## **Psychology Of Winning Baseball:**

*Psychology of Winning Baseball* Rick Wolff, 1990-01-01      *The Mental Keys to Hitting* H.A. Dorfman, 2017-03-01 A must have book by acclaimed author and expert H A Dorfman that highlights the crucial mental components involved in hitting a baseball and playing the game components that are as important if not more so than the intense physical regimen of an athlete helpful to hitters in little leagues or in the big leagues The information is clear and to the point Charles Johnson former catcher Florida Marlins      **Coaching the Mental Game** H.A. Dorfman, 2017-03-01 Whoever claims winning isn't everything obviously has not spoken with an athletic coach Coaching the Mental Game offers coaches of all sports a definitive volume for effectively understanding an athlete's mental awareness which in turn will help drive success Author H A Dorfman details appropriate coaching strategies aimed at perfecting the player's mental approach to performance Coaching the Mental Game will become the Bible for coaches who strive to make their athletes the most complete performers possible Not only a wonderful asset to athletic coaches this book will also prove to be a motivational resource for workers in all industries as well as in the game of life      **A Tribe Reborn** George Christian Pappas, 2019-02-19 For almost fifty years the Cleveland Indians were a joke They had won the 1948 World Series with one of the greatest teams of all time but had not been to the playoffs since 1954 losing to the New York Giants in the World Series Even the Major League movies poked fun at their inadequacy That all changed in the 1990s when the Indians became one of the most dominant teams of the decade A Tribe Reborn tells the story of a failing franchise from The Mistake by the Lake to The Curse of Rocky Colavito and how a laughingstock team that was on the verge of relocating changed its ways to become a dominant franchise With the building of the state of the art Jacobs Field which the Indians sold out a record 455 consecutive games from 1995 2001 to changes in how their scouting front office and locker room were run the team that nobody cared about became front page news across the country With interviews from Jim Thome Omar Vizquel Mike Hargrove John Hart and many more A Tribe Reborn is a fantastic look inside how a losing franchise changed its ways to become a perennial powerhouse While the Indians of the 90s never won a World Series appearing twice in 1995 and 1997 they are still remembered for their hard play amazing talent and rabid fan base      **The Mental ABCs of Pitching** H.A. Dorfman, 2017-03-01 Author H A Dorfman brings his years of expertise as instructor counselor with the A's Marlins and Devil Rays to provide an easy to use A to Z handbook which will give insight and instruction on how to pitch to peak performance at every level of the game Perfect for pitchers who need that extra edge or hitters who want to better understand the mental moves on the mound With a new foreword by Rick Wolff      **Descriptive Psychology and the Person Concept** Wynn Schwartz, 2019-05-21 Descriptive Psychology and the Person Concept maps the common ground of behavioral science The absence of a shared foundation has given us fragmentation a siloed state of psychological theory and practice And the science The integrity of choice accountability reason and intention are necessary commitments at the cornerstone of civilization and any person centered psychotherapy but when taught along

with a scientific requirement for reductionism and determinism reside in contradictory intellectual universes Peter Ossorio developed the Person Concept to remedy these problems This book is an introduction to his work and the community of scientists scholars and practitioners of Descriptive Psychology Ossorio offered these maxims that capture the discipline's spirit 1 The world makes sense and so do people They make sense to begin with 2 It's one world Everything fits together Everything is related to everything else 3 Things are what they are and not something else instead 4 Don't count on the world being simpler than it has to be The Person Concept is a single coherent concept of interdependent component concepts Individual Persons Behavior as Intentional Action Language and Verbal Behavior Community and Culture and World and Reality Descriptive Psychology uses preempirical theory neutral formulations and methods to make explicit the implicit structure of the behavioral sciences The goal is a framework with a place for what is already known with room for what is yet to be found Provides a way to compare theories coordinate empirical findings and negotiate competent disagreement Offers guidance for effective case formulation and integration of therapies Explores the dilemmas of personhood and the complexities of human and nonhuman action investigating what is a person and how can we be sure Follows the implications of Hedonics Prudence Ethics and Aesthetics as intrinsic perspectives and reasons for action Applies these concepts to personality and social dynamics consciousness relationship change emotional behavior deliberation and judgment Provides a guide to establishing and restoring empathy especially when it's difficult

*The Loser's Ball* Bob Lannon, 2024-07-08 This is the story of a farm kid who grew up on a small dairy farm with the dream of playing baseball for the Tennessee Volunteers There was no Little League nor did his high school have a baseball program He was left to develop his skills through creative techniques in preparation for his time to come He became a rock hitter pitching up rocks and smacking them with old axe handles The book details how he dealt with Loser's Balls and how he worked through his losses by not giving up but giving out with his determined work ethic to pocket the negatives and climb out of the loser's bracket as he turned his Loser's Balls into Opportunity Balls winning many championships along the way You will learn that losses are often disguised as foundations for upcoming victories greater than your expectations not only in sports but in the extra innings of the game of life Philippians 4:13

Gaff, 2025-05 If there was a first face of baseball it was arguably Christopher Christy Mathewson At the opening of the twentieth century baseball was considered an undignified game played by ruffians for gamblers benefit Mathewson changed all that When he signed with the Giants in 1900 his contract stated he wouldn t pitch on Sundays and he was known for his honesty integrity and good looks In his first fourteen seasons as a pitcher for the Giants Mathewson never won fewer than twenty games in a season and he almost single handedly won the 1905 World Series In 1918 though age thirty eight and exempt from military service he enlisted for World War I where he exposed himself to nearly lethal amounts of mustard gas as he taught soldiers how to put on gas masks When he returned home he was diagnosed with lung problems and tuberculosis which led to his untimely death at the age of forty five After Mathewson s death his eulogies were many but it was impossible to catch the essence of his life in a single newspaper column Jane Mathewson his widow was determined to provide the reading public with a more intimate portrait of her husband and approached prominent sportswriter Bozeman Bulger who had known Mathewson for twenty years Bulger wrote a series of articles titled *The Life Story of Christy Mathewson* His portraits about the player were amplified by original accounts from Jane and several unpublished chapters from Mathewson himself which had been discovered among his papers These combined accounts allow readers to hear from Mathewson and those who knew him best A superstar long before that

term was coined Mathewson became an icon of sportsmanship He was posthumously elected to the Baseball Hall of Fame at its first induction ceremony in 1936 In Baseball s First Superstar Alan D Gaff brings Mathewson to life through Mathewson s own writings and those of others largely lost to history until now      *The Psychology Student Writer's Manual and Reader's Guide* Jill M. one correct solution acquired through repetition to the ecological dynamics framework focused on variability adaptability and self organization Individual chapters cover major topics such as hitting pitching and fielding for players from Little League to the pros This book illustrates the underlying principles so that coaches can develop their own practice activities A Constraints Led Approach to Baseball Coaching is a key reading for undergraduate students and practicing sports coaches physical education teachers and sport scientists alike as well as practicing players and coaches in baseball and related sports

**Psychology Gets in the Game** Christopher D. Green, Ludy T. Benjamin, 2009 Although sport psychology did not fully mature as a recognized discipline until the 1960s pioneering psychologists in the late nineteenth and early twentieth centuries making greater use of empirical research methodologies sought to understand mental factors that affect athletic performance Though the psychologists behind the studies described here worked independently of one another and charted their own distinct courses of inquiry their works taken together provided the corpus of precedents and foundations on which the modern field of sport psychology was built The essays collected in this volume tell the stories not only of these psychologists and their subjects but of the social and academic context that surrounded them shaping and being shaped by their ideas Provided by publisher **Journal of Sport Psychology** ,1981
