women you've seen play today we are more than football players more than athletes and sportspeople of the very highest degree We are heroines or heroes or however you wanna say it and we should be taking our place on posters and platforms and TV stations changing the way perfect is thought of changing the way girls can be brought up Offside tells the story of women's football in the UK through the eyes of a modern professional female footballer as she seeks to find a future in the game through exploring its past Mickey is alone in the locker room she deliberates with herself about the biggest decision of her life her career her love her football But in a world where sexism is rife and a feeling of self limitation reduces opportunities fear makes for poor decisions while joy flourishes in the unlikeliest of places Offside has been researched with top women's teams Manchester City Women's FC and Millwall Lionesses where many players sports scientists and others who are integral to the development of the game have been interviewed to gain an in depth insight into their world The play blends a dramatic narrative with performance poetry and chanting to evoke the pace and passion of the women's game The production by Futures Theatre has been developed in partnership with the National Football Museum Manchester and the IWM London *Offside* Iain McLaughlin, 2019-09-02 Fifteen year old Cal Deane has a chance to make it as a professional

She and her best friend Makena have been part of the super competitive Brookville Breakers for a long time now and she knows there's nothing that could break them or the team up. But when the other girls start talking about the winter dance and going boy crazy, Val begins to feel out of place. It doesn't help that her teammate Jessie has been acting super weird and later tells Val the team would be better off without her. When the Breakers play a game against El Fuego, a team from Val's school, she wonders if she should switch sides. Is Val's time with the Breakers up? Does she belong as a Soccer Sister after all? And should she quit while she's ahead even if it costs her team the indoor soccer championship?

Fans of Alex Morgan's *The Kicks* will love this series by former soccer player, coach, and motivational speaker Andrea Montalbano. The Soccer Sisters series isn't just about soccer. It's about friendships, family, and the awesome thrill that comes from winning.

Offside Trap Kiru Taye, 2025-05-27

The thing about an offside trap: You don't see it coming. Diaye Zambo is one of the best defenders in the English Premier League. But now it's not a striker dogging his heels; it's one scandal after the other. Forced on the sidelines, both professionally and personally, while no team wants to touch him with a ten-foot pole, his life can't get any lower. A stint in Nigeria, back home to see his grandmother, seems like the only thing he can do as the fates decide his future.

Oseki Seki Asemote is a compassionate nurse juggling two jobs to stay afloat and keep her family together. The last thing she has time for is a hot-headed football player from the UK who thinks the sun shines out of his arse. But Diaye is her employer's grandson, and she'll keep the peace for her, even if the too-hot man makes her want to pull her hair out in the same breath as her knickers.

Then providence shines: Viva City FC wants Diaye on their team, but this offer comes with strings. He has to prove his days of scandal are behind him, for example, by taking a wife. There's no way Diaye will turn his back on playing football, and if it comes with the noose of marriage, he will bite down.

According to his grandma, Seki's the perfect candidate. If she marries him, she gets an all-expenses-paid opportunity to study for her master's degree in England, which will set her and her family up for a better life. A marriage of convenience on paper.

shouldn't be hard But real life is another matter when your spouse gets under your skin and in your blood Suddenly the opposition is neither on the pitch nor on the sidelines It's in their hearts as passion and feelings get involved This is supposed to be play acting for a few years and the first rule is not to succumb What happens when off side is now on side and pretend starts to look too real Step into the thrilling world of professional footballers in the Viva City FC Books series Offside Rules Louisa Masters, 2019-01-01 Sometimes love takes balls Newly retired championship football player Simon Wood is taking on his next challenge His plan for a charity to provide funding for underprivileged children to pursue football as a career has passed its first hurdle he has backers and an executive consultant Now it's time to get the ball rolling Lucien Morel heir to the multibillion euro Morel Corporation is shocked and thrilled to learn his father has volunteered him as consultant to a fledgling football charity Better yet the brains behind it all is heartthrob Simon Wood his teenage idol and crush Although Simon and Lucien get off on the wrong foot it's not long before they're getting along like a house on fire sparks included But with the charity under public scrutiny can their romance thrive This second edition was previously published as *The Athlete and the Aristocrat* No substantial changes have been made *The Man Offside* A.
