Reinventing Juvenile Justice:

Reinventing Juvenile Justice Barry Krisberg, James F. Austin, 1993-04-28 Recipient of the 1993 American Society of Criminology's August Vollmer Award for distinguished contribution to the profession of criminology Youth violence continues to rise at an alarming rate in a civilization that is being characterized as the most violent in history Global economic transformations weakened family school and church structures and an inefficient juvenile justice system only add to the doomsday projections for troubled youngsters who see little in the way of preventive advocacy *Reinventing Juvenile Justice* presents an honest albeit painful view of the current status of justice for young offenders Could it be that the celebrated children's court has outlived its usefulness This central question is raised by the authors in exploring whether the juvenile court can or should survive in the years ahead With no core constituency in the political arena the pressure to handle more children in adult courts and correctional facilities will only increase and the challenge of needed reform will go unmet Among some of the other issues discussed are juvenile justice laws and court procedures influences on probation petition and detention decisions and the influence of gender and race on taking youth into custody Students and caring professionals will find the invaluable material in this book of tremendous assistance in addressing a generation of young people on whom our world's future depends This book is informative not least about developments in the U S A and is easy to read Youth and Policy The authors have substantial reputations in the field and are well qualified to make recommendations This book compares favorably with books offering different assessments and solutions Choice The book has great market potential as a juvenile justice text and supplemental text It is very readable and well organized It will also have a broad appeal in the practitioner community Youth correction workers probation officers juvenile and family court judges prosecutors public defenders child advocates and youth service workers will find this to be a useful book Ira M Schwartz Professor and Director The Center for the Study of Youth Policy University of Michigan Ann Arbor *Reinventing Juvenile Justice* Barry Krisberg, James Austin, 1993-04-28 A painful view of the current state of juvenile justice in the United States is presented in this volume which asks whether the children's court has outlived its usefulness As pressure builds to handle more children in adult courts and to consign them to adult prisons the authors explore alternatives to the custodial treatment of juveniles and suggest how the juvenile justice system can and should be reformed **Juvenile Justice** Preston Elrod, R. Scott Ryder, 2013-07 The juvenile justice system is a multifaceted entity that continually changes under the influence of decisions policies and laws The all new Fourth Edition of *Juvenile Justice A Social Historical and Legal Perspective* offers readers a clear and comprehensive look at exactly what it is and how it works Reader friendly and up to date this text unravels the complexities of the juvenile justice system by exploring the history theory and components of the juvenile justice process and how they relate **Juvenile Justice**, 1993 **Juvenile Justice**, 1993 **Special Issue: Reinventing Juvenile Justice** National Council on Crime and Delinquency, 1993 **Juvenile Justice: A Social, Historical and Legal Perspective**

Preston Elrod, R. Scott Ryder, 2009-12-09 **Handbook of Youth and Justice** Susan O. White, 2013-11-11 When approached by Plenum to put together a volume of social science research on the topic of youth and justice I found the interdisciplinary challenge of such a project intriguing. Having spent 2 years as Director of the Law and Social Science Program at the National Science Foundation I was well aware of the rich diversity of research that could fit within that topic. I also knew that excellent research on youth and justice was coming from different communities of researchers who often were isolated from each other in their respective disciplines as psychologists, sociologists, criminologists or policy analysts. I saw this project as an opportunity to break down some of this isolation by introducing these researchers and their work to each other and to the broader community of social scientists interested in law and justice. There was another gap or set of gaps to be bridged as well. The juvenile justice system and the criminal justice system differ in significant ways and the civil justice system which is a major venue for issues of youth and justice is yet another separate world. Few researchers are likely to know the whole picture. For example, a focus on juvenile justice often ignores the extent to which civil justice proceedings shape the lives of young people through divorce, custody, adoption, family preservation policies and other actions and vice versa.

The Oxford Handbook of Juvenile Crime and Juvenile Justice Barry C. Feld, Donna M. Bishop, 2012-01-12 State of the art critical reviews of recent scholarship on the causes of juvenile delinquency, juvenile justice system responses and public policies to prevent and reduce youth crime are brought together in a single volume authored by leading scholars and researchers in neuropsychology, developmental and social psychology, sociology, history, criminology, criminal justice and law.

Juvenile Justice Richard Lawrence, Craig Hemmens, 2008-03-13 Juvenile Justice combines a text with carefully selected accompanying readings. The readings will have a policy orientation giving them a real world applied character. The book contains extensive coverage of the juvenile justice system focusing on law enforcement, court and correctional responses to juvenile offending with an overview of the causes of delinquency. This unique approach of combining a text and a reader will provide students with an understanding of the juvenile justice system and an introduction to some of the best original research articles by experts in the field.

Juvenile Justice: A Social, Historical and Legal Perspective, Victim Assistance in the Juvenile Justice System National Organization for Victim Assistance (U.S.), 1996

Juvenile Justice Donald J. Shoemaker, Timothy W. Wolfe, 2016-01-18 Authoritative, current and easy to use, this book is an outstanding resource for readers looking to gain an accurate and thorough understanding of American juvenile justice. Juvenile delinquency has been of interest to the general public and academic scholars for many decades and it has been an ongoing societal problem for the same amount of time. Delinquency covers a range of behaviors from minor offenses such as trespassing or vandalism to the more serious crimes often associated with gangs that include murder. Juvenile Justice: A Reference Handbook puts juvenile justice under the microscope, surveying its long history and key issues, exploring the myriad of problems and controversies tied to the juvenile justice system and explaining how policymakers and legal professionals have tried to solve these vexing

issues The book first presents historical and contemporary discussions of juvenile justice especially in the United States The next chapters address problems controversies and possible solutions for juvenile justice present insightful diverse perspectives from leading experts and profile important figures in the juvenile justice system and the field of crime and delinquency The book also contains data and primary documents that show who gets processed through the juvenile justice system and for what kinds of criminal acts

Handbook of Juvenile Justice Barbara Sims,Pamela Preston,2006-05-05 Too often professionals in public policy or criminal justice must scramble to find additional reading on juvenile law and justice or on juvenile delinquency topics because most references and textbooks provide inadequate coverage of many issues of importance The Handbook of Juvenile Justice Theory and Practice responds to this need by prov

Juvenile Justice Sourcebook Albert R. Roberts,2004-07-22 Several million reported and unreported delinquent acts take place each year In fact according to the U S Department of Justice and the U S Bureau of Justice Statistics juvenile delinquency acting out and oppositional behavior illegal drugs guns and youth violence are pervasive throughout American society Juvenile Justice Sourcebook is the first comprehensive volume devoted exclusively to the biopsychosocial assessment police and juvenile court processing and institutional and community based treatment and rehabilitation of juvenile offenders The overriding objective of this sourcebook is to trace the tremendous progress achieved toward resolving juvenile justice issues dilemmas and controversies while providing futuristic visions for the juvenile justice field Each chapter authored by preeminent expert practitioners and researchers explores topics ranging from innovative counseling and multisystemic programs to restorative justice to rehabilitation programs such as aggression replacement training wilderness programs family treatment substance abuse treatment restitution and aftercare This volume grounded in history and exhaustive research presents the latest evidence based policies programs and innovative treatment alternatives Examining the entire juvenile justice system including juvenile law policies practices and research the Juvenile Justice Sourcebook will be invaluable to all juvenile justice practitioners policy analysts researchers and students

Juvenile Justice James Burfeind,Dawn Jeglum Bartusch,Dusten R. Hollist,2018-09-03 This book provides a comprehensive and thought provoking introduction to the juvenile justice system in the United States It begins by tracing the historical origins of the legal concept of juvenile delinquency and the institutional responses that developed and analyzes the problem of delinquency including its patterns correlates and causes With this essential foundation the greater part of the book examines the full range of efforts to respond to delinquency through both informal and formal mechanisms of juvenile justice Core coverage includes The history and transformation of juvenile justice The nature and causes of delinquency Policing juveniles Juvenile court processes Juvenile probation and community based corrections Residential placement and aftercare programs Delinquency prevention Linking systems of care This book is designed as a core text for courses on juvenile justice Each chapter begins with a compelling case study and learning objectives that draw attention to the topics discussed Each chapter ends with one or two readings that introduce readers to

the literature on juvenile justice In addition critical thinking questions invite analysis of the material covered in the chapter A companion website offers an array of resources for students and instructors For students this includes chapter overviews flashcards of key terms and useful website links The instructor site is password protected and offers a complete set of PowerPoint slides and an extensive test bank for each chapter all prepared by the authors **The Transferring of**

America's Youth Sheri Jenkins Keenan,2021-09-23 A separate juvenile justice system was established in the United States in 1899 with a goal of diverting juvenile offenders from the harsh punishments of the adult criminal court and encouraging rehabilitation based on the individual needs of the offender This new juvenile court was set up as a civil or chancery court with informal proceedings and discretion left to the juvenile court judge Furthermore juvenile court proceedings were closed to the public and juvenile records were to remain confidential However as the decades progressed juveniles became increasingly involved in more serious crimes This generated a growing fear among lawmakers educators and the public which resulted in a number of get tough policies and strategies By the 1990s the most popular approach in dealing with violent juvenile crime was for states to make it easier or to require the prosecution of juveniles as adults in criminal court Research demonstrates that such policies may be counter productive increase rather than decrease recidivism and cause harm to offenders their families and the community This volume provides a comprehensive historical review of knowledge surrounding the transfer of American s youth from the rehabilitative individualized treatment of the juvenile justice system to the adult criminal justice system *American Corrections* Barry Krisberg,Susan Marchionna,Christopher

Hartney,2014-09-23 This comprehensive introduction to corrections presents an incisive view of every aspect of corrections prompting students to think critically about the complex issues involved in responding to the current crisis in the U S correctional system **Juvenile Delinquency** Kirk Heilbrun,Naomi E. Sevin Goldstein,Richard E. Redding,2005-03-17

Summarizing the evidence available on juvenile delinquency prevention assessment and intervention this work surveys critical issues in understanding and treating delinquency and anti social behaviour *And Justice for Some* Eileen Poe-Yamagata,2009 The over representation of minorities particularly African Amer in the nation s prisons has received much attention in recent years However the disproportionate representation of racial ethnic groups is not limited to adult prisons and jails It is also found among youth confined in secure juvenile facilities Since many data systems fail to disaggregate ethnicity from race Latino youth are often counted as White As a result data on the extent to which minority populations are over represented in the juvenile justice system are generally underreported in the analysis of this issue This report presents several sources of data and utilizes both original and previously published analysis Tables and graphs

Yeah, reviewing a ebook **Reinventing Juvenile Justice** could mount up your near friends listings. This is just one of the solutions for you to be successful. As understood, attainment does not recommend that you have astounding points.

Comprehending as without difficulty as arrangement even more than supplementary will manage to pay for each success. bordering to, the proclamation as with ease as keenness of this Reinventing Juvenile Justice can be taken as with ease as picked to act.
