Regionalism And Regional Devolution In Comparative Perspective:

Regionalism and Regional Devolution in Comparative Perspective. Mark Rousseau, Raphael Zariski, 1987 In political science and sociology great controversies exist concerning the desirable balance between national and local power the relevant factors in sub national decision making and the social consequences of centralization and decentralization Regionalism and Regional Devolution in Comparative Perspective explores these controversies and the elements which give rise to them Students of comparative politics political sociology Western European history international affairs or comparative social institutions can turn to this book for a balanced assessment of the alternative structures of decentralized political power which are emerging in various Western democracies Handbook of Comparative and Development Public Administration Ali Farazmand, 2019-02-21 With contributions from nearly 80 international experts this comprehensive resource covers diverse issues aspects and features of public administration and policy around the world It focuses on bureaucracy and bureaucratic politics in developing and industrialized countries and emphasizing administrative performance and policy implementation as well as political system maintenance and regime enhancement The book covers the history of public administration and bureaucracy in Persia Greece Rome and Byzantium and among the Aztecs Incas and Mayas public administration in small island states Eastern Europe and ethics and other contemporary issues in public administration

The Decline of Regionalism in Putin's Russia J. Paul Goode, 2011-05-11 This book reassesses Putin's attempt to reverse the decentralization of power that characterised centre regional relations in the 1990s focusing on regional responses to Putin's federal reforms It explains the decline of regionalism after 2000 in terms of the dynamics of regional boundaries understood as the juridical boundaries which demarcate a region's territorial extent and its resources institutional boundaries that sustain regional differences and cultural boundaries that define the ethnic or technocratic principles on which a region could claim legitimate existence The book questions the conventional wisdom regarding the success of Putin's regime It shows how regional governors responded not by attempting to deflect the reforms with outright resistance but by mimicking Putin's centralisation of power at the regional level In turn this facilitated the homogenisation of regional political regimes and regional mergers The book demonstrates how the reordering of regions advanced sporadically how pockets of resistance persist and how the potential for the revival of regionalism continues

Social Service Reform in the Postcommunist State Janelle A. Kerlin, 2005-06-28 The fall of Communist regimes in Eastern Europe raised the complex question of how social services were to be distributed and administered in countries with legacies of highly centralized state In Poland a series of reforms attempted to modify and decentralize social service programs Yet with Poland's second round of decentralization long held and clearly specified reform goals were undermined from the very outset In this insightful detailed and carefully argued study Janelle A Kerlin demonstrates how and why reforms intended to improve services and increase citizen participation in social service programming largely failed to meet expected goals The politics of

reform development including political deals exclusionary tactics and hidden maneuvering by Polish policymakers prevented any significant upgrade of services or real change in decision making structures Conflicting ideologies and pressures on policy actors stemming from historical institutional political and international sources often resulted in compromises that led to unfavorable public service outcomes In this book Kerlin uses focused interviews with leading reform actors and a nationwide representative survey of two hundred public social service institutions to develop a model that connects the politics of the decentralization process with social service outcomes Not only students of the former Soviet bloc but also those interested in the links between politics and policy outcomes more broadly will find in this volume an informative and instructive case study that has far reaching implications Devolution and Governance Alistair Cole,Ian Stafford,2014-11-27

This book examines the development of Welsh devolution in the context of great economic and political uncertainty Drawing on research carried out over more than a decade it explores whether Welsh devolution has developed the capacity to resist internal and external pressures and to continue to pursue a distinctive political and policy agenda The Political Economy of Regionalism Michael Keating,John Loughlin,2013-07-04 Examining the effects of economic and political restructuring on regions in Europe and North America the main themes here are international economic restructuring political realignments questions of territorial identity and policy choices and policy conflicts in regional development **The Political Economy of Uneven Development** Shaoguang Wang,Angang Hu,1999 Exploring one of the most dynamic and contested regions of the world this series includes works on political economic cultural and social changes in modern and contemporary Asia and the Pacific Centre and Provinces: China 1978-93 Linda Chelan Li,1998-05-14 Centre and Provinces China 1978 93 goes beyond the dominant state capacity paradigm to argue for an interactive model to explain the political relations between the central and provincial governments in contemporary China The uni dimensional centrist perspective of the state capacity paradigm has failed to adequately explain the coexistence of central and provincial power and to anticipate circumstances of change In this book a hybrid rational choice cum institutional approach highlights the mutual power of both the Centre and the provinces each party the Centre or the provinces imposes structural constraints upon the other Power is not a zero sum game The cases of Shanghai and Guangdong important resourceful provinces under very different central policy contexts contrast possible interactions between central policy and provincial choice Conflicts amidst a context of mutual dependence necessitate compromise on both sides and qualitative changes to centreprovince relations as a result may well have long term implications for wider political processes **Decentralization In Mexico** Victoria Rodriguez,2018-05-04 This book assesses the impact of decentralization on Mexico s intergovernmental relations and examines the constraints upon the devolution of political power from the center to the lower levels of government It also discusses the distribution of power and authority to governments of opposition parties within the context of a more open political space Victoria Rodr guez uncovers a new paradox in the Mexican political system retaining power by giving it away She argues that since the de la Madrid

presidency 1982 1988 the Mexican government has embarked upon a major effort of political and administrative decentralization as a means to increase its hold on power That effort continued under Salinas but paradoxically led to further centralization However since Zedillo assumed the presidency it has become increasingly clear that the survival of the ruling party and indeed the viability of his own government require a genuine de facto reduction of centralism

IBSS: Political Science: 1987 British Library of Political and Economic Science, 1991 IBSS is the essential tool for librarians university departments research institutions and any public or private institutions whose work requires access to up to date and comprehensive knowledge of the social sciences

Toward an Anthropology of Government W. Schumann, 2009-09-14 The National Assembly for Wales was established in 1999 granting the people of Wales a parliament for the first time in nearly six centuries The Assembly was intended to create a parliamentary culture of open inclusive and modern democracy that stood apart from the Houses of Parliament in London Based on anthropological fieldwork this informative book analyzes how power in Wales is legitimated and justified William Schumann s intriguing argument makes the case that contradictory political practices exist which affirm elected officials as public representatives while also reproducing the subordinate status of Wales within the institutional hierarchies of the United Kingdom and European Union

The Blackwell Dictionary of Modern Social Thought William Outhwaite, 2008-04-15 Modern social thought ranges widely from the social sciences to philosophy political theories and doctrines cultural ideas and movements and the influence of the natural sciences Provides an authoritative overview of the main themes of social thought Long essays and entries give full coverage to each topic Covers major currents of thought philosophical and cultural trends and the individual social sciences from anthropology to welfare economics New edition updates about 200 entries and includes new entries suggestions for further reading and a bibliography of all sources cited within the text

The Dynamics of Federalism in National and Supranational Political Systems Michael A. Pagano, 2007-01-17 This collection of essays is designed to help scholars and practitioners understand the fluid and dynamic nature of federalism with particular emphasis on the federal system in the United States The book is written to aid our understanding of the contemporary question which federalism

From Submission To Rebellion Vladimir Shlapentokh, 2018-02-20 This book addresses the relationship between the center and its provinces an important issue in any society using Russia as a case study It analyses the historical stages of Russia s past with special focus on the post Communist era

Protest in the Provinces Allison D. Evans, 2025-06-03 In the immediate aftermath of the Soviet Union s collapse Russia entered shock therapy a series of neoliberal and seemingly democratizing reforms that sought to quickly undo the decades old communist planned economy fused Party State autocratic political system and highly centralized government Russians were indeed shocked by the resulting runaway inflation political chaos declining living standards rising unemployment and persistent wage arrears Protest in the Provinces examines the popular reactions to this dire economic decline which varied in scale intensity and aims across similar industrial company towns during the 1990s

Analyzing local media archival documents and interviews Allison D Evans provides a detailed and comparative history of protests in three such cities Cherepovets dominated by the steel industry Komsomolsk na Amure by defense and Surgut by oil and gas In doing so she illuminates a range of strategies local elites used to control and respond to protesters which were influenced by the primary industry s level of dependence on the central state and the extent of elite unity Unique in its close range analysis of participation and protest in provincial cities this book reshapes understandings of Russia s transition to capitalism and provides insights into the activism that continues in provincial Russia today

Regionalism After Regionalisation Frans Schrijver, 2006 Concentrating on three countries Spain France and the United Kingdom and three regional case studies of Galicia Brittany and Wales this book offers an analysis of the development of political regionalism after regionalisation

De-coding New Regionalism James W. Scott, 2016-05-13 Bringing together comparative case studies from Central Europe and South America this book focuses on new regions regions created as political projects of modernization and re scaling Through this approach it de codes New Regionalism in terms of its contributions to institutional change while acknowledging its contested nature and contradictions It questions whether these regions are merely a strategy of neo liberal adjustment to changing political and economic conditions or whether they are indicative of true reform greater citizen participation and empowerment It assesses whether these regions are really representing something new or whether they are a reconfiguration of traditional power relationships It provides a timely critical analysis of region building and the extent to which national processes of decentralization and sub national processes of regionalism can enhance the effectiveness and responsiveness of governance

De-coding New Regionalism Professor James W. Scott, 2012-11-28 Bringing together comparative case studies from Central Europe and South America this book focuses on new regions regions created as political projects of modernization and re scaling Through this approach it de codes New Regionalism in terms of its contributions to institutional change while acknowledging its contested nature and contradictions It questions whether these regions are merely a strategy of neo liberal adjustment to changing political and economic conditions or whether they are indicative of true reform greater citizen participation and empowerment It assesses whether these regions are really representing something new or whether they are a reconfiguration of traditional power relationships It provides a timely critical analysis of region building and the extent to which national processes of decentralization and sub national processes of regionalism can enhance the effectiveness and responsiveness of governance

The New Labour Constitution Michael Gordon, Adam Tucker, 2022-02-10 The New Labour government first elected in 1997 had a defining influence on the development of the modern UK constitution This book combines legal and political perspectives to provide a unique assessment of the way in which this major programme of constitutional reform has changed the nature of the UK constitution The chapters written by leading experts in UK public law and politics analyse the impact and legacy of the New Labour reform programme some 20 years on from the 1997 general election and reveal the ways in which the UK constitution is now

to a significant extent the New Labour constitution The book takes a broad approach to exploring the legacy of the New Labour years for the UK constitution The contributors evaluate a range of specific substantive reforms including on human rights devolution freedom of information and the judicial system changes to the process and method of constitutional reform under New Labour the impact on key institutions such as the judiciary and Parliament and a number of wider constitutional themes including national security administrative justice and the relationship between the Labour Party and constitutionalism The book also reflects on the future challenges for the constitution constructed by New Labour and the prospects for further constitutional reform In bringing together this range of perspectives to reflect on the implications of the New Labour era of reform this book offers a critical examination of a foundational period in the development of the contemporary UK constitution

People, Places and Policy Martin Jones, Scott Orford, Victoria Macfarlane, 2015-08-27 The Open Access version of this book available at www.tandfebooks.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 3.0 license Set within the context of UK devolution and constitutional change **People Places and Policy** offers important and interesting insights into place making and locality making in contemporary Wales Combining policy research with policy maker and stakeholder interviews at various spatial scales local regional national it examines the historical processes and working practices that have produced the complex political geography of Wales This book looks at the economic social and political geographies of Wales which in the context of devolution and public service governance are hotly debated It offers a novel new localities theoretical framework for capturing the dynamics of locality making to go beyond the obsession with boundaries and coterminous geographies expressed by policy makers and politicians Three localities Heads of the Valleys north of Cardiff central and west coast regions Ceredigion Pembrokeshire and the former district of Montgomeryshire in Powys and the A55 corridor from Wrexham to Holyhead are discussed in detail to illustrate this and also reveal the geographical tensions of devolution in contemporary Wales This book is an original statement on the making of contemporary Wales from the Wales Institute of Social and Economic Research Data and Methods WISERD researchers It deploys a novel new localities theoretical framework and innovative mapping techniques to represent spatial patterns in data This allows the timely uncovering of both unbounded and fuzzy relational policy geographies and the more bounded administrative concerns which come together to produce and reproduce over time Wales regional geography

Regionalism And Regional Devolution In Comparative Perspective Introduction

In the digital age, access to information has become easier than ever before. The ability to download Regionalism And Regional Devolution In Comparative Perspective has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Regionalism And Regional Devolution In Comparative Perspective has opened up a world of possibilities. Downloading Regionalism And Regional Devolution In Comparative Perspective provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Regionalism And Regional Devolution In Comparative Perspective has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Regionalism And Regional Devolution In Comparative Perspective. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Regionalism And Regional Devolution In Comparative Perspective. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Regionalism And Regional Devolution In Comparative Perspective, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Regionalism And Regional Devolution In Comparative Perspective has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Regionalism And Regional Devolution In Comparative Perspective Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Regionalism And Regional Devolution In Comparative Perspective is one of the best book in our library for free trial. We provide copy of Regionalism And Regional Devolution In Comparative Perspective in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Regionalism And Regional Devolution In Comparative Perspective. Where to download Regionalism And Regional Devolution In Comparative Perspective online for free? Are you looking for Regionalism And Regional Devolution In Comparative Perspective PDF? This is definitely going to save you time and cash in something you should think about.
