Odd Mercy Poems:

Odd Mercy: Poems Gerald Stern, 1997-06-17 For over two decades no one has equaled Stern's compassionate surreal parables about the burden of and the exaltation at being alive Library Journal The centerpiece of Gerald Stern's ninth collection is a long poem titled Hot Dog named for a beautiful street woman who lives in and around Tompkins Square Park Other characters in this poem are St Augustine Walt Whitman Noah Gerald Stern himself and a ninety year old black preacher from the Midwest In Hot Dog and throughout Stern wrestles with the issues hope memory faith that have always occupied him

Odd Mercy Gail Thomas, 2016-11-10 Winner of the 2016 Charlotte Mew Prize The centerpiece of Odd Mercy is The Little Mommy Sonnets a crown of sonnets that carries us poignantly through the life and death of the poet's mother as well as their complicated bond over time I was impressed with Gail Thomas' dedication to craft her richness of detail and especially her deft transitions from the end line of one sonnet to the opening line of the next The challenge here is to repeat the line but to make it new to show us another facet and Thomas does that so skillfully in these poems propelling us forward through the narrative Poetry uses words to convey what is beyond words to say the unsayable The last line of Odd Mercy expresses this paradox tenderly as the poet reflects on her mother your words now gibberish your voice always in my head Ellen Bass Judge of the Charlotte Mew Prize The stunning centerpiece of Odd Mercy The Little Mommy Sonnets explores a complicated mother daughter relationship that is turned on its head by dementia Did we find each other too late or just in time asks the daughter as her mother's sharp tongue dissolves and her own armor melts Beautifully written heartfelt generous and forgiving all the poems in this collection touched my heart deeply Gail Thomas is a poet of tremendous talent Leslea Newman author of I Carry My Mother On Waving Back 2015 These are poems of authority and grace alive with the pulse of desire and the mystery of our deep connections Joan Larkin Thomas brings precise observation and earned wisdom to poems in which the bitter and the sweet entwine Robin Becker

Performing the Literary Interview John Rodden, 2001-01-01 When authors are interviewed about their books or themselves much more is going on than a simple conversation The interview becomes a performance space for authorial orchestration and self promotion and interviewers in turn respond to such self display and theatrics Featuring absorbing conversations with nine well known authors including poets Richard Howard and Gerald Stern novelist Isabel Allende and scholar intellectual Camille Paglia Performing the Literary Interview is the first in depth look at this type of performance art Interviews with poets fiction writers and intellectuals enable John Rodden to identify a range of rhetorical strategies and their effects and to formulate a typology for appreciating the various roles that interviewers and interviewees assume Traditionalists foreground their work rather than themselves raconteurs are storytellers who skillfully spin anecdotes and creatively showcase their personalities and advertisers more explicitly use the literary interview to

promote and sell themselves This pioneering persuasive study stakes a claim to a new area of scholarly inquiry in the humanities The literary interview can no longer be considered only as a voyeuristic window on an author or a celebrity vehicle or even an entertaining diversion but should also be approached as a serious genre meriting scholarly attention and analysis

Walt Whitman and the Making of Jewish American Poetry Dara Barnat, 2023-08-01 Walt Whitman has served as a crucial figure within the tradition of Jewish American poetry But how did Whitman a non Jewish American born poet become so instrumental in this area of poetry especially for poets whose parents and often they themselves were not born here Dara Barnat presents a genealogy of Jewish American poets in dialogue with Whitman and with each other and reveals how the lineage of Jewish American poets responding to Whitman extends far beyond the likes of Allen Ginsberg From Emma Lazarus and Adah Isaacs Menken through twentieth century poets such as Charles Reznikoff Karl Shapiro Kenneth Koch Muriel Rukeyser Adrienne Rich Marge Piercy Alicia Suskin Ostriker and Gerald Stern this book demonstrates that Whitman has been adopted by Jewish American poets as a liberal symbol against exclusionary and anti Semitic elements in high modernist

Gerald Stern, 2012-01-16 In what could be boldly called a new genre Gerald Stern reflects with wit pathos rage and tenderness on 85 years of life In 70 short intermingling pieces that constitute a kind of diary of a mind Stern moves nimbly between the past and the present the personal and the philosophical Creating the immediacy of dailiness he writes with entertaining engagement about what he's reading be it Spinoza Maimonides John Cage Etheridge Knight James Schuyler or Lucille Clifton and then he seamlessly turns to memories of his student years in Europe on the GI Bill or his political and social action Unexpected anecdotes abound He hilariously recounts the evening Bill Murray bit his arm and tells about singing together with Paul McCartney Interwoven with his formidable recollections are passionate discussions of lifelong obsessions his conflicted identity as a secular Jew opposed to Israel's Palestinian policy the idea of neighbors in various forms from the women of Gee's Bend who together made beautiful quilts to the inhabitants of Jedwabne who on a single day in 1941 slaughtered 300 Jews and issues of justice
