Off The Record A Novel:

Off the Record Tim Skubick, 2009-04-24 For more than thirty years Tim Skubick has opened the door of state government with reporting that has taken us behind the scenes onto the legislative floor and even into the Governor's office. His passionate brand of journalism has made an indelible mark on Lansing and on Michigan's political history. Governor Jennifer M. Granholm. Chatty anecdotal and sure to please political junkies. Meegan Holland Booth Newspapers. In the last thirty-four years Michigan residents have elected four governors: Milliken, Blanchard, Engler, and the state's first female chief executive, Jennifer Granholm. We have lived through the PBB poisoning of our food chain, seen governors and lieutenant governors battling for supremacy, watched women emerge as a powerful political force, and endured an endless cast of characters, clowns, crooks, and class acts on our political stage. Only one political journalist has had a front-row seat for all of these events and countless other stories that have shaped our lives since 1969. Now widely acclaimed TV, radio anchor, and newspaper columnist, Tim Skubick takes you behind the headlines for his inside skinny on Granholm's meteoric rise to governor and speculation that she'd make a great U.S. president. He also dissects the stunning upset victory of John Engler over Jim Blanchard and walks you through the grueling twenty-four-year journey to push property tax relief through a recalcitrant state legislature. Skubick brings his breezy and witty writing style to a first-of-its-kind book that reveals an insider's edition of the stories about the stories you've never read before. *Off the Record* puts you in a front-row seat right next to the author and the politicians in a history-making book about Michigan politics. If you love the great state of Michigan, you'll love this book.

Working the Story Douglas Perret Starr, Deborah Williams Dunsford, 2014-01-14 *Working the Story: A Guide to Reporting and News Writing for Journalists and Public Relations Professionals* is far more than a textbook for students and newcomers to news reporting and public relations. It is an invaluable reference guide for professionals in both fields. Best of all, it follows its own teachings: it is concise and to the point, easy to read, and clearly understandable. Unlike other works in the field, it does more than just offer advice to writers on how to write. It provides the background every reporter and public relations professional needs to do the job: from how governmental bodies work to how to cover a board meeting. Douglas Perret Starr and Deborah Williams Dunsford not only explain what to look for and how to write a news article but also offer advice on how news stories should be written for greatest impact or how to generate copy for different media types, from the printed page to the computer screen to the radio and television broadcast. Drawing on a lifetime of study and practice, Starr and Dunsford cover a vast array of topics: techniques for interviewing, covering, and writing hard news stories; features, columns, and arts reviews; what public relations is, what it is not, and how it interrelates to newswriting and speech; ghostwriting and preparing corporate spokespersons for crises, briefings, and hostile interviews. *Working the Story* also includes eminently practical appendices on everything from keyboard shortcuts to common word definitions and usages in news reporting, from freelancing to applying for a job. Intended for beginners and seasoned professionals alike, *Working the*
