Wadell,Charles R. Pinches,2021-01-27 In the thick of modern life we are tempted to forget what we are doing and why we are doing it We are busy socializing building careers and looking for fun but what s it all for The ancient concept of vocation has recently gained popularity as we return to questions about the meaning of life Almost all religions include the idea that divine purposes should guide our lives Christianity has particularly accented it The God who called Israel and sent Jesus has something in mind for us God s call challenges us but also opens us to the best sort of life imaginable In *Living Vocationally* the challenge and the joy of the called life is thoroughly explored Part one considers the benefits of living vocationally biblical traditions of call and subsequent Christian understandings Part two examines why vocation pertains not only to careers but indeed touches every dimension of our lives and encompasses our full journey through life Because every person s life includes many callings some very difficult part three considers the virtues we need to live the called life well *Living Vocationally* demonstrates why to have found a calling is to have found a good way to live

The Essence of Love Pasquale De Marco, Love is the most powerful force in the universe capable of transcending time space and even death It is the essence of our being the source of our greatest joy and our deepest pain Love inspires us to acts of kindness and compassion and it can also drive us to jealousy hatred and violence This book is an exploration of love in all its many forms We will examine the nature of love its power and its expressions We will explore the relationship between love and spirituality consciousness life death and the future We will also discuss the challenges of love and how to overcome them Discover the Transformative Power of Love Love has the power to transform our lives It can make us happier healthier and more fulfilled It can also help us to connect with others and build stronger relationships When we love we open ourselves

up to new possibilities and experiences We become more compassionate more understanding and more tolerant We become better people Explore the Many Facets of Love Love is a complex and multifaceted emotion It can be romantic platonic familial or spiritual It can be expressed in words actions or simply by being present for someone No matter how it is expressed love is a powerful force that has the ability to change lives Cultivate More Love in Your Life We all have the capacity to love and be loved But sometimes we need help to cultivate more love in our lives This book offers practical guidance on how to do just that You will learn how to love yourself more deeply how to love others more unconditionally and how to create a world where love prevails Love Is the Answer Love is the answer to the world s problems It is the only force that can overcome hatred violence and injustice When we love each other we create a better world for ourselves and for future generations Love is the most important thing in life It is the reason we are here and the reason we continue to exist Love is the essence of our being and the source of our greatest joy If you like this book write a review *Love Is the Resistance* Ashley Abercrombie,2021-08-31 When it comes to disagreement we are in perpetual fight or flight mode Rather than respond with a posture of compassion and connection we are encouraged to resist others personally and politically Either we engage in fruitless arguments with people who refuse to see things our way or we retreat to our echo chambers where everyone agrees with us But the real resistance the kind that helps us grow is learning to love others especially those who disagree with us If you re tired of seeing your real life and online communities in turmoil and you long to be an agent of peace understanding and reconciliation it s time to join a new kind of resistance movement one that pushes us toward personal transformation Grounded in Scripture and illustrated with compelling true stories this new book from Ashley Abercrombie will help you gain the confidence to communicate and connect with others stop avoiding necessary tension and resolve your internal and external conflicts When we make love our habitual reaction to the conflicts and divisions in our lives we ll find that we can stay true to our convictions without sacrificing our relationships Amazing Love! How Can It Be Chris Fenner,Brian G. Najapfour,2020-05-12 The present collection of essays examines specific texts by Charles Wesley in multiple dimensions theological poetical historical biographical etc demonstrating both the profound nature of the hymns and their continued relevance for Christians today The discussions are organized by theological liturgical topics and each essay treats us to the hymn in its complete original form noting significant variants as necessary explains the historical context of its composition provides a theological interpretation and relates it to the life and faith of the believer In the pages of this book the reader will find both information and inspiration Scholars of hymnody and of Charles Wesley will appreciate the depth of inquiry in the chapters Just as importantly laypersons and hymn lovers as well as scholars will find much spiritual benefit from the study of hymns they know and love as well as texts with which they may be less familiar This exploration of these profound hymns will surely lead to a deeper understanding of the amazing love responsible for changing the course of Charles Wesley s life who in turn changed the course of Christian worship With contributions from Steve Weaver Jonathan A
