Wisdom Quest Travis Fisk, 2012-10-05 Long long ago in the world there were many magical and mystical beings thriving prospering and living in harmony with one another At that time there was an ancient law passed down through many many generations No two very powerful magical people are allowed to have offspring Because their offspring are three or four times as powerful as the parents combined Their children if swayed by the evil side of magic could destroy the world and all who live in it Well you can't stop love it happened and this forbidden act set forth a chain of events that shook the foundations of every kingdom village township and perish on the planet and gave new meaning to the statement always question authority This smitten act is going to take us on a journey that will never be forgotten With moments of great excitement and adventure paths that test our patience trust and strength through great peril days of immense joy and happiness all for the sake of seeking truth and knowledge will forever be known as Wisdom Quest
