Of Heaven And Hell:

Journeys to Heaven and Hell Bart D. Ehrman, 2022-04-05 A New York Times best selling scholar s illuminating exploration of the earliest Christian narrated journeys to heaven and hell An illuminating deep dive An edifying origin story for contemporary Christian conceptions of the afterlife Publishers Weekly From classics such as the Odyssey and the Aeneid to fifth century Christian apocrypha narratives that described guided tours of the afterlife played a major role in shaping ancient notions of morality and ethics In this new account acclaimed author Bart Ehrman contextualizes early Christian narratives of heaven and hell within the broader intellectual and cultural worlds from which they emerged He examines how fundamental social experiences of the early Christian communities molded the conceptions of the afterlife that eventuated into the accepted doctrines of heaven hell and purgatory Drawing on Greek and Roman epic poetry early Jewish writings such as the Book of Watchers and apocryphal Christian stories including the Acts of Thomas the Gospel of Nicodemus and the Apocalypse of Peter Ehrman demonstrates that ancient tours of the afterlife promoted reflection on matters of ethics faith ambition and life s meaning the fruit of which has been codified into Christian belief today

The Reality of Heaven and Hell Apostle Joshua Selman, 2021-01-18 We started considering the subject of heaven and hell a very powerful subject This subject is not taught as much in the body of Christ again for many reasons We just feel that it puts fear in people and we live in a time and age where people should not be made to be afraid Unfortunately if we do not teach about the reality of the afterlife that there is eternity beyond this realm we ll be cheating them This is the heart of the Christian experience So we started last week Part one was proving to us from scripture that there is a place called heaven and there is a place called hell Incase you ve been indoctrinated to believe there is no heaven it doesn t make any difference there is because one day you ll see one of those places for sure whether you believe it or not The question is not will you spend eternity that s a wrong question It s the location that matters because you ll spend eternity for sure

40 Questions About Heaven and Hell Alan W. Gore, 2018-11-27 In 40 Questions About Heaven and Hell Alan Gomes surveys the Old and New Testaments to present a comprehensive picture of the afterlife The question and answer format makes it easy to find answers to specific questions on heaven hell the intermediate state the final judgment and life in eternity Readers will find solid answers to many vital questions What should we conclude about those who claim to have seen heaven or hell Is it possible for us to communicate with the dead Is there such a place as purgatory What will our resurrected bodies be like What will we do in the eternal state Will there be animals in the eternal state What is hell like How can a God of love send people to an eternal hell Did Jesus descend into hell like the Apostles Creed says Study notes point to additional resources for learning and reflection questions at the end of each chapter make the book ideal for small group studies

Christopher D. Hudson, 2014-02-18 It can be said that the words heaven and hell are thrown around flippantly these days It seems they have become part of our vernacular without much thought or concern about what they really mean The reality of heaven and hell is a hotly debated topic spurring countless conversations books and sermons It s fashionable to have an opinion about the reality of heaven and hell but what does the Bible really say Heaven and Hell Are They Real discusses what Scripture really says about these mysterious places giving you real solid reliable information The book includes scripture quotes that capture the current interest in the reality of heaven and hell while offering readings on heaven and hell Also included are quotes and insights from trusted authors including Billy Graham Randy Alcorn C S Lewis and more For the curious reader looking for more information on heaven and hell Heaven and Hell Are they Real is the perfect choice Features include Readings on heaven and hell Questions for digging deeper Additional content from trusted contemporary and ancient scholars Scripture from the NIV *Visions of Heaven and Hell* John Bunyan, 2007-02 When the wicked have traveled a course of sin and discover they have reason to fear the God s judgement and wrath for their sins they begin to wish there is no God to punish them then by degrees they persuade themselves there is no God and then they set themselves to study the arguments to support their opinion This excellent book by John Bunyan covers the subject matter of the existence of heaven and hell as well as studies and dispells the arguments presented by sinners who argue there is no heaven and hell Most do not know that Bunyan wrote some 60 books and poetry too And also almost a well kept secret is that his doctrine was so biblically laced that many good men would call him too severe He believed in and taught ALL the doctrines of grace including double predestination or reprobation Why then is he not smeared with the name of hyper Calvinist like Goodwin Gill and others I guess the same people ought to call Luther a hyper Lutheran for he believed and taught it too Why begin a review of Bunyan s writings with such a view of his doctrine It is to show that a Pilgrim s Progress can come only from someone who believes and teaches ALL the counsel of God without flinching yea with loving kindness Illegally He sat in a jail cell over a river for 12 years with his Bible Galatians by Luther and another book or two He had the choice of feeling miserable and murmuring or of filling his time thoughts and energies with studying that Bible and seeking a way to be of help to his more comfortable but less dedicated brothers and sisters Listen dear saints you can t do any better than reading Bunyan Like Gurnall he covers everything here and there and with a sweetness that can come only from God What a shame that his large heart should be encased in such small print But like digging gold it is worth the time and trouble to dig

spiritual gold Bunyan 1628 1688 rose from an humble beginning to being a preacher to a little house church to 12 years in jail because he would not agree to quit preaching to a huge church in London He wrote 66 books nearly all while in jail
