**Regional Policy in a Changing World** Niles Hansen, Benjamin Higgins, Donald J. Savoie, 2013-06-29 *Soviet Foreign Policy in a Changing World* Robbin F. Laird, Erik P. Hoffmann, 2021-03-22 No detailed description available for Soviet Foreign Policy in a Changing World U.S. Security Policy in a Changing World , **European Union Foreign Policy in a Changing World** Karen E. Smith, 2013-04-18 The second edition of *European Union Foreign Policy in a Changing World* provides a clear introduction to the complexities of contemporary European foreign policy and offers a fresh and distinctive perspective on the nature of the EU's international identity Thoroughly revised and expanded the book explores how and why the EU tries to achieve five core foreign policy objectives the encouragement of regional cooperation the advancement of human rights the promotion of democracy and good governance the prevention of violent conflicts and the fight against international crime including terrorism In pursuing these goals the book illustrates how the EU is faced with acute policy dilemmas because the five objectives not only clash with each other but also with additional policy priorities such as securing energy supplies or establishing strategic partnerships with key powers The uniqueness of the EU as a global actor is carefully assessed and its key policies and the related dilemmas it faces compared with those of other international actors This well written and thoroughly researched book will be a valuable resource for undergraduate and postgraduate students of European politics foreign policy analysis international relations and related disciplines **French Foreign Policy in a Changing World** Pernille Rieker, 2017-07-18 This book investigates how modern French foreign policy is practiced France finds its traditional power status challenged by internal as well as external developments Internally it faces societal challenges related to unemployment integration social exclusion Islamist terrorism and the rise of populism Externally its status is challenged by global and regional developments including the financial crises competition from emerging states EU enlargement and a more powerful Germany While the French recognise that they no longer have great power economic or military power capacities the conviction of the universal value of French civilization and culture remains strong As this book argues for France to be able to punch above its weight in international politics it must effectively promote the value of French universalism and culture This study investigates how this is reflected in modern French foreign policy by examining foreign policy practices towards selected regions countries and in relation to external and internal security Written by a senior researcher specializing in French and EU foreign and security policy this book will be an invaluable resource for practitioners of foreign policy and students of French politics international relations and European studies **EU Development Policy in a Changing World** Andrew Mold, 2007 On many fronts European Union development policy is at a critical juncture in the face of new obstacles the EU has been forced to rethink trade security and its relationship with neighbors in North Africa and the Middle East Contentious questions have centered on the effects of EU expansion agricultural protectionism and development friendly trade policy in the EU and its member nations To answer these

questions and others this expertly edited volume draws on analysis from well known specialists in fields such as public policy and economic development providing a critical overview of EU development policy and the challenges it must confront in an increasingly volatile and changing world

*Regional Policy in China* Marek Świstak, 2022-12-12 Currently much is said about the directions of development of modern China However we still do not know what will determine the expected superpower position of the Middle Kingdom The book is an attempt to answer questions about China's main development challenges from a regional perspective China aspires to become the country with the largest economy and development potential This intention may turn out to be in vain if such significant disparities and development imbalances in the regional system are still present in China The key to understanding the transformation of contemporary China is to recognize the internal determinants of the functioning of both the state and the economy from a regional perspective A better understanding of the ways of managing regional development disparities may contribute to a more accurate assessment of the dynamics and directions of China's socio economic development
