Mad Roys Light:

Lights Mark Wolfal, 2006-04 Dirty Laundry is a memoir written as conversational novellas to the four men who came into Janet Jaymes life Whenever we start a relationship we talk about our past our myriad thoughts desires and dreams Through such conversations Janet Jaymes describes her life as if each novella is an emotional panel that sewn together becomes a colorful quilt written in the bold colors Janet Jaymes used to paint as a young artist Dirty Laundry is about a woman who for years always seemed to walk into the strangest situations and unconventional relationships she never asked for as if she was in the wrong place at the right time or the right time in the wrong place For Janet Jaymes life didn't turn out like she planned Dirty Laundry describes in remarkable detailed memory in brutal honesty and with a sense of humor reality the good the bad and the ugly of an average woman's life that turned out to be far from average Dirty Laundry is an emotional roller coaster ride like a high flying drug trip with crashing coming down lows and in the end we find out how Janet Jaymes survived Dirty Laundry is an entertaining human interest portrayal of a woman's life that guarantees to be a page turner **Thom's Irish**

Gone but Not Forgotten William E. Austin, 2009-12-08 In these tough economical times it has been a popular assessment to try to compare this recession to the Great Depression The stock market crash of 1929 led the way and by the time dust storms had turned the Farm Belt into the Dust Bowl hundreds of thousands of Americans were hungry homeless and barely alive At the end of it all was a war that no one wanted but everyone was willing to fight Hitler and his Germans to the east and The Japanese Imperial Army to the west gave Americans a common theme that brought them together to bring this nation from the depths of poverty to the greatest nation on earth Gone But Not Forgotten is a true story about a man who lived through it all The starvation and destitute of living with an alcoholic father in The Depression the terror and inhumane conditions of World War II the battles with alcohol and malaria that sent his world spiraling out of control and finally finding peace and salvation through his creator To live through all of this and still be able to relive these stories at eighty nine is not only a blessing but is also a miracle When I first began writing this story I asked my dad if this is going to be a religious book Before he could answer I realized that any book about my father would have to be a religious book
