosch Both the conference and the book have two objectives The first is informing about the South African history on Church and State relationships and its current situation under the new Constitution The second objective is to search for models leading to a new equilibrium between Church and State in South Africa Models offered by other countries are examined as a point of reference or as a possible source of inspiration International scholars and academics church Ministers as well as leading politicians offer their viewpoints and

enter into debate with each other The Oxford Handbook of Religion, Conflict, and Peacebuilding Atalia Omer,R. Scott Appleby,David Little,2015 The book provides a comprehensive overview of the literature on religion conflict and peacebuilding With a focus on structural and cultural violence the volume also offers a cutting edge interdisciplinary reframing of the scope of scholarship in the field Freedom of Religion and Belief Rinaldo Cristofori,Silvio Ferrari,2016-12-05 The essays and articles selected for this volume analyze what is generally understood by freedom of religion and belief in today s world The different aspects of this fundamental right are considered from the contents of freedom of religion to the possible limitations of this freedom and from the freedom of or freedom from conundrum to the question of the collective or individual right This volume reflects legal philosophical and international perspectives addresses numerous unanswered questions and offers an effective overview of the current literature and debate in this aspect of the discipline of law and religion **Freedom of Religion, Apostasy and Islam** Abdullah Saeed,2017-03-02 Debate on freedom of religion as a human right takes place not only in the Western world but also in Muslim communities throughout the world For Muslims concerned for this freedom one of the major difficulties is the punishment for apostasy death for those who desert Islam This book argues that the law of apostasy and its punishment by death in Islamic law is untenable in the modern period Apostasy conflicts with a variety of foundation texts of Islam and with the current ethos of human rights in particular the freedom to choose one s religion Demonstrating the early development of the law of apostasy as largely a religio political tool the authors show the diversity of opinion among early Muslims on the punishment highlighting the substantial ambiguities about what constitutes apostasy the problematic nature of some of the key textual evidence on which the punishment of apostasy is based and the neglect of a vast amount of clear Qur anic texts in favour of freedom of religion in the construction of the law of apostasy Examining the significant challenges the punishment of apostasy faces in the modern period inside and outside Muslim communities exploring in particular how apostasy and its punishment is dealt with in a multi religious Muslim majority country Malaysia and the challenges and difficulties it faces there the authors discuss arguments by prominent Muslims today for an absolute freedom of religion and for discarding the punishment of apostasy Law and Religion in Post-communist Europe Silvio Ferrari,Elizabeth A. Sewell,Elizabeth A. Clark,2003 This book is the first comprehensive description of the Church State systems that are in force in the post Communist countries of Central and Eastern Europe The reports it contains are structured along similar lines so that analogies and differences of the national legal systems can easily be identified and no significant profile of Church and State relations is overlooked After a short historical and sociological introduction each report deals with issues like registration of religious organizations financing of Churches religious education in public schools etc **Religious Pluralism, Globalization, and World Politics** Thomas Banchoff,2008-11-26 Globalization has spawned more active transnational religious communities creating a powerful force in world affairs Religious Pluralism Globalization and World Politics an incisive new collection of essays explores the patterns of

cooperation and conflict that mark this new religious pluralism Shifting religious identities have encouraged interreligious dialogue and greater political engagement around global challenges including international development conflict resolution transitional justice and bioethics At the same time interreligious competition has contributed to political conflict and running controversy over the meaning and scope of religious freedom In this volume leading scholars from a variety of disciplines examine how the forces of religious pluralism and globalization are playing out on the world stage The Oxford Handbook of Church and State in the United States Derek H. Davis, 2010-10-19 Study of church and state in the United States is incredibly complex Scholars working in this area have backgrounds in law religious studies history theology and politics among other fields Historically they have focused on particular angles or dimensions of the church state relationship because the field is so vast The results have mostly been monographs that focus only on narrow cross sections of the field and the few works that do aim to give larger perspectives are reference works of factual compendia which offer little or no analysis The Oxford Handbook of Church and State in the United States fills this gap presenting an extensive multidimensional overview of the field Twenty one essays offer a scholarly look at the intricacies and past and current debates that frame the American system of church and state within five main areas history law theology philosophy politics and sociology These essays provide factual accounts but also address issues problems debates controversies and where appropriate suggest resolutions They also offer analysis of the range of interpretations of the subject offered by various American scholars This Handbook is an invaluable resource for the study of church state relations in the United States Religious Human Rights in Global Perspective John Witte, Johan D. van der Vyver, 2023-07-24 In this Dickensian century of human rights the world has cultivated the best of religious rights protections but witnessed the worst of religious rights abuses In this volume Jimmy Carter John T Noonan Jr and a score of leading jurists assess critically and comparatively the religious rights laws and practices of the international community and of selected states in the Atlantic continents This volume and its companion *Religious Human Rights in Global Perspective Religious Perspectives* are products of an ongoing project on religion human rights and democracy undertaken by the Law and Religion Program at Emory University *Citizenship Through Secondary Religious Education* Liam Gearon, 2003-12-16 Religion has achieved ever greater prominence in debates about citizenship at every level of cultural economic social and political life *Citizenship through Secondary Religious Education* highlights some of the key issues surrounding citizenship for the R E teacher Topics selected include those of historical and immediate relevance to teaching citizenship through religious education There are chapters covering general critical planning issues and those concentrating on specific themes such as The open society and its enemies planning for citizenship through religious education genocide asylum freedom of religion and belief sustainable development the rights of indigenous peoples Practical in its style the guidance presented in this book will be invaluable to teachers and student teachers of religious education and specialists in citizenship Those who have been allocated responsibility for teaching Citizenship or Religious

Education or are looking to teach them as second subjects will also find this book a useful resource

"Public Religion" and the Pancasila-based State of Indonesia Benyamin Fleming Intan, 2006 Public Religion and the Pancasila Based State of Indonesia An Ethical and Sociological Analysis analyzes the public role of religion in Indonesian society from the pre independence period to the end of Suharto s New Order government It offers constructive suggestions regarding how Indonesian religion can play a significant role within the framework of Pancasila Indonesia s national ideology Based on a Christian Muslim dialogue it is only within the realm of civil society that Indonesian religion will be able to promote the ideas of democracy tolerance and human rights in Indonesian public affairs In short far from being anti pluralist Indonesian religion evolves as a liberating force in the life of society nation and state *American Foreign Policy Basic Documents, 1977-1980* United States. Department of State. Office of the Historian, 1983 *Group Rights and Discrimination in International Law* Natan Lerner, 2021-10-18 Group hatred disregard for the collective aspirations of religious ethnic or cultural minorities genocide ethnic cleansing apartheid and anti Semitism have been at the roots of the greatest tragedies of our time and are a source of internal and international conflict This volume studies this wide range of problems from the perspective of modern human rights law with special emphasis on racism and religious intolerance Also dealt with are measures adopted or to be taken for the protection of specific groups including indigenous populations and migrant workers as well as the present situation regarding the conventions against genocide discrimination in education and labour and the steps and declarations for the strengthening of group identity and their advancement Special areas such as slavery affirmative action and modern models to preserve the collective personality are also discussed including protective penal measures

Current Issues in Law and Religion Silvio Ferrari, 2017-07-05 This volume focuses on issues that have only recently come to the forefront of the discipline such as freedom from religion ordination of homosexuals apostasy security and fundamentalism issues that are linked to the common themes of secularism and globalization Although these subjects are not new to the academic debate they have become prominent in law and religion circles as a result of recent and rapid changes in society The essays in this volume present multiple points of view facilitate scholars in understanding this evolving discipline and act as a stimulus for further research This collection gives the reader a sense of the key topics and current debates in law and religion and is of interest to law politics human rights and religion scholars
