

The Law of Evidence in a (small) nutshell

- Electronic documents – how does this change?
 - Authenticity: basic rule is OK – document supported by live witness – but e-documents are more subject to manipulation (sometimes). May be hard on a challenge.
 - Original (best evidence): may be meaningless for electronic document. Changed by legislation from a record-based test to a system-based test
 - Hearsay: no change in principle – because content does not change with the medium. Still OCB test.
