a prophet *Select Poems of Matthew Arnold* Edward Everett Hale, 2015-06-15 Excerpt from *Select Poems of Matthew Arnold* Matthew Arnold was born at Laleham on the Thames in the county of Middlesex December 24 1822 He was the son of Thomas Arnold who had begun practical life as we may call it on leaving Oxford by taking private pupils The father is famous now as Headmaster of Rugby a man of most powerful and influential life in education and in religion as well whom his son always remembered with affection though he followed a life or more important a line of thought very different from Thomas Arnold's He was one of a large family who were closely bound together by great affection through life so that the true view we have of Arnold's personal life is gained almost entirely from letters either to his mother or his sisters and of course to his wife The influence of childhood amounted to much with Arnold for though the family soon left Laleham for Rugby which is not a very attractive place yet vacations were spent at Fox How in Westmoreland of which Dr Arnold was devotedly fond where Matthew learned to know the Lake Country and Wordsworth two very strong elements in forming his life and his poetry He went to school first at Winchester where his father had been but remained for a year only when he returned to Rugby He continued there four years and in 1841 went to Oxford About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Matthew Arnold Selected Poems Matthew Arnold, 2012-02-25 Collectors Edition Matthew Arnold is one of my favorite poets and I think that this collection showcases some of his best work The poems are mostly his older and longer works so I wouldn't recommend this for someone who likes short poems some in here are pages long *Selected Poems of Matthew Arnold* Matthew Arnold, 2015-06-12 Excerpt from *Selected Poems of Matthew Arnold* In making this collection which is intended primarily for school use we have tried to keep three things in view The poems chosen should exhibit Matthew Arnold's special qualities they should not in subject or in treatment be such as the young could not appreciate and they should give pupils something to think about in connexion with other poetry and other subjects of study Poems like *Mycerinus* and *Stanzas from the Grande Chartreuse* fine as they are hardly answer the second test The short lyrics as is natural with poems of that type are noteworthy rather for beauty of expression than for substance *Sohrab and Rustum* and *Balder Dead* the first poems in our selection being avowedly modelled on Homer we have thought it useful to quote in illustration a few passages of which the imitation is specially close These are taken mainly from the *Iliad* and for the translations we have relied on the prose version published by Messrs Lang Leaf any imperfections that remain are intentionally left to preserve the state of such historical works *Poems* Matthew Arnold, 2019-12-05 Matthew Arnold's *Poems* encompasses a rich tapestry of themes that grapple with the complexities of

faith culture and humanity amidst the turbulent backdrop of the Victorian era Characterized by its lyrical dexterity and philosophical depth Arnold s poetry reflects a transition from romantic ideals to a more questioning realist approach The collection juxtaposes personal introspection with broader societal concerns employing a varied metric and tonal range that invites readers to engage both emotionally and intellectually Notable pieces such as Dover Beach exemplify Arnold s talent for weaving intricate imagery with profound existential inquiry Matthew Arnold 1822 1888 was a distinguished poet cultural critic and educational reformer whose literary pursuits were deeply influenced by the shifting intellectual currents of his time Growing up in a family of educators Arnold possessed a keen awareness of the tensions between tradition and modernity which fueled his desire to explore the spiritual and moral crises facing society His extensive travels and the influence of thinkers like John Henry Newman and George Eliot further shaped his poetic voice prompting him to articulate the struggles of life in a rapidly changing world Readers seeking a reflective exploration of the human experience amidst societal upheaval will find Arnold s Poems to be an essential addition to their literary repertoire The collection not only showcases Arnold s exquisite craftsmanship but also serves as a critical investigation of the Victorian mindset making it relevant for contemporary audiences who grapple with similar questions of purpose and existence *Selected Poems of Matthew Arnold (Classic Reprint)* Matthew Arnold,2017-06-30 Excerpt from Selected Poems of Matthew Arnold Yes while On earth a thousand discords ring Man s senseless uproar mingling with his toil Still do thy quiet ministers move on Their glorious tasks in silence perfecting Still working blaming still our vain turmoil Labourers that shall not fail when man is gone About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Select Poems of Matthew Arnold** Matthew Arnold,1908 *Arnold Select Poems and Prose* Matthew Allott,Matthew Arnold,Mathew Arnold,1978 **Select Poems of Matthew Arnold** Edward Everett Hale,Matthew Arnold,2014-03 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book Poems of Wordsworth William Wordsworth,2008-06 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally
