## Of A World That Is No More:

**Commentary on the Gospel of St. John** Ernst Wilhelm Hengstenberg, 1865 *The Comprehensive Commentary on the Holy Bible: Matt.-John. 1834* William Jenks, 1834 **The Historians' History of the World: The British colonies, The United States (early colonial period)** Henry Smith Williams, 1904 **The Death of Death in the Death of Christ** John Owen, 2017-10-12 Owen was a renowned theologian in his day and this work is a piece of theological brilliance in the reformed and protestant tradition The death of Christ had a wide range of implications on the fate of humanity and the cause of redemption that Christ came to give to us all This work goes over all the arguments that have been set up against the reality of Christ's death and Owen brilliantly rebukes these arguments and settles it all *The Historical Foundations of World Order* Douglas Johnston, W. Michael Reisman, 2007-12-31 In *The Historical Foundations of World Order* the Tower and the Arena Douglas M Johnston has drawn on a 45 year career as one of the world's most prolific academics in the development of international law and public policy and 5 years of exhaustive research to produce a comprehensive and highly nuanced examination of the historical precursors intellectual developments and philosophical frameworks that have guided the progress of world order through recorded history and across the globe from pre classical antiquity to the present day By illuminating the personalities and identifying the controversies behind the great advancements in international legal thought and weaving this into the context of more conventionally known history Johnston presents a unique understanding of how peoples and nations have sought regularity justice and order across the ages This book will appeal to a wide spectrum of readers from lawyers interested in the historical background of familiar concepts to curriculum developers for law schools and history faculties to general interest readers wanting a wider perspective on the history of civilization Winner 2009 ASIL Certificate of Merit for a Preeminent Contribution to Creative Scholarship **Explorations and Proposals toward Market Socialism and World Government** James A. Yunker, 2022-09-26 This book blends real world history intellectual history and personal history into a compelling case for a new way of thinking about such highly controversial and highly misunderstood concepts as market socialism a Global Marshall Plan and world government It argues that if properly designed according to clear and specific blueprints all three of these possibilities would indeed greatly benefit humanity if they were fully implemented The book puts a human face on these proposals by documenting their origin and development through a detailed account of the author's professional efforts over a long and productive academic career This story of steadfast determination in the face of steep odds will resonate deeply with every person who has nourished a vision that is commonly dismissed as excessively idealistic and unrealistic **The Biblical World** William Rainey Harper, Ernest DeWitt Burton, Shailer Mathews, 1914 Books for New Testament study By Clyde Weber Votaw v 26 p 271 320 v 37 p 289 352 **The Gas Engine**, 1908 **Selected Executive Session Hearings of the Committee, 1943-50: Problems of World War II and its aftermath** United States.
