Nature Of Realism In Grimmelshausens Simplicibus Cycle Of Novels:

The Nature of Realism in Grimmelshausen's Simplicissimus Cycle of Novels Robert Aylett, 1982 This study of the Simplicissimus cycle of works seeks to demonstrate Grimmelshausen's modernity as an author and thinker A new evaluation of Simplex and others as characters is undertaken the author's use of time and space is examined as are the credibility of action and the interweaving of real and fictional history the values upheld in the works are reassessed The study shows a writer who although at times intermittently realistic is largely engaged in portraying contemporary life in a realistic fashion

A Companion to the Works of Grimmelshausen Karl F. Otto, 2003 Hans Jacob Christoffel von Grimmelshausen ca 1621 1676 is the most significant and still readable author of seventeenth century German novels His Abenteuerlicher Simplicius Simplicissimus remains the one German novel of its time that has attained the stature of world literature its unique mix of violent action and solitary reflection its superlative humor its realistic portrayal of a peasant turned soldier turned hermit has made it the longest running bestseller in German literature Read by students and scholars in comparative literature history and German and by those interested in the development of the picaresque novel in Europe the work and its Continuations have increasingly occupied scholars around the world who have in recent years shown it to be a work of subtle structure and characterization bearing the imprint of the most advanced political thinking of the time and showing the influences of some of the most significant works of world literature including Cervantes Don Quixote and Barclay's Argenis This volume of essays by leading Grimmelshausen scholars from Germany the United States and England provides analyses of significant topics in his life and works including questions of genre structure satire allegory narratology political thought religion morality humor realism and mortality Contributors Christoph E Schweitzer Italo Michele Battafarano Klaus Haberkamm Rosmarie Zeller Andreas Solbach Dieter Breuer Lynne Tatlock Peter Hess Shannon Keenan Greene and Alan Menhennet Karl F Otto is Professor of German at the University of Pennsylvania and has written extensively on German Baroque literature Jewish Identity in Early Modern Germany Dean Phillip Bell, 2016-05-06 Although Jews in early modern Germany produced little in the way of formal historiography Jews nevertheless engaged the past for many reasons and in various and surprising ways They narrated the past in order to enforce order empower authority and record the traditions of their communities In this way Jews created community structure and projected that structure into the future But Jews also used the past as a means to contest the marginalization threatened by broader developments in the Christian society in which they lived As the Reformation threw into relief serious questions about authority and tradition and as Jews continued to suffer from anti Jewish mentality and politics narration of the past allowed Jews to reinscribe themselves in history and contemporary society Drawing on a wide range of sources including chronicles liturgical works books of customs memorybooks biblical commentaries rabbinic responsa and community ledgers this study offers a timely reassessment of Jewish community and identity during a frequently turbulent era It engages but then redirects important discussions by

historians regarding the nature of time and the construction and role of history and memory in pre modern Europe and pre modern Jewish civilization This book will be of significant value not only to scholars of Jewish history but anyone with an interest in the social and cultural aspects of religious history **The Musician in Literature in the Age of Bach** Stephen Rose,2011-02-24 Analysing novels and autobiographies from Bach s Germany this book presents new insights into the lives mindset and status of musicians Choose Not These Vices Alfred D. White,2005 From the late seventeenth century into the eighteenth critics and authors in Germany defended the novel indeed it depicted vice and immorality but only with the intention of exhorting the reader to avoid such dangers to the soul This book examines outstanding novels of life from the Thirty Years War to the Vorm rz mostly written with this real or apparent moral aim and evaluates them as documents of social history The author finds that concepts of truth and plausibility are different in the early modern period Initial and closing chapters deal with French novels showing how approaches to society differ across national cultures Survival in Simplicissimus and Mutter Courage Cara M. Horwich,1997 Argues that Hans Grimmelshausen s 1625 76 Simplicissimus and Bertolt Brecht s 1898 1956 Mutter Courage und ihre Kinder share an overriding concern with human survival in a dangerous world Focuses on the depiction of various threats to survival how the characters deal with them and the price they pay for doing so Finds that both authors hold up the lower clergy as models for survival a surprise in light of the setting of religious conflict in both works and Brecht s communism Annotation copyright by Book News Inc Portland OR **Fiction in French - Fiction in Soviet** British Library,2013-02-07 No detailed description available for Fiction in French Fiction in Soviet

Research in Germanic Studies ,1981 **Reference Guide to World Literature** Tom Pendergast,2003 Covers writers from the ancient Greeks to 20th century authors Includes biographical bibliographical entries on nearly 500 writers and approximately 550 entries focusing on significant works of world literature Each author entry provides a detailed overview of the writer s life and works Work entries cover a particular piece of world literature in detail **International Books in Print** ,1997
