Mount Vernon Its Owner Its Story:

Mount Vernon, Its Owner and Its Story Harrison Howell Dodge, 1938 Mount Vernon, Its Owner and Its Story Harrison Howell Dodge, 1932 Sarah Johnson's Mount Vernon Scott E. Casper, 2025-08-22 New Stories from an Old American Shrine The home of our first president has come to symbolize the ideals of our nation freedom for all national solidarity and universal democracy Mount Vernon is a place where the memories of George Washington and the era of America's birth are carefully preserved and re-created for the nearly one million tourists who visit it every year But behind the familiar stories lies a history that visitors never hear Sarah Johnson's Mount Vernon recounts the experience of the hundreds of African Americans who are forgotten in Mount Vernon's narrative Historian and archival sleuth Scott E Casper recovers the remarkable history of former slave Sarah Johnson who spent more than fifty years at Mount Vernon before and after emancipation Through her life and the lives of her family and friends Casper provides an intimate picture of Mount Vernon's operation during the nineteenth and early twentieth centuries years that are rarely part of its story Working for the Washington heirs and then the Mount Vernon Ladies Association these African Americans played an essential part in creating the legacy of Mount Vernon as an American shrine Their lives and contributions have long been lost to history and erased from memory Casper restores them both and in so doing adds a new layer of significance to America's most popular historical estate Mount Vernon. Its Owner [i.e. George Washington] and Its Story ... Edited and Arranged by Edwin Bateman Morris ... 31 Illustrations Harrison Howell DODGE, Edwin MORRIS (Archbishop of Wales.), 1932 **Museum Masters** Edward P. Alexander, 1995 Alexander brings to life the stories of twelve ambitious leaders from the United States and Europe who helped shape the future of the museum world First in the Homes of His Countrymen Lydia Mattice Brandt, 2016-12-14 Over the past two hundred years Americans have reproduced George Washington's Mount Vernon plantation house more often and in a greater variety of media than any of their country's other historic buildings In this highly original new book Lydia Mattice Brandt chronicles America's obsession with the first president's iconic home through advertising prints paintings popular literature and the full scale replication of its architecture Even before Washington's death in 1799 his house was an important symbol for the new nation His countrymen used it to idealize the past as well as to evoke contemporary and even divisive political and social ideals In the wake of the mid nineteenth century's revival craze Mount Vernon became an obvious choice for architects and patrons looking to reference the past through buildings in residential neighborhoods at world's fairs and along the commercial strip The singularity of the building's trademark piazza and its connection to Washington made it immediately recognizable and easy to replicate As a myriad of Americans imitated the building's architecture the Mount Vernon Ladies Association carefully interpreted and preserved its fabric Purchasing the house in 1859 amid intense scrutiny the organization safeguarded Washington's home and ensured its accessibility as the nation's leading historic house museum Tension between popular images of Mount Vernon and the organization's official

narrative for the house over the past 150 years demonstrates the close and ever shifting relationship between historic preservation and popular architecture In existence for roughly as long as the United States itself Mount Vernon s image has remained strikingly relevant to many competing conceptions of our country s historical and architectural identity

Souvenir Nation William L. Bird, Jr.,2013-10-22 Buried within the collection of the Smithsonian Institution s National Museum of American History exists an astonishing group of historical relics from the pre Revolutionary War era to the present day many of which have never been on display Donated to the museum by generations of souvenir collectors these ordinary objects of extraordinary circumstance all have amazing tales to tell about their roles in American history Souvenir Nation presents fifty of the museum s most eccentric items Objects include a chunk broken off Plymouth Rock a lock of Andrew Jackson s hair a dish towel used as the flag of truce to end the Civil War the microphones used by FDR for his Fireside Chats and the chairs that seated Nixon and Kennedy in their 1960 television debate Portraits and Personalities

Gamaliel Bradford,1968 **Beyond Forty Acres and a Mule** Debra A. Reid,Evan P. Bennett,2012-06-10 This collection chronicles the tumultuous history of landowning African American farmers from the end of the Civil War to today Each essay provides a case study of people in one place at a particular time and the factors that affected their ability to acquire secure and protect their land The contributors walk readers through a century and a half of African American agricultural history from the strivings of black farm owners in the immediate post emancipation period to the efforts of contemporary black farm owners to receive justice through the courts for decades of discrimination by the U S Department of Agriculture They reveal that despite enormous obstacles by 1920 a quarter of African American farm families owned their land and demonstrate that farm ownership was not simply a departure point for black migrants seeking a better life but a core component of the African American experience *Sulgrave Manor And The Washingtons - A History And Guide To The Tudor Home Of George*

Washington's Ancestors H. Clifford Smith,2016-09-06 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **Theodore Roosevelt and His Library at Sagamore Hill**

Mark I. West,2022-05-01 President Theodore Roosevelt called himself a book lover and for good reason From his boyhood days in the 1860s to the very end of his life in 1919 Roosevelt had a deep seated passion for reading books Wherever he went he brought books with him Whether he was rounding up cattle on a ranch in North Dakota giving campaign speeches from the back of a train governing the nation from the White House or exploring an uncharted tributary of the Amazon River he always made time to read books Theodore Roosevelt and His Library at Sagamore Hill includes an overview of Roosevelt s life as a reader a discussion of the role that reading particular books played in shaping his life and career and a short history of his personal library The book also provides researchers and others interested in Roosevelt s life with a complete list of Roosevelt s books that are currently located at Sagamore Hill his home in Oyster Bay New York The books in his personal

library reflect his love of classic works of literature his interest in history and his fascination with the natural sciences Theodore Roosevelt and His Library at Sagamore Hill concludes with an essay that Roosevelt wrote near the end of his life in which he reflected on his reading habits and commented on some of his favorite books **Monarchies and the Great War** Matthew Glencross, Judith Rowbotham, 2018-10-11 This volume challenges the traditional view that the First World War represents a pivotal turning point in the long history of monarchy suggesting the picture is significantly more complex Using a comparative approach it explores the diverse roles played by monarchs during the Great War and how these met the expectations of the monarchic institution in different states at a time of such crisis Its contributors not only explore less familiar narratives including the experiences of monarchs in Belgium and Italy as well as the Austro Hungarian Japanese and Ottoman Empires but also cast fresh light on more familiar accounts In doing so this book moves away from the conventional view that monarchy showed itself irrelevant in the Great War by drawing on new approaches to diplomatic and international history ones informed by cultural contextualization for instance while grounding the research behind each chapter in a wide range of contemporary sources The chapters provide an innovative revisiting of the actual role of monarchy at this crucial period in European indeed global history and are framed by a substantial introductory chapter where the key factors explaining the survival or collapse of dynasties and of the individuals occupying these thrones are considered in a wide ranging set of reflections that highlight the extent of common experiences as well as the differences Royal Heirs and the Uses of Soft Power in Nineteenth-Century Europe Frank Lorenz Müller, Heidi Mehrkens, 2016-10-15 This volume brings together a fascinating selection of studies exploring the soft power tools used by heirs to the throne in order to enhance the communication of monarchies with their audiences during the nineteenth century How we perceive royals and their dynasties today as families as celebrities as charitable figureheads of society or as superfluous relics of a bygone age has deep roots in the monarchical cultures of nineteenth century Europe By focusing on the role played by heirs to the throne this volume offers an original perspective on the ability of monarchies to persuade sceptical audiences nourish positive emotions and thereby strengthen the position of each dynasty within its respective nation Using examples from Britain Italy Spain the Netherlands Austria Greece Sweden Norway and Prussia an international team of experts analyzes and explains the development of the very soft power tools which are still being used by Ruling Houses today **Early American Architecture** Hugh Morrison, 1987-01-01 Comprehensive survey of domestic and public architecture ranges from primitive cabins to Greek Revival mansions of the early 1800s Nearly 500 illustrations Entertaining vigorous and clearly written The New York Times **The Story of Chicago** Joseph Kirkland, Caroline Kirkland, 1894 *America Writes Its History, 1650-1850* Jude M. Pfister, 2014-05-21 By turns irreverent sympathetic and amusing *America Writes Its History 1650 1850* adds to the public discourse on national identity as advanced through the written word Highlighting the contributions of American writers who focused on history the author shows that for nearly 200 years writers struggled to reflect or influence

the public perception of America by Americans This book is an introduction to the development of history as a written art form and an academic discipline during America s most crucial and impressionable period America Writes Its History 1650 1850 takes the reader on a historical tour of written histories whether narrative history novels memoirs or plays from the Jamestown Colony to the edge of the Civil War What exactly did we as Americans think of ourselves And more importantly What did we want non Americans to think of us In other words what was and is history and who if anyone owns it Mary Higgins Clark Linda De Roche,2011-03-21 This incisive exploration probes the relationship between the novels of bestselling author Mary Higgins Clark and the key events and influences of her life In her 2002 memoir Kitchen Privileges Mary Higgins Clark shared the details of her life with her readers but she offered little significant reflection on those details For that readers must look to her fiction where her themes characters and subjects suggest her responses to her life experiences Mary Higgins Clark Life and Letters provides readers with an analysis of these connections in a volume that should increase their understanding and appreciation of the author and her work Focusing on subjects associated with the literary elements of representative Clark novels Linda De Roche explores the relationship between the life of this bestselling author and the books that have won her legions of fans for more than a quarter century Themes and issues woven into Clark s fiction such as the role of the past in people s lives repercussions of violence and the concept of identity are considered while close critical readings uncover psychological feminist and sociopolitical interpretations that will delight fans and inform scholars

While this might not be the Mount Vernon Its Owner Its Story full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of

Mount Vernon Its Owner Its Story eBooks, including some popular titles.

FAQs About Mount Vernon Its Owner Its Story Books

What is a Mount Vernon Its Owner Its Story PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Mount Vernon Its Owner Its Story PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Mount Vernon Its Owner Its Story PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Mount Vernon Its Owner Its Story PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Mount Vernon Its Owner Its Story PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
