Black Faces in White Places Randal Pinkett,Jeffrey Robinson,Philana Patterson,2011 Discover how African American professionals can combine their personal strengths with the wisdom of others to plant the seeds of a positive lasting legacy in the workplace Randal Pinkett was the first African American winner on The Apprentice When he won he also became the only contestant to be asked to share his victory with a white woman For generations African Americans have been told that they need to work twice as hard as everyone else to succeed However as millions of black Americans were reminded by Pinkett s experience sometimes hard work is not enough Black Faces in White Places is about the game the competitive world in which we all live and work The book offers 10 revolutionary strategies for playing mastering and changing the game for the current generation while undertaking a wholesale redefinition of the rules for those who will follow In this book you will Expand yourself beyond your comfort zone Recognize and demonstrate the four facets of excellence Build beneficial relationships and powerful networks Identify different mentors and learn from others experiences Discover ways of working with others to facilitate collective action Based on the authors considerable experiences in business in the public eye and in the minority the book shows how African American professionals can and must think and act both entrepreneurially and intrapreneurially Black Faces in White Places not only explains shattering the old glass ceiling and changing the concept of success but also examines the four dimensions of the contemporary black experience identity society meritocracy and opportunity

Totem Animal Messages Brigit Goldworthy,2013-07-16 This book was created to awaken you to be open to the messages of the Animal Kingdom that may help lead you through life Totem animals are the energetic representation of an animal the animals spirit Their basic foundations of inner peace and innocence already teach us so much about who we are as humans our journey and how to progress forward Use this book to receive insightlook up your favourite animals look up your pets look up the creatures that you fear All of these animals have messages that bear meaning for you This book was written with the intention to awaken inspire and heal you by bringing forth wisdom that the totem animal kingdom contains Totem animals really do bridge the gap between the physical and spiritual world for a lot of people Animals are something real in their physical world so they can relate far easier to the spiritual wisdom of an animal than an angel or ascended master People need something in their physical reality as evidence before they believe in something or relate to it Most totem animal spirits have a physical

representation alive here on the planet for us to connect with which makes it far easier for people to be open to and accept their spiritual aspect

DIVIDED V. Morrow, 2021-04-19 Bow to the Image Has the whole world gone mad Or is there something wrong with a statue that speaks and the giant man who makes the people worship it Peleg is virtually alone in his misgivings Meanwhile all the rest of Shinar follows the mighty hunter Nimrod in building a Tower to reach the gates of heaven and even the Ancient One Himself Could the mysterious encounters and cruel whispers heard since the Tower Temple s construction lead to something good To Peleg the matter is simple find someone who remembers the truth someone who still hears The Voice before it s too late So Peleg embarks on a journey to learn the secrets his great ancestors Methuselah and Enoch knew Little does Peleg realize Enoch the very one taken so long ago to a dimension outside space and time and his son Methuselah are both working just as fervently toward the same goal With the aid of a wise old King the tales from the stones and the knowing that burns Peleg may be mankind s only hope to stop the darkness descending from the Tower Never again will a Flood destroy the earth the Ancient One promised next time it will be Fire

The Mind of a Millionaire Jewel Tankard,2021-10-05 It s time for women to become more empowered to invest than ever before No matter what business a woman is in it s key that she is not just entrepreneurial minded but investment minded Most women

are one paycheck or one man away from being bankrupt or homeless Even those with businesses pour their earnings back into the business and in the end never truly see long term wealth It s time for that to change The days of us just waiting for someone to save us financially are over It s time for us to save ourselves It s time for women to embrace their own financial instinct

Untrapped Value: 1.01 Software Reuse Powering Future Prosperity Dave R. Erickson,2023-03-25 Mankind has invested vast resources time manhours computer machinery sunk costs maintenance building space heating venting cooling and so on into software for all kinds of digital and analog hardware for over sixty years Far longer if you consider punched cards and so on In the end most of the source code ends in the waste heap of history Old code gets forgotten rub bished and a new wave of developers is forced to recreate new versions of old ideas People get promoted graduate from college and leave to get married before they do they don t have time don t believe in the priority and don t place the code where others can find it to make an important curation of their software and by this donate it to future generations worldwide the society at large If organizations at the other end of the spectrum would realign software for a legacy of centuries instead of product runs mankind can preserve the sunk costs speed up advancement and make software impact far wider when it s made in a reusable form People move to a new job and remake linked lists factory classes or ring buffers in the new language of the day or within the design paradigm of the latest fad management It s kind of insane when you think about it people spend many years getting a consumer product working finely tuned and profitable Then two companies merge product lines are unified or obsoleted and some or all of the intellectual property gets forgotten in a corner as one team is merged and the others retire to golf or the pool While filling in cardboard boxes of stuff as they leave does anyone drag out the old tapes and floppies to make sure the new guys aren t starting by reinventing the wheel
