"Zigzag" rug, as there are seen in the patterns of several *Iskaym* rugs, but they are very common subjects for *Iskaym* weaving, for there is a belief that these zigzag lines represent the paths of the sun and the moon. The white line creates a zigzag and the three zigzag lines (black, red, and blue) add a sense of harmony and rhythm. The zigzag lines are symbols for the sun, while the zigzag at the base of the line denotes that direction. Valette,Jean-Paul Valette,2000 Weaving the Dance is the first

book to focus on the early development of a special category of twentieth century Navajo textiles known as Yeibichai weavings These weavings are artistic interpretations of the Yeibichai dance a sacred rite that provides a spectacular conclusion to the nine day Navajo ceremony known as the Nightway In spite of their theme Yeibichai textiles were never intended for ceremonial use but were produced exclusively for sale to an Anglo clientele willing to pay premium prices for them Like other textiles featuring ceremonial figures their appearance in the first decade of the twentieth century nevertheless created controversy among Navajos since traditional beliefs strongly prohibit the reproduction of sacred figures outside a ceremonial context By the 1930s scholars were dismissing these novel weavings as bad examples of tourist art and writing them off as a passing fad Despite this dire prediction weaving with ceremonial figures continued to be produced and now constitute a recognized and well established category of Navajo textiles Because of their rarity and their intriguing theme the first Navajo weavings to feature stylized ceremonial figures in their designs captured the imagination of wealthy collectors William Randolph Hearst for example purchased two such rugs to complement his extensive collection of classic pre 1870 Navajo blankets Collectors of Yeibichai weavings include personalities as diverse as Marjorie Merriwether Post the

cereal businesswoman and philanthropist and Chee Dodge the Navajo leader who became the first chairman of the Tribal Council in 1923 Today early Yeibichai weavings are appreciated not for their ceremonial themes but for their originality beauty and relative scarcity This book traces the stylistic evolution of the genre from the highly original and complex designs created in the 1910 1935 period to the more standardized patterns which emerged in the late 1930s and 1940s BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
