Letters to and from a Christian Mother and More Silas Dobbs McCaslin, 2011-10-10 Ethics morals and society in general have been spiraling downward for more than 50 years Life simply was different up through the 1940s and the decade that followed Christian thought today is discredited on the university campus and traditional Christian piety now is viewed by the majority of the public as old fashioned Postmodernism has become entrenched In Christian circles the question often is asked How does the unbeliever cope As believing Christians we know that the Word of God provides all of the answers Perhaps LETTERS TO AND FROM A CHRISTIAN MOTHER AND MORE will be of some assistance to both the believer and the unbeliever who as the parent of a young child or children or of young adult children must advise and counsel that child as they navigate through their religious social and academic decisions Dr Terry L Johnson stated that the letters are remarkable and show clearly what a devout and accomplished woman your mother was They are wise and devotionally rich and may deserve a wider readership From the Preface Dr Johnson continued Their literary quality was outstanding More importantly they were filled with sound shrewd bold Biblical counsel for her boys particularly in the years between the beginning of college and the birth of Si and Suzannes first child Carey I wanted to read more and became convinced that others particularly parents could benefit from hearing the strong counsel of a Christian mother to her beloved sons From the Foreword Black Love Notes Denis Gray, 2014-07-24 Modecai Jefferson is a young dynamic 1940s jazz musician who carries his piano on his back hears music every second of the day and enjoys playing for his lover and biggest fan in Way City Alabama Delores Bonet To Modecai he and Delores are like black love notes on a musical page But all of that is about to change the day he hears a recording of up and coming Harlem jazz trumpeter Bunny Greensleeves If he wants to make a name for himself Modecai needs to find a way out of Alabama and to the jazz capital of the world Bunny who is driven to overcome his impoverished Mississippi upbringing desperately wants fame fortune and power Meanwhile after Dolores s ex con boyfriend returns and threatens Modecai s life he heads for New York sooner than expected After Modecai eventually

meets up with Bunny the two musicians struggle to overcome the obstacles in a city where success is marginal and failure is predicted all while attempting to leave their mark with their dynamic talent and inventive jazz compositions Now only time will tell if they will ever achieve all their dreams Black Love Notes chronicles the journey of two young jazz musicians as they strive for fame and fortune amid a 1940s Harlem where hurt and regrets crooked deals and murder lurk in the shadows

Love Notes on His Pillow Linda Gilden,2006 Offering encouragement through real life examples of other couples who have practiced love notes in their marriage this resource provides creative ideas for saying I love you and for expressing delight in one s marriage **A Mom After God's Own Heart Devotional** Elizabeth George,2012-02-01 Drawing from her bestselling books more than 6 5 million copies sold and popular Woman After God s Own Heart radio spots and podcasts Elizabeth George shares positive and energizing devotions for moms Moms with children of all ages will delight in Elizabeth s personal experience and understanding of Scripture as they refuel with the power of God s Wordtap into Scripture s wisdom for parentingget a better picture of God s purposes for momstrust Him with their child s safety and futuremake big and little moments count for their familiesfind hope and courage in God s promises These upbeat and to the point offerings give moms daily direction and confidence for the amazing privilege of loving and raising children **Working Mother** ,1987-06 The magazine that helps career moms balance their personal and professional lives *Mother Teresa's General Letters to Her Sisters* Kolodiejchuk MC Brian,2024-06-21 Mother Teresa s General Letters to Her Sisters is a collection of Mother Teresa s circular letters to the members of her religious congregation the Missionaries of Charity Sisters Not intended for those outside her community they were written informally and spontaneously often with little editing It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order Seemingly of little interest except for those to whom they were addressed the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century At the same time and perhaps surprisingly these letters may also prove to be worthwhile reading for a wider audience Something of God s wisdom and love seems to shine through Mother Teresa s guidance and counsels giving the reader light and help even though he or she is not living the same religious life as one of the Sisters Mother Teresa s unpolished statements are at times humble and at times humbling They inspire confidence and encourage generosity Many a time they are humorous but more

often challenging They are sprinkled with serene joy but also permeated with deep pain She delighted in her Sisters accomplishments yet did not shy away from correcting even the smallest flaw which didn't escape her very observant eye Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charism endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unrelenting service of the poorest of the poor or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs In the context of Mother Teresa's statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God
