Nature And Destiny Of Man Volume 1:

The Nature and Destiny of Man Reinhold Niebuhr, 1996-01-01 Thought to be Niebuhr's most significant work as well as one of the few great 20th century works of theology by an American writer considers human nature from a Christian perspective [The Nature and Destiny of Man](#) Reinhold Niebuhr, 1945 [Nature and Destiny of Man](#) Reinhold Niebuhr, 2018-09-21 2018 Reprint of 1941 Edition Full facsimile of the original edition not reproduced with Optical Recognition software Volume One Human Nature A collection of theological lectures delivered by Niebuhr in 1939 The Nature and Destiny of Man tackles the Christian concept of human nature the powerlessness of man and Christianity's impact on human history Delivered just before the outbreak of World War II these lectures were so influential that Cold War containment policies and aspects of realpolitik can be traced back to them Especially recommended for those interested in ontology [God's Patience and our Work](#) Ben Fulford, 2024-02-28 In *God's Patience and our Work* Ben Fulford argues that Hans Frei's theology and ethics offers unheralded but valuable resources for thinking about the social and political engagement of Christian communities in pluralistic societies in light of hope in Jesus Christ He shows how Frei's project of recovering the conditions for and shape of a generous orthodoxy runs through his work offering broad flexible vision of Christian identity ethical responsibility and humanistic witness focused in the person and presence of Jesus Christ In dialogue with liberation theologies Fulford draws from Frei an account of divine patience and providence to frame hopeful pragmatic Christian participation in work for dignity justice and penultimate reconciliation rooted in new and deeper contextual reading of his work *The Nature and Destiny of Man - Volume 1, Human Nature* Reinhold Niebuhr, 1964 *The Bonds of Freedom* Rebekah L. Miles, 2001-08-23 In this constructive study Miles proposes a new feminist theological ethic drawing together the contributions of Reinhold Niebuhr Sharon Welch and Rosemary Ruether Seeking to critically reappropriate the Christian realism articulated by Niebuhr she reinterprets solutions to problems emergent from his theology Miles presents feminist Christian realism as an alternative that can reclaim a positive interpretation of divine transcendence and human self transcendence while maintaining newer emphases on human boundedness and divine immanence Theologians and ethicists will find her critical reassessment of the three authors distinctive and her challenging proposal for a positive creative transformation a significant contribution to the development of feminist ethics **Bible and Ethics in the Christian Life** Bruce C. Birch, 1989-01-01 Among the topics treated are Christian ethics as community ethics Charting the moral life Elements of character formation Character and social structure Decision making The nature and role of biblical authority Uses of Scripture in Christian ethics *The Nature and Destiny of Man* Reinhold Niebuhr, 2021-11-02 The Nature and Destiny of Man issues a vigorous challenge to Western civilization to understand its roots in the faith of the Bible particularly in the Hebraic tradition Niebuhr here lays out his influential understanding of the two poles of human existence finitude and freedom Individual human thriving requires that we fully understand and honor both of these aspects of our

nature yet human history demonstrates our penchant for placing one over the other This book is arguably Reinhold Niebuhr s most important work It offers a sustained articulation of Niebuhr s theological ethics and is considered a landmark in twentieth century thought

Religion and Human Enhancement Tracy J. Trothen, Calvin Mercer, 2017-09-17 This collection vigorously addresses the religious implications of extreme human enhancement technology Topics covered include cutting edge themes such as moral enhancement common ground to both transhumanism and religion the meaning of death desire and transcendence and virtue ethics Radical enhancement programs advocated by transhumanists could arguably have a more profound impact than any other development in human history Reflecting a range of opinion about the desirability of extreme enhancement leading scholars in the field join with emerging scholars to foster enhanced conversation on these topics

The Poetics of Grace: Christian Ethics as Theodicy Jeph Holloway, 2013-04-09 What is God doing about a world marked by conflict and division What about a world in which our technologies promise great good but also threaten our existence What is God doing in a world where the demands for accumulation and acquisition create division and despair Can Christians hope to be of positive influence in a world that does not always support reflect or even understand Christian commitments Christian ethics often raises such questions as these and the possible answers vary widely Paul s Letter to the Ephesians is a tremendous resource for exploring a faithful response to perhaps the toughest question of all what is God doing about evil The role of Christian ethics is to take seriously the challenge that whatever God is doing God calls us to participate in a distinctive task that embraces our own commitments and labors within the divine purpose Ephesians says that God has taken the initiative to pursue that purpose and remarkably offers that we ourselves are part of the answer to the question what is God doing about evil
