In a Catholic girls' high school outside of New Orleans, best friends Ashley Monreale and Veronica Broussard begin a similar journey. The time is ten days before Mardi Gras, the conclusion of the yearly Carnival celebration, and this year the girls have a plan to attend the party. New Orleans Private Detective William Langdon and his wife Sandy take some time away to celebrate an interesting twist in their lives, traveling to South Padre Island, the scene of the crime, as William refers to it, for several days of rest and relaxation. When William is hired for a simple case and finds himself swept into the growing maelstrom, what none of them realize is they have all been irrevocably set upon a collision course which will change each of their lives forever. When a young girl is found raped and beaten on the banks of the Mississippi River in the city of New Orleans on the morning after Mardi Gras, it's a case which will take William a decade to fully resolve and a lifetime to forget.
