Lovers Quarrel With The World:

A Lover's Quarrel with the World Bryan G. Salmons, 1994 **The Heidegger-Buber Controversy** Haim Gordon, 2001-05-30 The I Thou controversy between these two thinkers is a significant but often overlooked issue in philosophy and theology In one of the first books to truly address the subject Haim Gordon explores the arguments of both Martin Heidegger and Martin Buber regarding the The I Thou relationship and its significance for human existence Gordon's work illuminates Heidegger's complex and enlightening ontology one that describes the everyday life of the human in such a way that there is no place for the I Thou relationship Buber on the other hand argues for the significance of the I Thou relationship within human existence and highlights the ways in which Heidegger's philosophy fails to grasp this important point After examining the fundamental ontology of Heidegger set beside the ontological insights of Buber concerning this relationship Gordon concludes that each of these important twentieth century philosophers was guilty of ignoring the contributions made by the other to the study of ontology and being By exploring the complicated dynamic between Heidegger and Buber Gordon presents the reader with valuable insights and a deeper understanding of human existence and relationships The implications of both this controversy and its resolution are far reaching for many other philosophical disciplines including social and political philosophy metaphysics and ethics

A Lover's Quarrel Joe R. Jones, 2014-01-07 Joe Jones a retired and well known systematic theologian confesses he has a lover's quarrel with the church In wide ranging writings mostly dating since 2006 he forthrightly argues for a theologically sound understanding of the church And he pursues a multi faceted critique of the feckless ways in which actual churches ministers and laity balk and betray their rightful calling to witness in word and deed to God He is especially critical of the practical ways in which congregations become no more than mirror images of their sociopolitical milieu whether to the right or to the left Hence the quarrel trenchantly pursued in major essays blogs and spiritual reflections on his own past But it remains crystal clear to Jones in his learned and profound confession that it is his beloved church with which he quarrels and about which he still has extravagant hopes *A Lover's Quarrel* is a book appropriate for ministers and laity students and professors and learned skeptics

A Complicated Love Story V. George Shillington, 2019-10-14 The Fourth Gospel otherwise known as the gospel of the beloved disciple of Jesus has captivated the imagination of myriads of people worldwide Echoing one of its major themes namely water this gospel has been described as one in which a child can wade and an elephant can swim Of the four gospels in the New Testament this one stands out from the other three at several levels In the Fourth Gospel the extraordinary acts of Jesus are labeled consistently as signs not miracles In the second major part however the signs give way to reality found uniquely in the life and death of Jesus on behalf of benighted humanity He is the true light that enlightens every one and every thing There are no parables in the Fourth Gospel A parable is something that is literally thrown alongside the ordinary world of the day The Fourth Evangelist focuses on truth one of its major themes There are puzzling pieces mixed in with the good news

which serves to make this gospel captivating to the reader Through all of the complex twists and turns in this gospel the theme of love shines forth brilliantly especially so in the second half
