Manda Scott and Conn Iggulden or movies like Gladiator and Pompeii then you will love this historical series that combines adventure romance and the supernatural. Buy *Killing the Hydra* today and set off on an adventure that throws you headlong into the Roman Empire. Here is what readers have to say about *Eagles and Dragons*. Historic Novel Society: Haviaras handles it all with smooth skill. The world of third century Rome, both the city and its African outposts, is colorfully vivid here, and Haviaras manages to invest even his secondary and tertiary characters with believable three-dimensional humanity. Amazon Readers: Historical fiction at its best. If you like your historical fiction to be an education as well as a fun read, this is the book for you. An outstanding and compelling novel. I would add this author to some of the great historical writers such as Conn Iggulden, Simon Scarrow, and David Gemmell. The characters were described in such a way that it was easy to picture them as if they were real and have lived in the past. The book flowed with an ease that any reader, novice to advanced, can enjoy and become fully immersed. Goodreads: a very entertaining read. Haviaras has both a fluid writing style and a good eye for historical detail and explores in far more detail the faith of the average Roman than do most authors.
