

A serene sunset scene over a vast ocean. The sun is a bright, glowing orb on the horizon, casting a warm orange and yellow light across the sky and reflecting on the water. The sky transitions from a deep orange near the horizon to a soft blue at the top. The ocean is a deep blue with gentle waves visible in the foreground. The text "Reigning in life" is written in a white, elegant, cursive script, centered horizontally and slightly above the middle of the image. It has a subtle drop shadow, making it stand out against the darker blue water.

## Reigning In Life:

**Reigning in Life As a King** John Osteen, 1984-05      **Life-Study of Romans** Witness Lee, 1989-11      The Letter Kills, but the Spirit Gives Life Sky Takemoto, 2025-02-16 The divine life is not knowledge doctrines or anything else but the Spirit The letter kills but the Spirit gives life As the Redeemer Christ Himself became a life giving Spirit We receive Christ as the Savior the Redeemer and also as the life giving Spirit He alone gives us the Spirit of life In order to receive life we need to contact the Spirit as the pneuma by breathing Him in Romans 8 2 says The law of the Spirit of life has freed me in Christ Jesus from the law of sin and of death The Spirit is the releasing Spirit who sets us free Second Corinthians 3 17 says The Lord is the Spirit and where the Spirit of the Lord is there is freedom This law of life releases us from Moses law the law of sin and of death The function of the law is to expose transgressions Without the law we would not know what sin is But whenever our heart turns to the Lord who is the releasing Spirit the veil is taken away The mind set on the spirit is life By setting our mind on the spirit spontaneously the divine life sets us free      *The Ministry of the Word, Vol. 26, No. 03* Various Authors, 2023-03-03 This issue of The Ministry of the Word contains the first eight of the sixteen messages given during the fall 2021 term of the full time training in Anaheim California The general subject of this series of messages is Chapters Five through Eight of Romans the Kernel of the Bible These first eight messages and the subsequent eight messages published in an upcoming issue will focus on Romans 5 and 6 This general subject will then be continued in the messages of the spring 2022 term and will focus on Romans 7 and 8 The life and death form two contrasting lines in chapters 5 through 8 showing that man is at the center of a triangular situation between God and Satan that is between life and death The tree of life and the tree of knowledge the tree of death issue in two lines the line of life and the line of death that run through the entire Bible and consummate in the book of Revelation The line of life begins with the tree of life in Genesis 2 and issues in the New Jerusalem in Revelation 22 as the city of the water of life with the tree of life the light of life and the glory of life Similarly the line of death begins with the tree of the knowledge of good and evil in Genesis 2 and ends with the lake of fire in Revelation 20 The kernel of the Bible is that Christ has been revealed into us as life and that we live have our being and exist by Christ as the divine life God put us into Christ with the desire that we would be transformed and conformed to the image of His Son so that we might be thoroughly one with Christ In this way we are built up together as the living Body of Christ to contain and express Christ for the Father s glory and for our glorification in Christ Romans 5 reveals that the result of our justification is the full enjoyment of God in Christ as our life      The Ministry, Vol. 09, No. 08 Various Authors, 2005-09-01 This issue of The Ministry contains a complete record of the messages given during the Memorial Day weekend conference held in Houston Texas May 27 30 2005 The general subject of the conference was entitled The All inheriting Vision of the Age and the main burden of the conference can be summarized by the following four statements 1 the vision that the Lord has given His recovery is an all inclusive vision the all inheriting vision of the age 2 the governing vision of the Bible is the Triune

God working Himself into His redeemed people for the producing and building up of the Body of Christ consummating in the New Jerusalem 3 the goal of God's economy is the enlarged universal divine human incorporation of the consummated God with the regenerated believers and 4 to live and serve God according to the vision of the age in the ministry of the age is to live out and work out the New Jerusalem Last of all we include a report concerning the Lord's move in Grenada *The Ministry of the Word, Vol. 22, No. 05* Various Authors, 2018-05-01 This issue of The Ministry of the Word contains the final eight messages given during the fall 2017 term of the full time training in Anaheim California The general subject of this series of messages is The Crucial Revelation of Life in the Scriptures God's ultimate intention is to gain a corporate God man for His corporate manifestation The intrinsic element of God's eternal economy is that the Triune God in humanity the wonderful Christ as the Spirit of the glorified Jesus is sown into God's chosen people as the seed of life the seed of God so that He might grow in them live in them develop in them and be expressed from within them as the farm of God for the building up of the church as the house of God and the kingdom of God The seed of life is actually God in Christ as the Spirit through His word sown into us This seed contains everything related to God's economy to the divine life and to the growth development and function of that life The seed of life is not only a substance a reproductive element or an essence but also a person the all inclusive Christ The seed of life sown into us needs to grow to maturity so that we may be the kingdom of God In resurrection Christ became a life giving Spirit for imparting life The life giving Spirit is the extract the essence the concentrated form of the all inclusive Christ The totality of all that the all inclusive Christ is as the life giving Spirit is for our experience and enjoyment Without the experience of Christ as the life giving Spirit the Lord cannot have His Body If we never have any experience or enjoyment we will never grow There is always a spiritual war related to the growth in life If the enemy cannot stop the sowing of the seed then he will do everything he can with every believer to prevent the seed from growing to maturity However there is a fighting element in this seed The only way to enter into the coming kingdom is to grow into the kingdom Second Peter 1 5 11 reveals that our growth in life to maturity becomes an entrance into the kingdom richly supplied to us The law of the Spirit of life is the subject of Romans 8 God's life is the highest life and the law of this life is the highest law The law of the Spirit of life is not a thing but a person the processed and consummated Triune God embodied in Christ and realized as a living law in our spirit This law of life is the spontaneous power the natural characteristic and the innate automatic function of the divine life While we remain in touch with the Lord staying in contact with Him the law of the Spirit of life works automatically spontaneously and effortlessly to dispense God as life into our being and to overcome the law of sin and of death vv 10 6 11 We activate the law of the Spirit of life by remaining in touch with the Lord We need to cooperate with the indwelling installed automatic and inner operating God by prayer and by having a spirit of dependence thus maintaining our fellowship with the Lord of life and the Lord of work Romans 8 reveals that the processed Triune God as the law of the Spirit of life gives the divine life to the believers for their living There are four laws in

Romans 7 and 8 One law is outside of us and the other three correspond to the three lives that are within us as regenerated persons Outside of us is the law of God the law of moral commandments which is a portrait of God Within us is the law of sin and of death in our flesh the law of good in our soul and the law of the Spirit of life in our spirit The only way we can match and become the living portrait of God is by living according to the law of the Spirit of life in our spirit God s desire and goal are that we live by the divine life and minister life to others for the building up of the church The all inclusive indwelling Spirit is constantly transmitting this life into each one of us to build up the church edify the saints and minister the riches of Christ to everyone who contacts us In Romans 8 we also see that the desire of God s heart is to have many sons for His corporate expression v 29 The Father sent His Son who was born under the law and born through a woman to redeem us out from under the law Having redeemed us He sent forth the Spirit of His Son into our hearts crying Abba Father Gal 4 6 Now our spirit has become a spirit of sonship As the divine life grows within us and transforms us it spontaneously shapes us into the form the image of the firstborn Son of God We are to be conformed to the image of God s firstborn Son Christ as the first God man that we may be a group of God men who are exactly like Him Paul s Epistle to the Romans reveals God s complete salvation in two aspects God s judicial redemption is the procedure of God s complete salvation for the believers to participate in God s organic salvation as the purpose of the complete salvation of God Redemption entails the forgiveness of all our sins reconciliation positional sanctification and justification God s organic salvation is the organic aspect of God s complete salvation through the life of God Rom 1 17b Acts 11 18 Rom 5 10b 17b 18b 21b as the purpose of God s salvation accomplishing all that God wants to achieve in the believers in His economy through His divine life Gen 2 9 Rev 22 14 Organic salvation entails regeneration with God s life sanctification with God s holy nature renewing with God s element transformation with God s being conformation into God s image and glorification which is our full sonship Glorification sonizes our whole being from spirit to soul to body All the items of God s organic salvation are carried out by Christ as the life giving Spirit in His heavenly ministry organically and subjectively Being saved in His life is actually the process of resurrection with the resurrection life of Christ as the element increasingly taking place in our inner being so that we are sanctified which is to be saturated with God s holy nature It is in resurrection that we are renewed we walk in newness of life and we serve in newness of spirit Rom 6 4 7 6 The experience of God s organic salvation equals reigning in Christ s life The issue of our reigning in life living under the ruling of the divine life is the real and practical Body life expressed in the church life 12 1 4 9 12 15 18 The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe **The Ministry, Vol. 09, No. 05** Various Authors, 2005-05-01 This issue of The Ministry contains the final group of eight messages given during the 2004 fall term of the Full time Training in Anaheim California The general subject for this line of messages is the intrinsic significance of the Lord s recovery for the building of the church as the house of God and the city of God With

the first message of this volume six crucial words are introduced which are related to the intrinsic situation and need in the Lord's recovery. The first three words purification, education, and reconstitution are related to the ministry of Ezra who not only enriched the recovery but in particular purified the recovery. The other three words separation, protection, and expression are related particularly to the ministry of Nehemiah with its pure, absolute, and aggressive leadership. The ministry of Ezra with the elements of purification, education, and reconstitution make up the intrinsic need in the Lord's recovery today. The leadership of Nehemiah comes after the ministry of Ezra. Nehemiah principally took the lead to build up the wall. The wall is the intrinsic significance of the city. To build up the wall and the temple is to build up the church as the house of God for the expression of God. To build up the wall with the city is to build up the church as the kingdom of God for the dominion of God. Both of these aspects of building up the church as the house of God and as the kingdom of God were so that God could have a corporate man in His image to express and represent Him with His dominion. These are for the full accomplishment of the economy of God that is to build up the Body of Christ to usher in the kingdom of Christ and to consummate the New Jerusalem. Last of all we include reports concerning the distribution of the ministry in Romania and in Poland.

*To Be Saved in the Life of Christ as Revealed in Romans* Witness Lee, 1990-06-01. The full salvation of God to us is revealed in the book of Romans in two sections. The first section is God's redemption through the death of Christ and the second is God's saving in the life of Christ. Hence 5:10 says, "If while we were enemies we were reconciled to God through the death of His Son, much more having been reconciled, we shall be saved in His life." The main significance of what is covered in Romans chapters one through four is the redemption of Christ including reconciliation in God's full salvation, and the main significance of what is covered in Romans chapters five through sixteen is the saving of Christ in God's full salvation. In this book we will see only the main significance of the second section of Romans that is how Christ saves us in His divine life.

**Meet for the Master's Use** Frederick Brotherton Meyer, 1898. At the same time it provides a limited review of the Thanksgiving blending conference held in Dallas, Texas on November 23-26, 2023. The general subject of the conference was The Enjoyment of Christ and Our Growth in Life unto Maturity.
