The sun is low on the right side of the frame, creating a strong lens flare and a warm, golden glow across the scene. The overall mood is peaceful and contemplative.

One Step at a Time Matthew Lepak, 2022-01-18 Life brings us joy and pain along with a lot of other emotions A great way to release and show our emotions is to put our thoughts on paper or computer The human mind can only think so much before it needs healing and rest I hope and pray that as we go through life we get out of ourselves feelings that are staying inside of us We will more clearly see what is inside of us At the same time the world needs to hear what we have to say As we express ourselves in the written word we feel a healthy release that makes our lives journeys more enjoyable Please keep writing Writing is an action of being true to thy self With Peace and Love Matthew John Lepak
