

A serene landscape featuring a wooden pier extending from the bottom center towards the horizon. The pier is made of dark brown wooden planks. The ocean is a deep blue, and the sky is a mix of light blue and white clouds. In the distance, there are faint, hazy mountains. A few birds are visible in the sky on the left side.

nourishes wisdom."*

Mazis, 2016-09-21 Assesses Merleau Ponty's contribution to ethics as calling for a poetic interplay between perception and imagination and between silence and solidarity that reveals our place in the world and our obligations to ourselves and others Before his death in 1961 Merleau Ponty worried about what he saw as humanity's increasingly self enclosed and manipulative way of experiencing self others and the world the consequences of which remain apparent in our destructive inability to connect with others within and across cultures In *Merleau Ponty and the Face of the World* Glen A Mazis provides an overall consideration of Merleau Ponty's philosophy that brings out what he sees as a corrective prescription for ethical reorientation that is fundamental to Merleau Ponty's thought Mazis begins by analyzing the key role that silence plays for Merleau Ponty as a positive powerful presence rather than a lack or emptiness and then builds on this to explore the ethical significance of the face to face encounter in his thought as one of solidarity rather than obligation In the last part of the book Mazis traces the development of what he calls physiognomic imagination in Merleau Ponty's work This understanding of imagination is not fancy or make believe but rather brings out the depths of perceptual meaning and leads to an appreciation of poetic language as the key to revitalizing both ethics and ontology Drawing on Merleau Ponty's published works lecture notes unpublished writings and the work of many phenomenologists and Merleau Ponty scholars Mazis also offers incisive readings of Merleau Ponty's work as it relates to that of Antoine de Saint Exupéry Gaston Bachelard and Emmanuel Levinas [From The Heart Of A Country Preacher](#) Neal Murphy, 2007-11 This book includes over 300 sermon outlines from almost every book of the Bible poems jokes and topical sermons by the Rev Clarence Howell whose ministerial work spanned some 75 years These sermons are rich in content Biblical truths inspiration and instruction They may be used by preachers pastors evangelists and Sunday School teachers for building a message on a particular topic or a specific scripture passage Many sermons for special days and holidays are in this treasury including a wedding ceremony that he used over 850 times This book may also be used as a daily devotional reading God's word will have another opportunity to inspire hearts and win souls Rev Howell my father in law earned an Associate Arts degree from Wayland Baptist College a Bachelor of Arts Degree from Hardin Simmons University and a Master's degree in Theology from Southwestern Baptist Theological Seminary in Fort Worth Kenneth Neal Murphy resides in his birthplace San Augustine Texas with his wife Clara He has two children Kay Fatheree a pastor's wife of Wyoming and Doug Murphy a police officer in North Carolina and five grandchildren Neal earned a Bachelor of Business Administration from Stephen F Austin State University in Nacogdoches Texas and a Master's Degree in Insurance from the Insurance Institute of America He also attended Baylor University in Waco Texas where he studied religion courses He is a Deacon in a Baptist Church and has
