Loves Own Reward:

Love Disconsoled Timothy P. Jackson,1999-11-25 Few concepts are more central to ethics than love but none is more subject to false consolation This 1999 book explores several theological philosophical and literary accounts of love focusing on how it relates to matters such as self interest and self sacrifice and invulnerability and immortality Timothy Jackson first considers key aspects of what the Bible says about love then he further examines the meaning of love and sacrifice through a close reading of novels by Fitzgerald and Hemingway Lastly he evaluates how love constrains and is constrained by other traditional moral concepts Throughout Jackson defends the moral priority of what the Christian tradition calls agape He argues that a proper understanding of agapic love rejects both moral relativism and the comfort of believing that good people cannot be harmed or that God causally necessitates every historical action and event When love is thus disconsoled it neither fears death nor despises life Relationship Morality James Kellenberger,2010-11-01 *The Lily and the Thistle* William Calin,2014-01-01 In *The Lily and the Thistle* William Calin argues for a reconsideration of the French impact on medieval and renaissance Scottish literature Calin proposes that much of traditional medieval and early modern Scottish culture thought to be native to Scotland or primarily from England is in fact strikingly international and European By situating Scottish works in a broad intertextual context Calin reveals which French genres and modes were most popular in Scotland and why *The Lily and the Thistle* provides appraisals of medieval narrative texts in the high courtly mode equivalent to the French *amoureux* comic didactic and satirical texts and Scots romance Special attention is accorded to texts composed originally in French such as the Arthurian *Roman de Fergus* as well as to the lyrics of Mary Queen of Scots and little known writers from the French and Scottish canons By considering both medieval and renaissance works Calin is able to observe shifts in taste and French influence over the centuries **The Good News of God** Charles Kingsley,1859 *Delphi Complete Works of P. C. Wren (Illustrated)* P. C. Wren,2022-10-19 P C Wren was an English author of adventure fiction who is best remembered today for his enduring 1924 classic *Beau Geste* It concerns the adventures of three brothers that enlist in the French Foreign Legion based partly on the author s own military experiences Inspired by the works of Marryat Ballantyne Henty and Haggard Wren s novels demonstrate an inventive humorous and thrilling taste for adventure which has captivated readers for over a century For the first time in publishing history this eBook presents Wren s complete fictional works with numerous illustrations rare texts informative introductions and the usual Delphi bonus material Version 1 Beautifully illustrated with images relating to Wren s life and works Concise introductions to the novels All 26 novels with individual contents tables Features rare novels and stories Images of how the books were first published giving your eReader a taste of the original texts Excellent formatting of the texts Special series contents tables for the *Beau Geste* and *Sinbad* books Rare short story collections digitised here for the first time Special chronological and alphabetical contents tables for the stories Easily locate the stories you want to read Ordering of texts into chronological order and genres Please visit www.delphiclassics.com to

Kant and Kierkegaard on Religion D. Phillips, 2016-04-30 The contributions of leading Kantian and Kierkegaardian scholars to this collection break down to the simplistic contrast in which Kant is seen as the advocate of a rational moral theology and Kierkegaard as the advocate of an irrationalist faith This collection is an ideal text for discussion of central issues

What Type of Character Are You Hanging Out With? Betty Alark, 2011-01-06 People enter our space on a daily basis and as I always say You can't judge a book by its cover You actually have to open the book and start reading its contents before deciding whether you like it or not to determine its value and worth Only then will you find out if it was a good book if your time was well spent on reading it and whether you would recommend it to someone else The characters that enter our space are like books one never knows what's lurking around inside the mind of a character until you delve into that character's mind and determine what type of character the person is What type of character are you hanging out with
