

LOYALIST RESOLVE

*Patient Fortitude
in the English Civil War*

Raymond A. Anselment

Loyalist Resolve

Rosina Ehmann

Loyalist Resolve:

Loyalist Resolve Raymond A. Anselment, 1988 This study analyzes a series of complex ambivalent literary responses to the decades of civil turmoil in seventeenth century England that simultaneously demanded public commitment and prompted private withdrawal From their various perspectives the Royalist writers raised in the humanist tradition are shown to appreciate anew the value of patient fortitude

The Edge of the Union : The Ulster Loyalist Political Vision Steve Bruce, 1994-07-12 On the twenty fifth anniversary of the Northern Ireland Troubles the Ulster Loyalists are an increasingly alienated people In this timely book Steve Bruce provides crucial insights into the Loyalist world view Describing the troubles as a deeply entrenched ethnic conflict he argues that a widespread failure to take into account the strength and importance of the loyalist identity will scupper the chances of peace On the twenty fifth anniversary of the Northern Ireland Troubles Ulster's once dominant unionists are an increasingly alienated people In this timely assessment of the prospects for peace Steve Bruce examines the embittered world view of two key sections of Ulster unionism loyalist terrorists and the evangelical supporters of Ian Paisley To get to the heart of the unionist position he asks how they see the last twenty five years what they want from the future what they think they will get what they will accept and what they will fight to oppose Professor Bruce describes the Troubles as a deeply entrenched ethnic conflict He argues that a failure to appreciate the strength of the loyalist identity has prevented a proper understanding of the Troubles and that continued neglect of the majority makes strategies for peace pointless or counter productive On Steve Bruce's previous book *God Save Ulster* his interpretation of the Northern Ireland problem can be considered amongst the most satisfying in the literature Times Higher Education Supplement an intelligent and at times brilliant attempt to understand a particular religious outlook New Statesman Publishing on Orange Day 12 July

Allies at the End of Empire David M. Anderson, Daniel Branch, 2017-09-05 The wars of decolonization fought by European colonial powers after 1945 had their origins in the fraught history of imperial domination but were framed and shaped by the emerging politics of the Cold War In all the counter insurgencies mounted against armed nationalist risings in this period the European colonial powers employed locally recruited militias styled as loyalists to fight their dirty wars These loyalist histories have been neglected in the nationalist narratives that have dominated the post decolonization landscape and this book offers the first comparative assessment of the role played by these allies at the end of empire Their experience illuminates the deeper ambiguities of the decolonization story some loyalists were subjected to vengeful violence at liberation others actually claimed the victory for themselves and seized control of the emergent state while others still maintained a role as fighting units into the Cold War The overlap between the history of decolonization and the emergence of the Cold War is a central theme in the studies presented here The collection discusses the categorization of these irregular auxiliary forces after 1945 and presents seven case studies from five European colonialisms covering nine former colonies Portugal Angola the Netherlands Indonesia France Algeria Belgium Congo and

Britain Cyprus Kenya Aden South Yemen and Oman This book was originally published as a special issue of the International History Review

From Revolution to Reunion Rebecca Brannon, 2022-04-13 This social history of post Revolutionary South Carolina examines the successful reconciliation of Patriots and Loyalists The American Revolution was a vicious civil war fought between families and neighbors Nowhere was this truer than in South Carolina Yet after the Revolution South Carolina s victorious Patriots offered vanquished Loyalists a prompt and generous legal and social reintegration From Revolution to Reunion investigates the way in which South Carolinians Patriot and Loyalist managed to reconcile their bitter differences and reunite to heal South Carolina and create a stable foundation for the new United States Rebecca Brannon considers rituals and emotions as well as historical memory to produce a complex and nuanced interpretation of the reconciliation process in post Revolutionary South Carolina detailing how Loyalists and Patriots worked together to heal their society She frames the process in a larger historical context by comparing South Carolina s experience with that of other states Brannon highlights how Loyalists apologized but also became vital contributors to the new experiment in self government and liberty In return the state government reinstated almost all the Loyalists by 1784 South Carolinians succeeded in creating a generous and lasting reconciliation between former enemies but in the process they downplayed the dangers of civil war which may have made it easier for South Carolinians to choose that path a second time *The Loyalists in North Carolina During the Revolution* Robert O. DeMond, 1979 To the genealogist the Appendices in the back of the book will doubtless hold the greatest interest for herein are found 1 lists of soldiers and civilians who supported the Crown throughout the Revolution 2 lists of Loyalists who suffered land confiscation 3 lists of Loyalists who made application to Great Britain for compensation for loss of office or property and 4 lists of North Carolina Loyalists who received pensions from Great Britain com item_detail cfm ID 7144 7144

The Loyalists in Prince Edward Island Wilbur Henry Siebert, Florence E. Gilliam, 1911

The Loyalist's Ammunition, 1863

The Loyalist Problem in Revolutionary New England Thomas N. Ingersoll, 2016-10-24 A new history of Loyalism using revolutionary New England as a case study

Loyalist Writings Wilbur Henry Siebert, 1921

Very British Rebels? James W. McAuley, 2016-01-01 Challenging traditional narrow views this unique work proposes to rethink and reinterpret Ulster loyalism from the beginning of the Troubles to the present day by tracing its religious paramilitary political and community influences The work examines the core values of loyalist communities the roots of violence and the shift toward peaceful coexistence with former enemies Also discussed are the DUP s claims that it represents loyalism s true voice along with the complex and varying degrees of commitment to the Crown the Protestant Faith and the British governance of Northern Ireland Lastly it looks at how cultural expressions of loyalist identity such as poetry or cartoons are being used in the re construction of a loyalist memory Written by a leading expert on Ulster loyalism the work is based on extensive interviews with loyalists and loyalist literature to provide an inside account of the processes of loyalist identity formation and transformation Drawing on political science

sociology and cultural studies it will appeal to anyone interested in Irish politics as well as conflict and peace processes

Thank you utterly much for downloading **Loyalist Resolve**. Maybe you have knowledge that, people have seen numerous times for their favorite books taking into consideration this Loyalist Resolve, but end going on in harmful downloads.

Rather than enjoying a good ebook in the manner of a mug of coffee in the afternoon, otherwise they juggled once some harmful virus inside their computer. **Loyalist Resolve** is simple in our digital library an online access to it is set as public for that reason you can download it instantly. Our digital library saves in fused countries, allowing you to acquire the most less latency times to download any of our books later this one. Merely said, the Loyalist Resolve is universally compatible as soon as any devices to read.
