Mothers Of The Bible A Worship Service For Mothers Day Or Other Special Occasions:

Mothers of the Bible Lynda Pujado,1995 We often hear of the lack of and the need for strong role models in our society This worship service about 10 biblical women who overcame seemingly impossible situations by being faithful to God provides just such role models The traumatic experiences and depths of faith of these women though poignant are rarely considered in today s society These 10 women came from various levels of society and had different types of problems Yet they all knew God as their only hope and refuge An excellent resource for Mother s Day it is also great for other special occasions Characters included are Hagar Sarah Moses mother Rahab Deborah Naomi and Ruth Hannah Esther Elizabeth Lynda Pujado is a graduate of the University of Minnesota and has also studied at Moody Bible Institute and Trinity Evangelical Divinity School She has taught in schools in England and Spain as well as the United States She currently resides in Palatine Illinois with her family

Worship by the Book Rev. Mark Ashton,R. Kent Hughes,Timothy Keller,2010-06-01 What is at stake is authenticity Sooner or later Christians tire of public meetings that are profoundly inauthentic regardless of how well or poorly arranged directed performed We long to meet corporately with the living and majestic God and to offer him the praise that is his due D A Carson Worship is a hot topic but the ways that Christians from different traditions view it vary greatly What is worship More important what does it look like in action both in our corporate gatherings and in our daily lives These concerns the blending of principle and practice are what Worship by the Book addresses Cutting through cultural clichés D A Carson Mark Ashton Kent Hughes and Timothy Keller explore respectively Worship Under the Word Following in Cranmer s Footsteps Free Church Worship The Challenge of Freedom Reformed Worship in the Global City This is not a comprehensive theology of worship writes Carson Still less is it a sociological analysis of current trends or a minister s manual chockfull of how to instructions Rather this book offers pastors other congregational leaders and seminary students a thought provoking biblical theology of worship followed by a look at how three very different traditions of churchmanship might move from this theological base to a better understanding of corporate worship Running the gamut from biblical theology to historical assessment all the way to sample service sheets Worship by the Book shows how local churches in diverse traditions can foster corporate worship that is God honoring Word revering heartfelt and historically and culturally informed

The Bible and the Calendar Thomas D. Campbell,2010-04-13 Planning and text selection are important ingredients in a preacher s work Saturday night specials sermons out of a frantic search for a scripture passage and possible message are all too familiar with many Lack of a systematic approach will exhaust the preacher and weaken one s pulpit ministry This book can be a help to those who want
