God's Prescriptions for Healing the Hurts That Hinder Your Happiness , The Grace Filled Life Dr. Stephen R. Button,2023-04-03 When Jesus said My grace is sufficient Christians often forget that grace is the predominant characteristic of their Christian experience and therefore tend to overlook how grace permeates every aspect of their life Were it not for grace we would still be lost in our sin unwilling to or incapable of enjoying the benefits of a relationship with Jesus I chose the word panoply to describe God s grace because grace is so overwhelmingly abundant and impressively available to the believer God s grace is more than sufficient It is abundantly available to all that belong to Him There is a reservoir of grace that will never empty Christ was saying there is nothing else that will compare with it nothing else that will replace it and nothing else that will embody it Grace is sufficient because there is nothing that can be added to it supplement it or enhance it Well written interesting and easy to read It presents a practical understanding and comprehensive application of grace to Christian believers daily lives written at times out of the crucible of personal experience It serves as a wonderful tribute to your Dad Dr Lloyd Button s life and ministry It also represents an incredible amount of careful thought and work I found it to be both clear and captivating Dr David Nicholas President Shasta Bible College Redding California

Why Can't Church Be More Like an AA Meeting? Stephen R. Haynes, 2021-10-26 Do Christians need recovery Or is recovery something needed by the church itself Addiction whether to a substance or to a behavior is a problem within faith communities just like it is everywhere else But because churches are rarely experienced as safe places for dealing with addiction co addiction or the legacy of family dysfunction Christians tend to seek recovery from these conditions in Twelve Step fellowships Once they become accustomed to the ethos of vulnerability acceptance and healing that these fellowships provide however they are often left feeling that the church has failed them with many asking why can't church be more like an AA meeting Inspired by his own quest to find in church the sort of mutual support and healing he discovered in Twelve Step fellowships Stephen Haynes explores the history of Alcoholics Anonymous and its relationship to American Christianity He shows that while AA eventually separated from the Christian parachurch movement out of which it emerged it retained aspects of Christian experience that the church itself has largely lost comfort with brokenness and vulnerability an emphasis on honesty and transparency and suspicion toward claims to piety and respectability Haynes encourages Christians to reclaim these distinctive elements of the Twelve Step movement in the process of recovering church He argues that this process must begin with he calls Step 0 which as he knows from personal experience can be the hardest step the admission that despite appearances we are not fine
