## **Regionalism And Rivalry Japan And The U S In Pacific Asia:**

**Regionalism and Rivalry** Jeffrey A. Frankel, Miles Kahler, 2007-12-01 As Japan's newfound economic power leads to increased political power there is concern that Japan may be turning East Asia into a regional economic bloc to rival the U S and Europe In *Regionalism and Rivalry* leading economists and political scientists address this concern by looking at three central questions Is Japan forming a trading bloc in Pacific Asia Does Japan use foreign direct investment in Southeast Asia to achieve national goals Does Japan possess the leadership qualities necessary for a nation assuming greater political responsibility in international affairs The authors contend that although intraregional trade in East Asia is growing rapidly a trade bloc is not necessarily forming They show that the trade increase can be explained entirely by factors independent of discriminatory trading arrangements such as the rapid growth of East Asian economies Other chapters look in detail at cases of Japanese direct investment in Southeast Asia and find little evidence of attempts by Japan to use the power of its multinational corporations for political purposes A third group of papers attempt to gauge Japan's leadership characteristics They focus on Japan's technology ideology its contributions to international public goods international monetary cooperation and economic liberalization in East Asia

**Regionalism and Rivalry** Jeffrey A. Frankel, 1995 **Hegemony and the US-Japan Alliance** Misato Matsuoka, 2018-06-14 It is widely recognised that the increasing importance of the US Japan alliance is strongly linked to emerging threats in the Asia Pacific with China's rise and the ambitions of North Korea having brought the two allies closer together This book however seeks to question whether these factors are indeed the sole determinants of this enduring alliance A pioneering study conducted through the lens of neo Gramscianism this book unravels the intricate political dynamism involved in the US Japan alliance It provides an innovative attempt to link the concept of alliances to hegemony and thus examines Japan's relationship to US dominance in the region Building on existing scholarship it also seeks to examine how Japan's continuing dependence on the US and the burden it places on citizens living near US military bases may affect the durability of the alliance in the post Cold War era As such this book presents an alternative theoretical tool in the field of international relations to analyse the political nature of the alliance as well as US hegemony in the region This book will be useful to students and scholars of Japanese Politics and foreign policymaking as well as International Relations and Security Studies more generally

**Japanese Foreign Policy in Asia and the Pacific** A. Miyashita, Y. Sato, 2001-11-16 *Japanese Foreign Policy in Asia and the Pacific* aims to provide a broadened framework for examining Japan's foreign policy making by looking at conversion and diversion of interests among Japanese and American policy actors These include governmental and non governmental as well as domestic and transnational actors Utilizing this theoretical framework the contributors examine the role of U S pressure and its interaction with Japan's domestic and Japan based transnational actors interests through geographically or thematically focused case studies from Asia and the Pacific regions

Asian Economic and Political Issues Frank H. Columbus, 1998 It is predicted by some observers that the 21st

century will be remembered as the Asian Century Many of the countries in the region seem to be able to take the economic and trade baton when one of the others experiences problems the region in general continues to grow economically politically and militarily The articles presented in this book examine the current political and economic situations in nations across Asia particularly focusing on economic developments Contents Preface Why Does China Succeed in Attracting and Utilising Foreign Direct Investment Democracy Movement at the Crossroads Protracted Democratisation and De mobilisation in Hong Kong China s Opening to the Outside World with Facing Economic Globalisation China s Telecommunications Reforms From Monopoly towards Competition World Bank Lending Issues Raised by China s Qinghai Resettlement Project Explaining the Soft Open Regionalism in East Asia Governance Security and the Environmental Policy in South Asia A Paradox of Change and Continuity Carbon Emissions Control Trade Liberalisation and Electricity Market Imperfection Coordinated Approaches to Taiwan s Trade and Tax Policy ASEAN Haz

**Systemic Changes in the German and Japanese Economies** Werner Pascha,2004-08-05 Should Japan and Germany strive to restructure their institutional fabric and arrangements to make them more similar to Anglo American standards Where will systemic change lead This book offers fresh insights by collecting Japanese and German contributions to this scholarly discussion both from theoretical and empirical viewpoints A major conclusion of several papers is that the forces of differentiation are frequently underestimated Important thematic issues include contingency path dependence and complementarity Examinations of economic globalisation and rapidity of technological change pose questions about the nature of socio economic system analysis in the future New Free Trade Agreements in the Asia-Pacific C. Dent,2006-07-11 This book studies the main causes consequences and nature of the Asia Pacific s new free trade agreement FTA trend and its implications for the global economy It explores the FTA policies of the region s trade powers and offers conceptual and theoretical perspectives on the relationship between economic bilateralism and regionalism

**Trade Politics** Brian Hocking,Steven McGuire,2013-03-04 Leading experts provide a clear overview of the evolving environment of trade politics and the current issues surrounding its development

**Japan's International Relations** Glenn D. Hook,Julie Gilson,Christopher W. Hughes,Hugo Dobson,2011-09-01 The latest edition of this comprehensive and user friendly textbook provides a single volume resource for all those studying Japan s international relations It offers a clear and concise introduction to the most important aspects of Japan s role in the globalized economy of the twenty first century The book has been fully updated and revised to include comprehensive discussions of contemporary key issues for Japan s IR including the rise of China reaction to the global economic and financial crisis since 2008 Japan s proactive role after 9 11 and the war on terror responses to events on the Korean Peninsula relations with the USA and the Obama administration relations with Russia Central Asia and the Middle East changing responses to an expanding and deepening European Union Extensively illustrated the text includes statistics maps photographs summaries and suggestions for further reading making it essential reading for those studying Japanese

politics and the international relations of the Asia Pacific A note on the cover The cover illustration entitled Double Standard is a Japanese manga penned by satirical artist Ichihanahana in November 2010 regarding rising Japanese nationalism Japan China tensions over the disputed territory of the Senkaku islands and the US presence in Okinawa This manga demonstrates many of the key themes in Japan s ties with China and the US but also a number of other central features of Japan s international relations as explored throughout this text

**On the Record Re Japan**, 1996 **South Asian Economic Development** Moazzem Hossain, Iyanatul Islam, Reza Kibria, 1999 The notion that South Asian economies have tended to be less successful than those of East Asia is critically examined and the reasons why discussed Countries covered include Pakistan India Bangladesh and Sri Lanka Key issues examined agriculture and rural development labour market and human resource development trade and industry policies foreign investment and technological capabilities foreign aid and economic development financial development and economic performance poverty inequality and economic development regional economic co operation green development

*The United States and the Korean Peninsula in the 21st Century* Tae-Hwan Kwak, Seung-Ho Joo, 2006 This volume examines the political security and economic aspects of the relations between the US and both the Republic of Korea and the Democratic People s Republic of Korea The volume focuses in particular on the current status salient issues and future prospects

**Macroeconomic Issues Facing ASEAN Countries** Mr. John Hicklin, Mr. David Robinson, Mr. Anoop Singh, 1997-07-18 This volume edited by John Hicklin David Robinson and Anoop Singh contains papers prepared for an ASEAN conference held in Jakarta in November 1996 The conference aimed to review the macroeconomic record of the member countries of ASEAN examine the factors that have contributed to the region s economic success and identify the policy agenda for sustaining this success into the 21st century

*The Web of Power* Kōzō Katō, 2002-01-01 The Web of Power illustrates the central importance of international development policy to national economic and strategic security Kozo Kato s meticulous analysis of Japanese and German international cooperation policy overturns the myth of Japan and Germany s convergent development strategies revealing that each state s policy for fostering interdependence has been shaped by markedly different domestic political agendas Japanese development policy moved to embrace international cooperation as a means of pursuing national interests while Germany fearing the economic risks and political costs of a global scope approach restricted its development strategy to Europe This work will be of great interest to political scientists economists and scholars of international relations who wish to better understand using Japanese multinationalism and German regionalism as case studies the fluctuating dynamics of modern economic forces

*Light the Lamp* Christopher Charles Findlay, Mari Pangestu, David Parsons, 2010 This is a collection of papers dedicated to the memory of well known WTO staffer Bijit Bora who died suddenly in 2006 The papers include applied analysis of questions of policy in international trade in fields related to Bora s interests including foreign

direct investment trade in services competition policy and trade and development It contains previously unpublished papers by Bora himself on the impact of the WTO

**Economic Development and Cooperation in the Pacific Basin** Hiro Lee, David W. Roland-Holst, 1998-09-28 First published in 1998 this volume brings together contributions from leading economic analysts around the Pacific Basin reporting on their research into three of the most important issues facing the region trade investment flows and the environmental effects of economic growth Each of these issues has important domestic and multilateral ramifications and the Pacific Basin's status as the world's most dynamic economic region makes this analysis relevant to policy makers and researchers in all countries The collection is unusual in offering appraisals from economists representing the principal economies of the region Among other contributions in the book are insights into the forces animating regional trade and investment detailed assessment of leading East Asian economies such as those of China Indonesia Japan Korea and Singapore and innovative research on economy environment linkages

**Japan and Multilateral Diplomacy** Philippe Régnier, Daniel Warner, 2017-10-05 This title was first published in 2001 Japan has a long history of being isolated from multilateral diplomacy With its increasing economic power Japan has become more concerned with external foreign relations and hence more involved in multilateral diplomacy This coherent and interrelated text brings together studies of the central issues involved written by prominent Japanese and Western scholars analyzing the emergence of Japan in multilateral fora from historical domestic and international perspectives Those concerned with international relations will find this text an essential guide for courses and research

On the Record Pamela Fields, 1997

*Asia in Japan's Embrace* Walter Hatch, Kozo Yamamura, 1996-06-28 Comprehensive and controversial this book critically examines Japan's economic presence in Asia
