The Last Drive Chuck Anderson, In the shadow of professional football where dreams are shattered and legends are forged Ace Wheeler a retired quarterback steps back into the spotlight With a legacy to protect and a son to mentor Ace's return creates a whirlwind of expectations family drama and undeniable tension Ethan Wheeler the rookie QB stands under the immense shadow of a father once larger than life Can he carve his own path or will he forever be known as Ace's son As the Springfield Stampede fights its way through the season with no games to spare the stakes rise higher than ever Immerse yourself in the heart pounding world of professional football where the language is as clean as the field allowing fans of all ages to experience Ace and Ethan Wheeler's fight for family legacy and the love of the game Every down every play brings Ace and Ethan closer to each other to victory or to the end of their tumultuous journey The Last Drive is about more than the game It's the story of a father and son finding their way back to each other through the sport that once defined their lives Experience the roar of the crowd the crunch of the field and the raw emotion of two men grappling with what it means to be a family while pushing through loss second chances and the unbreakable bonds forged in the heat of battle

The Last Drive: A Golfing Mystery Rex Stout, 2016-08-31 Rex Stout famous as the creator of the Nero Wolfe mysteries published this early golf themed mystery in 1916 Featuring death on the links this tale is full of golfing red herrings and a detective determined to run down the villain A great read for Rex Stout and

Nero Wolfe fans alike Originally published as a 6 part serial in Golfers Magazine July to December 1916 *Game of My Life* Chuck Carlson, 2004 When Bart Starr snuck across the goal line in the withering cold of Lambeau Field to beat the Dallas Cowboys in 1967 The Ice Bowl became the greatest game in Green Bay Packers history Unless of course it was the NFC championship win over the Carolina Panthers in 1997 that sent the Packers back to the Super Bowl for the first time in 30 years Maybe it was that mind bending 48-47 Monday night win over the Washington Redskins in 1983 or perhaps it was the Western Conference title win over the Baltimore Colts in 1965 on an overtime field goal that Colts players to this day say was no good It could also have been any one of Green Bay's three Super Bowl wins or the victory over the San Francisco 49ers in 1995 that cemented the Packers as a force in the NFL once again Maybe it was any one of a number of games against their ancient rivals the Chicago Bears or maybe it was as recently as the 2003 NFC playoff win over the Seattle Seahawks or Brett Favre's remarkable performance after his father died Maybe it wasn't even a Packers victory that earned its way into history Perhaps that's the beauty of a franchise with such a long and lyrical history as the Packers so many big games and so many opportunities to pick the ones that really matter So many years have produced so many games and so many memories In Chuck Carlson's *Game of My Life* former and current players and coaches talk about the best the most important the most entertaining or just the strangest games this franchise has ever played Some will be obvious choices but others may tax the memory of even the most stalwart Packers fans For a franchise steeped in history tradition and legend this book is bound to touch on a game that sits fondly in the hearts of Packers fans everywhere **Present: a Watcher Novel** Cedra
