Loves Deception:

Works of Love Søren Kierkegaard, 2013-04-21 The various kinds and conditions of love are a common theme for Kierkegaard beginning with his early Either Or through The Diary of the Seducer and Judge William's eulogy on married love to his last work on the changelessness of God's love Works of Love the midpoint in the series is also the monumental high point because of its penetrating illuminating analysis of the forms and sources of love Love as feeling and mood is distinguished from works of love love of the lovable from love of the unlovely preferential love from love as the royal law love as mutual egotism from triangular love and erotic love from self giving love This work is marked by Kierkegaard's Socratic awareness of the reader both as the center of awakened understanding and as the initiator of action Written to be read aloud the book conveys a keenness of thought and an insightful poetic imagination that make such an attentive approach richly rewarding Works of Love not only serves as an excellent place to begin exploring the writings of Kierkegaard but also rewards many rereadings

Legacy of Emotional Conflict Judi McDowell, 2012-04 Where does a child whose instincts have been destroyed learn to become a loving parent and sane trusting human being who feels equal and worthy in life How does she erase the past and begin anew Counseling retrains the brain yet instinct dominates the thought process depending on the emotions current in any given moment Child abuse is a lifetime struggle from within as well as out It second guesses every aspect of life When things feel right joyful and just the abused soul is the most fearful and ready to deny and reject True freedom and peace may be desired desperately but is rejected for what is familiar what was the normal and the expected from life in the soul of the abused

Devil's Deceptions Felix Immanuel, 2016-07-11 There are many deceptions in this world Several deceptions are harder to identify and many good Christians are easily deceived Devil's Deceptions is a collection of 11 articles of various deceptions that every true Christian must know and guard against in these last days Each deception is organized into an individual article Read and be blessed

Tahera Douglas,2013-06-25 Love Please Is a book with a combination of poems about love loss and recovery TAHERA DOUGLAS is a 21 year old Psychology student currently residing in London She has been writing since she was 12 years old a socially shy person her voice is portrayed in her poetry When writing Tahera views the blank page a stage upon which she tells a story carefully deciphering the image that is created in her mind and delivering a monologue through ink dipped in emotion love and pain Taking inspiration from everything and everyone in life Tahera never fails to deliver in her extraordinary writing and touch people with her graceful rhymes Love Please is the first book she has published and hopes to publish many more in the future **IDIOT LOVE and the Elements of Intimacy** David Stromberg,2020-05-05 This book turns our search for intimacy on its head suggesting that our way to creativity in love may be through idiocy The book takes its readers on a journey through the work of Plato and Melanie Klein in theorizing the dynamics of intimacy while exploring some of the paradoxical aspects of love in works by Fyodor Dostoevsky and French filmmaker Catherine Breillat Revisiting core concepts of how we think about relationships the book lays out a model for relational breakdown the idiot lovecycle in which we are constantly in the flux between seeing ourselves and seeing the other Effecting close readings of literary philosophical and psychoanalytical sources the book draws on parallels between these fields of inquiry while tracing their shared intellectual genealogy suggesting that the tension between Narcissus and Cassandra with its inherent conflicts is also the space through which love emerges from intimacy **Love Analyzed** Roger Lamb,2018-02-20 Philosophers have turned their attention in recent years to many previously unmined topics among them love and friendship In this collection of new essays in philosophical and moral psychology philosophers turn their analytic tools to a topic perhaps most resistant to reasoned analysis erotic love Also included is one previously published paper by Martha Nussbaum Among the problems discussed are the role that qualities of the beloved play in love the so called union theory of love intentionality and autonomy in love and traditional issues surrounding jealousy and morality **Deception's Guard** Jacqueline Randolph,2005-03 DEA agent Skye Mathews is a celebrated DEA agent assigned

to the South Central America Region A consummate bilingual actress and pilot her successes are renown in the DEA She is assigned to her most difficult mission that of guarding CEO Rhys Wielde of Genoreach Technologies Inc in his quest to bring his colleagues to justice after they create a deadly biological weapon Despite not knowing the identity of his multi disguised bodyguard Skye and Rhys s adventures take them through three countries four states deceptions assassins betrayals and an unexpected alliance

Love and Lies Clancy Martin, 2015-02-03 A provocative and unsettling look at the nature of love and deception Is it possible to love well without lying At least since Socrates s discourse on love in Plato s Symposium philosophers have argued that love can lead us to the truth about ourselves and the ones we love But in the practical experience of erotic love and perhaps especially in marriage we find that love and lies often work hand in hand and that it may be difficult to sustain long term romantic love without deception both of oneself and of others Drawing on contemporary philosophy psychoanalysis and cognitive neuroscience his own personal experience and such famed and diverse writers on love as Shakespeare Stendhal Proust Adrienne Rich and Raymond Carver Clancy Martin himself divorced twice and married three times explores how love truthfulness and deception work together in contemporary life and society He concludes that learning how to love and loving well inevitably requires lying but also argues that the best love relationships draw us slowly and with difficulty toward honesty and trust *Love and Lies* is a relentlessly honest book about the difficulty of love which is certain to both provoke and entertain
