Between Jewish Posen and Scholarly Berlin Daniel R. Schwartz, 2016-11-07 The life of Philipp Jaff 1819 1870 from his youth in Posen his studies with Leopold von Ranke and career as a close friend of Theodor Mommsen at the pinnacle of historical scholarship in Berlin first at the Monumenta Germaniae Historica and then after his feud with Georg Heinrich Pertz with his unprecedented 1862 appointment while still a Jew to a Berlin professorship and on to his baptism in 1868 and suicide in 1870 was a life of transition between East and West and between Judaism and Christianity and a life of devotion to scholarship of loneliness of success and of frustration Forgotten today except by medievalists who depend on his numerous editions of Latin texts Jaff was a central figure in the heydays of German scholarship His career illustrates the working conditions of such scholars their friendships and feuds and also the limits that hemmed Jews in and the ways they could be overcome This volume documents Jaff s life accomplishments and struggles and also offers insight into his soul via more than two hundred of his letters in German about half to his parents in Posen and half to colleagues around Europe especially Pertz and Mommsen

A Dictionary of German-Jewish Surnames Lars Menk, 2005 This dictionary identifies more than 13 000 German Jewish surnames from the area that was pre World War I Germany From Baden Wuerttemberg in the south to Schleswig Holstein in the north From Westfalen in the west to East Prussia in the east In addition to providing the etymology and variants of each name it identifies where in the region the name appeared identifying the town and time period More than 300 sources were used to compile the book A chapter provides the Jewish population in many towns in the 19th century

The Power of Myth, or on the Meanders of Historical Writing Krzysztof A. Makowski, 2023-09-25 This monograph presents a critical analysis of the body of historical writing on the history of the Jewish population in Poznan in the era of the Prussian rule 1772 1918 including the identification and verification of the attendant myths and stereotypes The interest in the Polish edition of this book was considerable Similarly noticeable was the academic response to the title despite its ostensibly local subject matter While this study was also noticed abroad the language barrier has severely impeded its impact This prompted the author to work towards the English edition of this book hoping it would find its way into global academic circulation Some changes and additions were made in the English version It includes an updated survey of scholarship on this subject of the past twenty years a response to reviews engaging with the Polish edition and some general reflections on the evolution of historiography in the recent years
