The Biblical Tour of Hell Matthew Ryan Hauge, 2013-08-15 It is difficult to underestimate the significance of the story of the Rich Man and Lazarus in Luke 16 19 31 within the biblical tradition Although hell occupies a prominent position in popular Christian rhetoric today it plays a relatively minor role in the Christian canon The most important biblical texts that explicitly describe the fate of the dead are in the Synoptic Gospels Yet among these passages only the Lukan tradition is intent on explicitly describing the abode of the dead it is the only biblical tour of hell Hauge examines the story of the Rich Man and Lazarus in Luke 16 19 31 uniquely the only parable that is set within a supernatural context The parables characteristically feature concrete realities of first century Mediterranean life but the majority of Luke 16 19 31 is narrated from the perspective of the tormented dead This volume demonstrates that the distinctive features of the story of the Rich Man and Lazarus are the result of a strategic imitation creative transformation and Christian transvaluation of the descent of Odysseus into the house of Hades in *Odyssey* Book 11 the literary model par excellence of postmortem revelation in antiquity

Resurrection of the Dead in Early Judaism, 200 BCE-CE 200 C. D. Elledge, 2017-05-05 Resurrection of the dead represents one of the more enigmatic beliefs of Western religions to many modern readers In this volume C D Elledge offers an interpretation of some of the earliest literature within Judaism that exhibits a confident hope in resurrection He not only aids the study of early Jewish literature itself but expands contemporary knowledge of some of the earliest expressions of a hope that would become increasingly meaningful in later Judaism Christianity and Islam Elledge focuses on resurrection in the latest writings of the Hebrew Bible the Apocrypha Pseudepigrapha Dead Sea Scrolls as well as the writings of other Hellenistic Jewish authors He also incorporates later rabbinic writings early Christian sources and inscriptions as they shed additional light upon select features of the evidence in question This allows for a deeper look into how particular literary works utilized the discourse of resurrection while also retaining larger comparative insights into what these materials may teach us about the gradual flourishing of resurrection within its early Jewish environment Individual chapters balance a more categorical comparative approach to the problems raised by resurrection definitions diverse conceptions historical origins strategies of legitimation with a more specific focus on particular pieces of the early Jewish evidence 1 Enoch Dead Sea Scrolls Josephus *Resurrection of the Dead in Early Judaism 200 BCE CE 200* provides a treatment of resurrection that informs the study of early Jewish theologies as well as their later reinterpretations within Rabbinic Judaism and Christianity

Atonement and the Logic of Resurrection in Hebrews 9:27-28 William W. Henry, 2024-09-05 The general believer waiting for salvation by Jesus hopes to see him appear while living or promptly at death Comfort during loss of life usually portrays those passing now in heaven Conversely the more religiously academic the less one thinks anyone ever goes to heaven Trained scholars typically choose a closed heaven with temporal delays and spatial detours in limitation of God s promises about so great salvation Better typically perceives as a resuscitated flesh on earth that lives by decay of the surrounding creation Hearing word meaning by mapping creation with an old first century option for plural heavens this project reexamines the conversation recommended by the pastor in the letter to the Hebrews about promises regarding the twofold ministry of Christ By analysis with current study tools the conversation both challenges the common academy views and reintroduces a first century hearing option for God s speech concerning prompt postmortem Christ fulfillment into heaven Listening includes the milk of the beginning teaching requirements for atonement and logic of resurrection to God immediately after death and judgment Hearing senses the solid food about priestly intercession by Jesus after death at judgment to shepherd his believers for salvation into heaven a very little while after individual death and judgment

exegetical historical and theological exploration of the question of both the whether and whither of the Christ's descensus ad infernos Whatever doubters or believers choose to do with Dr Bass's competent and convincing evidence arguments and conclusions they cannot choose to ignore them Michael J Svigel Dallas Theological Seminary USA *A Short History of Heaven* Joann Greig, 2018-03-28 Heaven has played a central although often unacknowledged role in Western culture This book explores the origins of concepts about heaven and how these may be found in Christianity Early writings from Egypt Mesopotamia Persia Greece and Rome are explored with elements of shamanism as well as the Hebrew and Christian Bibles and gnostic texts The nature of the soul the soul's journey and the role of morality are also considered The book shows how age old beliefs about life on earth and about heaven are important today Activities are included to encourage readers to explore their own thoughts and feelings about heaven *The Tradition of Hermes Trismegistus* Christian H. Bull, 2018-09-24 In *The Tradition of Hermes Trismegistus* Christian H Bull argues that the treatises attributed to Hermes Trismegistus reflect the spiritual exercises and ritual practices of loosely organized brotherhoods in Egypt These small groups were directed by Egyptian priests educated in the traditional lore of the temples but also conversant with Greek philosophy Such priests who were increasingly dispossessed with the gradual demise of the Egyptian temples could find eager adherents among a Greek speaking audience seeking for the wisdom of the Egyptian Hermes who was widely considered to be an important source for the philosophies of Pythagoras and Plato The volume contains a comprehensive analysis of the myths of Hermes Trismegistus a reevaluation of the Way of Hermes and a contextualization of this ritual tradition **On the Gods and the World** Vojtěch Hladký, 2024-05-01 The Derveni papyrus is a multi layered and intricate philosophical and religious treatise written in Greek probably just before 400 BCE Since its discovery in 1962 the papyrus has attracted the attention of scholars in several areas of Classical studies mostly ancient philosophy and religion but also literary studies The anonymous author of the text quotes a previously unknown Orphic poem and comments on it using philosophical motifs and concepts borrowed from various Presocratic thinkers but especially Heraclitus and the Anaxagoreans The book presents a new interpretation of various aspects of this complex text situating the treatise within the tradition of allegorical interpretation providing an interpretation of the opening columns which describe a peculiar ritual and contain some Heraclitean material including as the study argues some previously unknown fragments reconstructing the contents of the Orphic poem upon which the Derveni author comments examining various allegorical devices employed by the Derveni author in his explanation of the Orphic poem following his commentary in detail and finally discussing the likely intellectual background in which the Derveni treatise originated In general the study argues that rather than being the work of a philosophising Orphic initiate the Derveni treatise is a philosophical text whose aim was to explain a nonstandard religious poem The commentary explains the Orphic poem from a perspective influenced by discussions among the followers of philosophy of Anaxagoras and Heraclitus and employs reflections on the use and function of language found in the writings of some contemporary thinkers Based on an analysis of

sources upon which the Derveni papyrus is based it is concluded that its author was probably active in Athens in late fifth century BCE and may have been a person close to Socrates teacher Archelaus *Intoxication in the Ancient Greek and Roman World* Alan Sumler,2023-11-22 Intoxication in the Ancient Greek and Roman World considers the psychotropic plants used in the ancient world and ancient attitudes towards intoxication Alan Sumler surveys primary Greek and Roman sources for noteworthy mentions of ancient intoxicants like hellebore mandrake deadly nightshade thorn apple opium poppy cannabis wine and other substances and reveals how psychoactive drugs were used in ancient Greek and Roman religion medicine magic artistic inspiration and recreation Interpreted through the lens of modern day scholarship from Classics philosophy and ethnobotany the primary sources illuminate how commonplace psychotropic plants and drugs were in the ancient Greek and Roman world and given different contexts for psychotropic drug usage what attitudes these societies held about the appropriateness of intoxication **Educating Early Christians through the Rhetoric of Hell** Meghan Henning,2014-11-07 Meghan Henning explores the rhetorical function of the early Christian concept of hell drawing connections to Greek and Roman systems of education and examining texts from the Hebrew Bible Greek and Latin literature the New Testament early Christian apocalypses and patristic authors
