Scott Womble, 2021-08-16 The Bible is a frustrating book to many Christians It s not uncommon to hear that it s difficult to understand To complicate the matter we live in a culture that dismisses the importance of God s word altogether and we are left to wonder if Scripture has lost its impact At a time when the world needs the wisdom of God s word many are skeptical as to why they should bother reading the Bible at all Scott Womble brings hope to this bleak situation by showing how we can not only learn to read and interpret the Bible more skillfully but also enjoy our time in study In addition to discussing critical issues such as literary context genre identification and background study Womble breaks new ground by encouraging us to both hear and see the text semiotics This incorporation of semiotics into the interpretive process helps us more fully interact with the word While sound interpretation is of great importance the end goal of Bible reading is application For Womble this is the crux of the matter Scanning prominent theories of application and concluding with seven guidelines this book is sure to help Jesus followers become more intentional doers of the word **Bowker's Complete Video Directory** ,2000 **He Did This Just for You** Max Lucado, 2005-02-01 Building on stories and illustrations from He Chose the Nails by bestselling author Max Lucado He Did This Just for You is a booklet designed to lead you through God s plan of sacrifice and salvation When you think of the cross what thoughts come to mind Steeples Gold necklaces Churches Or do your thoughts go deeper Do words like these come to mind Jesus Nails Blood Pain Death Tomb Empty Joy Promise Life Savior The words of the cross are so full of pain So full of passion So full of promise God s promise to each and every one of us His promise to do whatever it takes to save your soul He did this just for you He Did This Just for You shares the story of salvation in a new light taking you through three

1897 only two years after the invention of film the first feature film about Jesus appeared This and other films about Jesus became examples for and an inspiration for films on other important religious figures like Rama Buddha and Muhammad Although religious leaders did not always approve of these films they did find a ready audience among believers This book explores these films and looks at how these films dealt with the fundamental question of portraying an individual thought to have either divine status or a very special and unique status among human beings This book will thus benefit not only students of religious film but also those studying the portrayal of central religious figures in the contemporary world

Screen Jesus Peter Malone,2012-10-12 Since the dawn of film in the 1890s religious themes and biblical subjects have been a staple of cinema One of the earliest focuses of screen presentations was the Bible especially the New Testament and the Gospels In Screen Jesus Portrayals of Christ in Television and Film Peter Malone takes a close look at films in which Jesus is depicted From silent renditions of The Passion Play to 21st century blockbusters like The Passion of the Christ Malone

examines how the history of Jesus films reflects the changes in artistic styles and experiments in cinematic forms for more than a century In addition to providing a historical overview of the Jesus films this book also reveals the changes in piety and in theological understandings of the humanity and divinity of Jesus over the decades While most of the Jesus films come from the United States and the west an increasing number of Jesus films come from other cultures which are also included in this study Fans and scholars interested in the history of religious cinema will find this an interesting read as will students and teachers in cinema and religious studies church pastors parish groups and youth ministry

The Myth of Happiness Rich Wagner, 2009-08-30 What is joy What isn't joy And most important how can we experience it After all isn't that what we long for something that goes beyond a smiley face and takes hold of the fullness Jesus promised his followers C S Lewis said he was surprised by joy but the reality is that most Christians today are just plain confused by it While paying lip service to joy we replace it in favor of a cheap substitute happiness In *The Myth of Happiness* Rich Wagner dispels our misconceptions and reveals the true nature of biblical joy He wrestles honestly with the tough questions many of us wonder but haven't known how to ask Is joy anything more than a plastic smile Can we experience joy while battling fear and uncertainty Are Christians honestly expected to count it all joy rejoicing in the midst of turmoil and tragedy Can real joy possibly live up to the hype Joy transforms It's God's most tangible gift available to believers this side of heaven Wagner debunks the myth of happiness and helps us receive the unquenchable joy Christ promises

Jesus, the Gospels, and Cinematic Imagination Richard Walsh, Jeffrey L. Staley, 2021-08-12 Jesus films arose with cinema itself Richard Walsh and Jeffrey L Staley introduce students to these films with a general overview of the Jesus film tradition and with specific analyses of 22 of its most influential exemplars stretching from *La vie du Christ* 1906 to *Mary Magdalene* 2018 The introduction to each film includes discussion of plot characters visuals appeal to authority and cultural location as well as consideration of the director's and/or other filmmakers achievements and style Several film chapters end with reflections on problematic issues bedeviling the tradition such as cultural imperialism and patriarchy To assist teachers and researchers each chapter includes a listing of DVD chapters and the approximate time for both DVDs and streaming platforms at which key film moments occur The book also includes a Gospels Harmony cataloging the time at which key gospel incidents appear in these films Extensive endnotes point readers to other important work on the tradition and specific films While the authors strive to set the Jesus film tradition within cinema and its interpretation the DVD streaming listing and the Gospels Harmony facilitate the comparison of these films to gospel interpretation and the Jesus tradition
