

Loyalists *AND* Redcoats

A Study in British Revolutionary Policy

PAUL H. SMITH

"An important and illuminating study of British policy in the War of the American Revolution, in particular of British policy toward the Loyalists."

— JOURNAL OF SOUTHERN HISTORY

Loyalists And Redcoats A Study In British Revolutionary Policy

H. T. Dickinson

Loyalists And Redcoats A Study In British Revolutionary Policy:

Loyalists and Redcoats Paul H. Smith, 2014-01-01 Focusing on the role of the American Loyalists in Great Britain's military policy throughout the Revolutionary War this book also analyzes the impact of British politics on plans to utilize those colonists who remained faithful to the Crown The capacity of the Loyalists to affect the war's outcome was directly tied to their projected role in British plans and their contribution can be understood only in relation to British efforts to organize them Originally published in 1964 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value *Loyalists and Redcoats* Paul Hubert Smith, 1964 [Loyalists and Redcoats\\$A Study in British Revolutionary Policy](#) Paul H. Smith, 1964 [Loyalists and Redcoats](#) George Macgregor Waller, 1965 [The Loyalist Problem in Revolutionary New England](#) Thomas N. Ingersoll, 2016-10-24 A new history of Loyalism using revolutionary New England as a case study [From Loyalist to Founding Father](#) Betsy McCaughey Ross, 1980 [A Guide to the Study and Use of Military History](#) John E. Jessup, 1979 **A Guide to the Study and Use of Military History** John E. Jessup (Jr.), John E. Jessup, Robert W. Coakley, 1979 This Guide to the Study and Use of Military History is designed to foster an appreciation of the value of military history and explain its uses and the resources available for its study It is not a work to be read and lightly tossed aside but one the career soldier should read again or use as a reference at those times during his career when necessity or leisure turns him to the contemplation of the military past *Britain and the American Revolution* H. T. Dickinson, 2014-07-30 This is the first modern study to focus on the British dimension of the American Revolution through its whole span from its origins to the declaration of independence in 1776 and its aftermath It is written by nine leading British and American scholars who explore many key issues including the problems governing the American colonies Britain's diplomatic isolation in Europe over the war the impact of the American crisis on Ireland and the consequences for Britain of the loss of America [Choosing Sides](#) Ruma Chopra, 2013-06-07 Though scores of texts films and stories have been told about the American Revolution from the perspectives of our Founding Fathers and their followers comparatively little is known about those colonists who resisted the revolutionary movement and tried desperately to preserve their nation's ties to the British Empire *Choosing Sides Loyalists in Revolutionary America* shows us that America's original colonies were not nearly as united behind the concept of forming free independent states as our society's collective memory would have us believe There were in fact numerous colonists slaves and Native Americans who counted themselves among the Loyalists those who never wanted to sever ties with the English crown and who viewed revolution as an unnatural and unlawful mistake Too often overlooked these men and women made valid and valuable arguments against the formation of the United States both weighing the costs of revolution and the perilousness of existing without divine rule of a monarch arguments that

even hundreds of years into America's existence are echoed and championed both within and beyond our borders. Colonists from commoners to clergymen had nuanced and complex reasons for wanting to remain under British control and an awareness of these reasons and their origins paints a more historically accurate portrait of the American populous around the time of our country's founding. This volume not only showcases Dr. Chopra's comprehensive analysis of Loyalism and its arguments but includes letters, legislation, and even poems written by Loyalists during and after the Revolutionary War. *Choosing Sides* lays a detailed foundation of facts for its readers and provides them entry points to the debate surrounding the genesis of the United States. It is both a primary source and a touchstone for original interpretations and discussions.

Thank you for reading **Loyalists And Redcoats A Study In British Revolutionary Policy**. As you may know, people have look hundreds times for their favorite novels like this Loyalists And Redcoats A Study In British Revolutionary Policy, but end up in malicious downloads.

Rather than enjoying a good book with a cup of tea in the afternoon, instead they are facing with some malicious bugs inside their laptop.
