Matthew and Tilly Rebecca C. Jones,1995-12-01 Set in the diverse neighborhood of a big city this poignant and universal story of friendship tells about two best pals who share everything together even making up after a quarrel Children will recognize their own relationships in the ebb and flow of Matthew and Tilly s friendship Booklist There can never be too many books about the importance of friendship and forgiveness especially when they are of this caliber Publisher s Weekly This modest story line swells with the visual excitement of Peck s paintings Their power lingers in the mind long after they have been seen School Library Journal      **Matthew and Tilly** ,      **Matthew and Tilly** Developmental Studies Center Staff,1995-12-01      **Talking, Drawing, Writing** Martha Horn,Mary Giacobbe,2023-10-10 In the early grades talking and drawing can provide children with a natural pathway to writing yet these components are often overlooked In Talking Drawing Writing Lessons for Our Youngest Writers authors Martha Horn and Mary Ellen Giacobbe invite readers to join them in classrooms where they listen watch and talk with children then use what they learn to create lessons designed to meet children where they are and lead them into the world of writing The authors make a case for a broader definition of writing advocating for formal storytelling sessions in which children tell about what they know and for focused sketching sessions so that budding writers learn how to observe more carefully The book s lessons are organized by topic and include oral storytelling drawing writing words assessment introducing booklets and moving writers forward Based on the authors work in urban kindergarten and first grade classes the essence and structure of many of the lessons lend themselves to adaptation through fifth grade The lessons follow a consistent format What s going on in the classroom What do children need to learn next Materials needed to teach the lesson Language used in each lesson Reasons behind why certain books are chosen and suggestions for additional children s books The authors show the thinking behind their teaching decisions and provide a way to look at and assess children s writing giving us much more than a book of lessons they present a vision of what beginning writing can look and sound like Perhaps most powerfully they give us examples of the language they use with children that reveal a genuine respect for and trust in children as learners      Teaching Conflict Resolution Through Children's Literature William J. Kate York accepted a temporary position as the music teacher at her former Catholic boarding school St Joan of Arc she expected to deal with rowdy adolescents strict nuns and memories of her intense friendship with her old roommate Tilly Wattle The last thing Kate expected however was for Tilly to show up as the substitute teacher The last time the two had seen each other Tilly had her heart set on joining the sisterhood of nuns that had raised her as an orphan Tilly longed for a simple life devoting herself to God while Kate longed for a simple life devoting herself to Tilly Now twelve years since she forced herself to say goodbye Kate realizes that she never really got over her sweet beautiful friend or the secret kisses they shared as girls In her heart of hearts Kate believes that Tilly can match her passion with equal intensity When Tilly steadfastly refuses to talk about their past what choice does Kate have but to try to control her own longings and concentrate on renewing their friendship But what if Kate isn't the only one desperate to hide her true feelings **Downstage Upfront**
