Of Revelation and Revolution, Volume 1 Jean Comaroff, John L. Comaroff, 2008-04-15 Of Revelation and Revolution is at once a highly imaginative richly detailed history of colonialism Christianity and consciousness in South Africa and a theoretically challenging consideration of the most difficult questions posed by the nature of social experience Although primarily concerned with the nineteenth and early twentieth centuries Of Revelation and Revolution also looks forward to the age of apartheid and beyond Of Revelation and Revolution Jean Comaroff, 1991 Of Revelation and Revolution, Volume 2 Jean Comaroff, John L. Comaroff, 1991 V 1 Christianity colonialism and consciousness in South Africa v 2 The dialectics of modernity on a South African frontier **Revelation Revolution , Special Topic: On of Revelation and Revolution** Charles Piot, 2001 *Making Headway* Andrew E. Barnes, 2009 A thought provoking study of local peoples participation in the process of cultural transfer in colonial Northern Nigeria The process of cultural transfer in Northern Nigeria was historically thought to have been dictated by European colonial domination In fact Western missionaries may not have been able to guide African Christians toward mastery of the secular world when they themselves lacked the worldliness to do so In this penetrating study Andrew E Barnes argues that competition among colonizing forces impelled British colonial administrators and Christian missionaries alike to offer Africans those aspects of Western civilization Africans themselves specifically wanted schools that provided greater access to Western intellectual skills In *Making Headway* The Introduction of Western Civilization in Colonial Northern Nigeria Barnes demonstrates effectively that Europeans were successful in transferring to local peoples the cultural values they hoped to foster only because Africans and Europeans reached consensus about the nature and character of the Western civilization to be shared Ultimately this study asserts Africans had greater control over the introduction of Western civilization to the region than traditionally thought Andrew E Barnes is Associate Professor of History at Arizona State University *Of Revelation and Revolution, Volume 1* Jean Comaroff, John L. Comaroff, 1991-07-09 Defining their enterprise as more in the direction of poetics than of prosaics the Comaroffs free themselves to analyze a vivid series of images and events as objects of analysis These they mine for clues to the 19th century contents of the British imagination and of Tswana minds They are themselves imagining the imagination of others and they do the job with characteristic aplomb The first volume creates an appetite for the second Sally Falk Moore American Anthropologist **Revelation Revolution** Greg Albrecht, Plain Truth Ministries, 2005 **The Pitfalls of Liberal Democracy and Late Nationalism in South Africa** Mueni wa Muiu, 2008-11-15 This book compares African and Afrikaner nationalisms to demonstrate that the transition from apartheid to liberal democracy in South Africa was a neo colonial settlement that left the economy and the military security sector under the control of the white minority while increasing wide socioeconomic disparities between rich and poor **The Works of Orestes A.
