WHY DO EUROPEAN CITIZENS SUPPORT POPULISM?

A comparative study of demand-side
and supply-side explanations

Pro In Populism

Amit Ron, Majia Nadesan

Pro In Populism:

Populist and Pro-Violence State Religion Ihsan Yilmaz, Ismail Albayrak, 2022-01-19 This book explores state religion relations under a populist authoritarian ruling party in Turkey In doing so it investigates how the ruling Justice and Development Party AKP instrumentalizes state controlled religion to further defend legitimize and propagate its authoritarian populist political agenda in a constitutionally secular nation state To exemplify this the authors examine the Friday sermons delivered weekly in every mosque in Turkey by the Turkish State s Directorate of Religious Affairs Diyanet By analyzing all sermons delivered between 2010 2021 the book shows how the Diyanet has enthusiastically adopted AKP s increasingly Islamist authoritarian civilisationist militarist and pro violence populism since 2010 and how it has tried to socially engineer beliefs in line with this ideology

Populism and Professional Wrestling in the Sunbelt South Christopher L. Stacey, 2023-12-06 Populism and Professional Wrestling in the Sunbelt South From Rasslin to Sports Entertainment traces the history of professional wrestling in the South within the Trans Mississippi Region between the 1950s 1990s Examining professional wrestling through the lens of kayfabe also known as the perception of the realism and the suspension of disbelief among fans this book discovers that the dissolution of kayfabe occurred simultaneously with significant political social and cultural events in Southern history including the Civil Rights Movement and technological and economic modernity Christopher L Stacey determines that the same political social economic and cultural forces of modernity in the Sunbelt South reflected a new form of southern and national populism embedded within the professional wrestling industry New forms of populism were reflected within characters storylines gimmicks and angles of several territories in the Trans Mississippi region Through autobiographies biographical information and shoot interviews Stacey provides a closer look into the business of professional wrestling during the mid twentieth century and how it connects to racial gender class and national identity

International Discourses of Authoritarian Populism Ludwig Deringer, Liane Ströbel, 2022-12-30 International Discourses of Authoritarian Populism provides 15 cutting edge chapters probing into the diversity of present day populist discourse from across the world Not adhering to any particular school the volume explores populism from a variety of disciplines and perspectives with contributions characterized by heuristic openness as called for by the manifold manifestations of populism The chapters balance theoretical and empirical studies as well as quantitative and qualitative surveys and case studies to offer readings on historical and new types of populism and the politicians associated with these variates Authors draw on a variety of print digital textual and visual source materials to provide a close examination of the phenomena interconnected with populism including separatism Catalexit human rights and legal issues debate rhetoric and journalism with many authors writing as insiders about the situation within their own country Through its multi disciplinarity International Discourses of Authoritarian Populism provides fresh insights into the existing and potential dangers of populism and a basis for further critical assessment and discussion It will be a key resource for scholars

and students across a range of disciplines including sociology political science linguistics media and communication studies literary studies and history Moreover it will be of special interest to professionals who deal with both national and international issues of populism

Radical Right Populism in Germany Ralf Havertz, 2021-03-30 This book provides a comprehensive analysis of radical right populism in Germany It gives an overview of historical developments of the phenomenon and its current appearance It examines three of the main far right organizations in Germany the radical right populist party AfD Alternative for Germany Pegida Patriotic Europeans against the Islamification of the Occident and the Identitarian Movement The book investigates the positions of these groups as expressed in programmes publications and statements of party leaders and movement activists It explores their history ideologies strategies and their main activists and representatives as well as the overlap between the groups The ideological positions examined include populism nativism authoritarianism volkish nationalism ethnopluralism xenophobia Islamophobia antisemitism antifeminism and Euroscepticism The analysis shows that these ideological features are sometimes strategically interlinked for effect and used to justify specific political demands such as the stronger regulation of immigration and the exclusion of Muslims This much needed volume will be of particular interest to students and researchers of German politics populism social movements party politics and right wing extremism

Congressional Populism and the Crisis of the 1890s O. Gene Clanton, 1998 The Populist Party reacted to the anxiety that America was moving towards a new form of slavery after the Industrial Revolution with a stand against imperialism This study of the party reveals the personalities that shaped the movement

Populism and Civil Society Andrew Arato, Jean L. Cohen, 2022 From the co authors of the classic Civil Society and Political Theory Populism and Civil Society offers an empirically informed systematic theoretical analysis of the political challenges posed by contemporary populism to constitutional democracies Populism and Civil Society provides a political assessment and critical theory of the significance of what is now a global phenomenon the growing populist challenge to constitutional democracy Andrew Arato and Jean L Cohen examine the challenge it presents in terms of its four main organizational forms socio political movement political party government and regime They focus in particular on the tense relationship of populism to democracy and of populism to constitutionalism Without presupposing the authoritarian logic of the phenomenon in the definition the book demonstrates it through the reconstruction of the main elements used by advocates to identify populism To be sure the authoritarian logic of populism is not realized in every instance of it and the book analyses why this is so Across modern history many populist governments have in fact been hybrid regimes blending authoritarian elements and residual democratic forms Populism on its own however is a form of abusive or instrumental constitutionalism that typically relies on the alleged permanence of the quasi revolutionary constituent power The book concludes by outlining a non and anti populist project of democratization and social justice distinguishing between the popular and the populist and offering a program that is nourished by the plurality of democracies and which rescues some of left populism's more benevolent host

ideologies *Mapping Populism* Amit Ron, Majia Nadesan, 2020-03-05 This collection which can serve as an introduction to the field of populism provides an array of interdisciplinary approaches to populist mobilizations theories meanings and effects In so doing it rejects essentialized ideas regarding what populism is or is not Rather it explores the political social and economic conditions that are conducive for the emergence of movements labelled populist the rationalities and affective tenor of those movements the political issues pertaining to the relationship between populists and elites and the relationship between populist groups and political pluralism Grappling with accord and discord in assumptions and methodologies the book will appeal to scholars of sociology political science communication and cultural studies interested in populism social movements citizenship and democracy Three Faces of Populism in Asia Shiru Wang, 2024-04-23 Drawing on evidence from eight case studies from across three Asian subregions this volume highlights the distinctive features of Asian populism in comparison with Western experiences In contrast to the latter populist practices in Asia tend to exhibit an ambiguous nature often characterized by ad hoc and mixed ideological add ons The case studies shed light on the cultural dimension of populism an aspect that has been largely overlooked in Western contexts Empirical evidence shows that political culture and identity politics exert an influence on populist practices in Asia In the meantime populist attitudes towards the role of politicians the popular will and the relationship between the elite and the people can serve as an explanatory variable for political outcomes The relationship between populism and democracy in Asia is observed to be more intricate than that in Western contexts Populism is not necessarily endogenous to democracy and thus its emergence may not solely be a response to the crisis of democracy The book presents a valuable resource for scholars and students of Asian politics and those looking at the phenomenon of populism through a comparative lens Political Psychology Perspectives on Populism Gilda Sensales, 2024-04-12 This book explores the different forms of populism in European countries Starting from a theoretical point of view the authors outline the various psychosocial precursors of populisms that have emerged from empirical investigations Using both mainstream and critical perspectives the book shows how the field has driven multiple research programmes and methodologies The authors draw on questionnaires and political communication via social media to analyse the opinions attitudes and representations of laypeople and populist leaders The volume is aimed at researchers students and readers with expertise on the subject It collects contributions from scholars of social psychology proposing an innovative reading of the social cognitive motivational and emotional processes that can fuel populism **Populism** Benjamin Moffitt, 2020-03-20 Populism is the key political phenomenon of the 21st century From Trump to Brexit from Ch vez to Podemos the term has been used to describe leaders parties and movements across the globe who disrupt the status quo and speak in the name of the people against the elite Yet the term remains something of a puzzle poorly understood vaguely defined and more often than not used as a term of abuse In this concise and engaging book leading expert Benjamin Moffitt cuts through this confusion Offering the first accessible introduction to populism as a core concept in political theory he

maps the different schools of thought on how to understand populism and explores how populism relates to some of the most important concepts at the heart of political debate today He asks what has populism got to do with nationalism and nativism How does it intersect with socialism Is it compatible with liberalism And in the end is populism a good or bad thing for democracy This book is essential reading for anyone from students and scholars to general readers alike seeking to make sense of one the most important and controversial issues in the contemporary political landscape *Routledge Handbook of Populism and Foreign Policy* David Cadier,Angelos Chrysosgelos,Sandra Destradi,2025-06-20 This handbook provides a methodical comprehensive and unifying overview of the vibrant yet disparate scholarship on populism and foreign policy By mapping the debates and existing findings as well as presenting the different conceptual and theoretical lenses the handbook provides new insights as to how whether and to what extent populism influences foreign policy Carefully selected international contributors connect their own work to others to offer a thorough theoretically informed and empirically tested academic treatment of the topic across a number of cases where populist actors are or have been in power Divided into four parts Concepts and Theories Factors and Processes Actors and Structures Issues and Policy Areas the diverse and comprehensive insights on the global cross regional and transnational dimensions of populism will be of interest to scholars and students of international relations political science public policy foreign policy political theory populism and area studies This text will also be of interest to those working from the perspectives of Sociology Law and History as well as to the practitioners of international politics **Brexit, Facebook, and Transnational Right-Wing Populism** Natalie-Anne Hall,2023-11-02 In *Brexit Facebook and Transnational Right Wing Populism* Natalie Anne Hall takes Brexit as a case study for examining the critical consequences of the diffusion of transnational right wing populist politics on social media Through multi method qualitative research with avidly engaged pro Brexit Facebook users in the tumultuous post referendum period Hall explores the effects of this participation on the on and offline experiences of these individuals and on their interpretation of events surrounding Brexit The book examines the socio political and technological opportunities for this engagement with right wing populist politics and the consequences of this engagement for transnational White victimhood and what Hall coins Right victimhood Hall demonstrates how the mainstream political issue of Brexit acted as a catalyst for engagement with more extreme forms of right wing politics via Facebook **The Oxford Handbook of Populism** Cristóbal Rovira Kaltwasser,Paul A. Taggart,Paulina Ochoa Espejo,Pierre Ostiguy,2017-11-09 Populist forces are becoming increasingly relevant across the world and studies on populism have entered the mainstream of the political science discipline However so far no book has synthesized the ongoing debate on how to study the populist phenomenon This handbook provides state of the art research and scholarship on populism and lays out not only the cumulated knowledge on populism but also the ongoing discussions and research gaps on this topic The Oxford Handbook of Populism is divided into four sections The first presents the main conceptual approaches on populism and points out how the phenomenon in question can be empirically

analyzed The second focuses on populist forces across the world and includes chapters on Africa Australia and New Zealand Central and Eastern Europe East Asia India Latin America the Post Soviet States the United States and Western Europe The third reflects on the interaction between populism and various relevant issues both from a scholarly and political point of view Amongst other issues chapters analyze the relationship between populism and fascism foreign policy gender nationalism political parties religion social movements and technocracy Finally the fourth part includes some of the most recent normative debates on populism including chapters on populism and cosmopolitanism constitutionalism hegemony the history of popular sovereignty the idea of the people and socialism The handbook features contributions from leading experts in the field and is indispensable positioning the study of populism in political science **Populism as Meta Ideology** Kire

Sharlamanov,2022-05-06 This book explores the most important aspects of populism as a significant social phenomenon It recapitulates the approaches to defining populism in the social sciences singles out the most important concepts in the definition of populism and presents them to the readership Specific to this book is that it seeks to promote an approach that sees populism as a meta ideology that is an ideology that uses other political ideologies instrumentally In addition the book Populism as Meta Ideology identifies the most important factors that have contributed to the growth of populism in recent times Modernization globalization the crisis of political parties and the transformation of the public sphere have been identified as such factors A chapter is devoted to each of these factors in the book The book concludes by examining the interaction between populism and liberal democracy both theoretically and practically Discourse, Culture and

Organization Tomas Marttila,2018-09-22 This edited volume brings together leading international researchers from across the social sciences to examine the theoretical premises methodological options and critical potentials of the Essex School of discourse analysis founded on the work of Ernesto Laclau and Chantal Mouffe In doing so it presents a clear picture of a poststructuralist and post foundational research program to postdisciplinary discourse research Divided into three parts it begins by elaborating the ontological theoretical and methodological foundations of the Essex School s approach to discourse analysis The second part provides empirical case studies showing how the Essex School research program informs and instructs empirical discourse research In the concluding third part authors explain how and with what possible consequences this strand of discourse research contributes to social practices of critique It offers a crucial contribution to the further methodologization and operationalization of the Essex School s approach so as to make it a viable alternative to discourse analytical approaches that take dominant positions in today s field of discourse studies The book s transdisciplinary focus will attract readers who use discourse analysis in all areas of the social sciences and humanities particularly applied linguistics cultural anthropology sociology philosophy and history *Populism's Power* Laura Grattan,2016-01-06 In Populism s Power Laura Grattan looks at how populism cultivates the aspirations of ordinary people to exercise power over their everyday lives and their collective fate She considers a range of populist moments and reopens the idea that grassroots movements can play

a key role in democratizing power and politics in America

Radical Democracy and Populism Leonardo

Fiorespino, 2022-03-02 This book offers an extensive comparative analysis of populism and radical democratic theories tracing the line dividing the respective conceptions of people and popular sovereignty Whereas populism is often said to intertwine with democracy in some way the contention of this book is that it significantly departs from democratic theory and practice and belongs to a distinct conceptual space It cannot be made to overlap for instance with illiberal democracy the democratic myth a crude electoral majoritarianism nor can it amount to hiding undemocratic policies into properly democratic justifications These positions frequent as they are in the literature are contested on the grounds of the dividing line identified which starts unfolding at the level of the conception of the people i e of the sovereign presupposed by populists and democrats This book is of great interest to scholars involved in the study of democratic theory contemporary challenges to democracy and the recent upsurge of populist discourse as it helps better understand populism as a political phenomenon and more adequately defines it as a self standing concept in political theory

The Routledge Handbook of Populism in the Asia Pacific D. B. Subedi, Howard Brasted, Karin von Storkirch, Alan Scott, 2023-09-29 This handbook brings national and thematic case studies together to examine a variety of populist politics from local and comparative perspectives in the Asia Pacific The chapters consider key and cross cutting themes such as populism and nationalism religion ethnicity and gender as well as authoritarianism They show how populist politics alters the way governments mediate state society relations The essays in this volume consider diverse approaches in populist politics for example post colonial strategic vs ideational growth and redistribution leadership styles and in what ways they are similar to or different from populist discourses in Europe and the United States under what social political economic and structural conditions populist politics has emerged in the Asia Pacific region national case studies drawn from South East and Southeast Asia as well as the Pacific analyzing themes such as media religion gender medical populism corruption and cronyism and inclusive vs exclusive forms of populist politics modes and techniques of social and political mobilization that populist politicians employ to influence people and their impact on the way democracy is conceived and practiced in the Asia Pacific As a systematic account of populist ideologies strategies leaders and trends in the Asia Pacific this handbook is essential reading for scholars of area studies especially in the Asia Pacific politics and international relations and political and social theory

The Populist Logic on the Environment

Francesco Duina, Hermione Xiaoqing Zhou, 2024-03-08 The Populist Logic on the Environment provides a framework that draws from populism's essence to explain populist politicians' approaches to the environment Over the past few decades populism has spread across the world particularly in Europe but also notably in the US South America and Asia Its essential features especially its ideological thinness mean that we can observe considerable variations across populists in their environmental stances This holds across the political spectrum from the left to the right despite the traditional tendency of right wing parties to be skeptical of pro environmental positions and of left wing parties to subscribe to them Regardless of

variations however true populists can be expected to consistently anchor environmental stances in people centrism and anti elitism in ways linked to additional party specific factors This book systematizes analytically what the literature observes corrects some of its empirical limitations and allows for reflection on the commitment by any one populist party to the environment The authors undertake a cross regional analysis of four case studies to illustrate their argument Marine Le Pen s National Rally in France the US Republican Party led by Donald Trump Spain s Podemos led by Pablo Iglesias and Hugo Chavez and Nicol s Maduro s socialist regime in Venezuela This book will appeal to scholars and students of political science public policy environmental studies sociology and geography as well as a general audience interested in populism and the environment

Populism and New Patterns of Political Competition in Western Europe Daniele Albertazzi, Davide Vampa, 2021-01-05 This book analyses how party competition has adjusted to the success of populism in Western Europe whether this is non populists dealing with their populist competitors or populists interacting with each other The volume focuses on Western Europe in the period 2007 2018 and considers both right wing and left wing populist parties It critically assesses the concept and rise of populism and includes case studies on Austria France Germany the Netherlands Switzerland Denmark Finland the United Kingdom Greece and Italy The authors apply an original typology of party strategic responses to political competitors which allows them to map interactions between populist and non populist parties in different countries They also assess the links between ideology and policy the goals of different populist parties and how achieving power affects these parties The volume provides important lessons for the study of political competition particularly in the aftermath of a crisis and as such its framework can inform future research in the post Covid 19 era This wide ranging study will appeal to students and scholars of political science interested in populism and political competition and will appeal to policy makers and politicians from across the political spectrum

Pro In Populism Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Pro In Populism free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Pro In Populism free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to

filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Pro In Populism free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Pro In Populism. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Pro In Populism any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Pro In Populism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Pro In Populism is one of the best book in our library for free trial. We provide copy of Pro In Populism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Pro In Populism. Where to download Pro In Populism online for free? Are you looking for Pro In Populism PDF? This is definitely going to save you time and cash in something you should think about.
