**From Religion To Relationship** Ernest N.

Roberson,2021-04-21 I wrote this book to share my spiritual journey and the things I believe God has shared with me It has truly freed me and I pray that the things I have shared will help free you as well I must give my wife credit for helping to inspire me to write this book My wife woke me up one morning very wide eyed and excited She said Baby God just gave me the title of your book but you have to write the book This was not the first time my wife as well as a few of my friends with whom I have shared my views had encouraged me to write a book but I laughed it off saying to myself I m not writing a book my spelling is horrible and my punctuation is even worse But thank God for the technology of computers because it helped me with my shortcomings and I finally felt a release that this was my time and season and it allowed me to set my shortcomings aside and share what God has given me to a broader audience Just like nature when we are in tune with God we come into spiritual awareness and insight of our times and seasons I am just an average guy who has allowed Christ to touch my life and change my perspectives concerning how to walk with God and with all my heart I believe this is the time and season for kingdom worship I have experienced worship under religion and I am learning the freedom of kingdom fruit worship which has truly satisfied my spiritual thirst I believe it will satisfy your thirst as well It is truly a well of life with a never ending supply You just have to get onboard and you will see Christ standing at the gates of our Father s kingdom with His arms opened wide saying COME TASTE AND SEE THAT THE LORD IS GOOD Psalms 34 8 Life Creative Mimesis of Emotion Anna-Teresa Tymieniecka,2000 Are emotions feelings sentiments not the stuff of literature There it is where they project their inner logic of aesthetic transmutation there beyond the instrument of language that they command This collection explores how the lyrical virtualities of life experience and the elegiac style in literature share a common core lifting the human significance of life from abysmal vitality to esoteric heights from abysmal grief to a serene reconciliation with destiny The elegiac sequence in the play of emotions feelings and sentiments brings together life and literary creativity in its transformatory power

Adams,2007-12-20 I recall during my early years as a clinical psychologist being asked by hospital staff to speak with a 32 year old man addicted to alcohol who was being discharged following treatment for pancreatitis This had been his third admission for the same illness and hospital practitioners were exasperated by his choice to continue dri ing despite being repeatedly told it would cause irreparable damage to his pancreas from which he would be unlikely to survive I met him in a side room on the ward He sat in his pyjamas in the corner of the room thin and ashen looking with a worried frown fixed across his face Our conversation was initially stilted and I was trying hard not to replicate the lectures and sermons he was likely to have already received from hospital staff As we talked I was able to piece together bits of inf mation about his current circumstances he lived alone he was unemployed and his only family contact was with a brother who visited to check on him occasionally He started to relax into the conversation and then talked about his long struggles with alcohol his drinking had begun in his early teens it had provided him with con dence and friendships he had had some serious motor vehicle accidents he had tried to stop drinking but soon continued he had lost friends jobs and family re tionships and in response he had increasingly sought intoxication as a refuge      **Every Pot Has a Cover** Michael J.
