Good Vs. Evil . . . Overcoming Degradation Through the Love and Brilliance of God Book One Jerry Davis, 2010-12 The truth is we are all just a little bit crazy in some areas of our life to a whole lot of crazy Being miss directed is one of the things mankind has in common as the various forms of insanity work the same way in every one of us We've all been programmed to unknowingly believe in a host of lies and it's our belief in the need to uphold the lies that do us in There are laws that pertain to the universe These laws cannot be broken without creating diverse consequences With every action there is an opposite reaction of effect And where do the decisions we make come from They generally come from our minds The question then becomes Who's controlling the mind If your mind is at work and in agreement with you then you would rightly say you are controlling your mind But if you occasionally find that

your mind is working against you then you should consider you are not solely in control Jesus referred to Satan as the father of lies I intend to show how the workings of evil are constructed through the placement of lies and how these lies in combination are at work to disrupt our lives I will show how the longest and greatest lie is packaged and how the six major steps that makes up a combined package works powerfully against you Then I will show how the effects from the lies get all mixed in with the pain you experience and how the end results can be devastating This book is about our need for revelation and offers the reader an opportunity to begin a personal journey with life as it truly is This is a lifelong journey in Spirit and truth and it begins with your full recognition of the need for having God working continuously in your life **Catalog of**

Ashmore,2008-03-17 Those Who Choose to be Chosen offers thought provoking inspirational lessons that encourage anyone on a spiritual journey to focus on awakening their divine life mission At a young age Virginia Ashmore s practicing religion prohibited her from attending a friend s church In her young mind she reasoned that her friend and the members of her friend s church must have prayed to a different God than the God she worshipped That significant impression launched Ms Ashmore on a life long pilgrimage in search of her own divine destiny She points out that we are all made in the likeness of God and must carve out our individuality when contributing to the overall collective consciousness of the world After years of study her personal reflections have developed into lessons that will teach you how to See yourself the way God sees you Open your heart and find the gift of love Discover who you were intended to be Use prayer to open the door to God s work Through Ms Ashmore s teachings you will learn that you are not alone Open your eyes so you can truly experience all you are intended to see feel and love through the glory of God **Whispers of God's Love** Angelina Mascari,2004-11 In this daily Christian devotional guide Rev Mascari has sought to share messages intended to lead the reader into a deeper understanding of faith and the strength it might provide in the face of life s challenges Prayer Devotions Spirituality
