Easy Readin' No Author Kelley, 2009-02-20 This book is basically a collection of poems on various subjects This is not classic poetry I frankly started out one night to write something in basic essay paragraph format and while I had a lot going through my mind I ended up jotting down a few notes then at some point I found that I was stringing those notes together putting them in basic rhyme and my first writing turned into what I suppose can be considered a poem For the People I found this an interesting and convenient way to express thoughts on a variety of issues and from there many

followed mainly that year and some more the following years I dont know whether anyone will find interest in what I have written here And if so I dont really know who There are no real secrets or wisdom in this book but hopefully some will enjoy it The great majority of this book was written in 1993 I had gotten out of the Navy where I had been enlisted from Oct 1977 Oct 1992 For the year 1993 I was basically able to take a year off without working This material was only copyrighted in 2009 and none of it has been made public before now
