Ludwig Wittgenstein A Comprehensive Bibliography:

Ludwig Wittgenstein F Lapointe,1980-05-23 The first complete and up to date listing of the Wittgenstein literature ever produced Its more than 3000 entries include material on all phases of the philosopher s life and thought Coverage is inclusive for publications in English and the major European languages Index includes concepts and ideas **Ludwig Wittgenstein**

Alfred Jules Ayer,1986 **Ludwig Wittgenstein** Gernot U. Gabel,1988 Ludwig Wittgenstein Gernot U. Gabel,1988

Ludwig Wittgenstein Compiled by Francois H. Lapointe Francois H. Lapointe,1980 *Historical Dictionary of Wittgenstein's Philosophy* Duncan Richter,2014-04-04 Ludwig Wittgenstein was the most influential and arguably the greatest philosopher of the 20th century This fact about his influence is not only a matter of how much he influenced people but also of how many people he influenced His early work was taken up by some of the pioneers of analytical philosophy His later work helped spawn another movement within analytic philosophy that of ordinary language philosophy sometimes called Oxford philosophy He is also considered by some to be a key postmodern thinker and an interest in his work is a distinguishing feature of many post analytical philosophers who seek to bridge the gap between analytical and so called continental philosophy This second edition of Historical Dictionary of Wittgenstein s Philosophy covers the history of this philosophy through a chronology an introductory essay and an extensive bibliography The dictionary section has over 300 cross referenced entries on every aspect of his work This book is an excellent access point for students researchers and anyone wanting to know more about Wittgenstein s philosophy **The Cambridge Companion to Wittgenstein** Hans D.

Sluga,David G. Stern,1996-10-28 The essays in this volume address central themes in Wittgenstein s writings on the philosophy of mind language logic and mathematics (Over)Interpreting Wittgenstein A. Biletzki,2012-09-14 Over Interpreting Wittgenstein will be read by philosophers investigating Wittgenstein and by scholars interpreters students and specialists in both analytic and continental philosophy It will intrigue readers interested in issues of interpretation and cultural studies This book tells the story as yet untold of Wittgenstein interpretation during the past eighty years It provides different interpretations chronologies developments and controversies It aims to discover the socio cultural rather than psychological motives and motivations behind the philosophical community s project of interpreting Wittgenstein As a cultural history of ideas it traces the parallelism between Wittgenstein interpretation and the move from metaphysics to language to postmodernism effected in the twentieth century **Philosophy** Hans E. Bynagle,2006-05-30 A newly

reorganized up to date overview of key reference works in philosophy reflects a veritable explosion of reference sources both print and online published over the past decade Nearly 300 of the 700 entries consist of new material with an additional 50 entries substantially revised and updated English language sources are emphasized but important non English works are also well represented For professional philosophers philosophy educators students from beginning to graduate and librarians This guide represents a substantial updating and complete re organization of the author s 1997 *Philosophy A Guide to the*

Reference Literature 2nd edition 1st edition 1986 It reflects a veritable explosion of reference sources both print and online in the field of philosophy over the past decade Nearly 300 entries or 40 percent are entirely new An additional 50 or so entries have substantial revisions recording new editions changes in serial publications series and websites or additional volumes completed in multi volume sets In addition it has been entirely re organized along topical lines Each of its twenty three chapters is divided into four sections 1 general sources 2 history of philosophy 3 branches of philosophy and 4 miscellanea This new arrangement accords better with the greatly expanded range of philosophy reference sources and makes it easier for the user to identify related sources of different types bibliographies dictionaries web gateways etc on the same topic Like its predecessor Guide to Reference Sources in Philosophy the 3rd edition aims to serve a diverse audience of professional philosophers philosophy educators students from beginning to graduate and librarians All entries include generous annotations that are often evaluative as well as descriptive English language sources are emphasized but non English works important to researchers or of interest to users with facility in other languages are also well represented

The Cambridge Companion to Wittgenstein Hans Sluga, David G. Stern, 2017-12-28 Ludwig Wittgenstein 1889 1951 is one of the most important and influential philosophers in modern times but he is also one of the least accessible In this volume leading experts chart the development of his work and clarify the connections between its different stages The essays which are both expository and original address central themes in Wittgenstein's writing on a wide range of topics particularly his thinking about the mind language logic and mathematics The contributors illuminate the character of the whole body of work by focusing on key topics the style of the philosophy the conception of grammar contained in it rule following convention logical necessity the self and what Wittgenstein called in a famous phrase forms of life This revised edition includes a new introduction five new essays on Tractarian ethics Wittgenstein's development aspects the mind and time and history and a fully updated comprehensive bibliography
