**Century Israel** Matthias Henze,2011 The Syriac Apocalypse of Baruch or Second Baruch is a Jewish work of the late first century C E written in Israel in the aftermath of the Jewish War against Rome It is part of a larger body of post 70 C E Jewish literature The authors of these works had a difficult charge They needed to re imagine Judaism and its central symbols take count of a thriving Diaspora and articulate how Jewish life was to be lived from then on without the benefit of a temple Written at a time of religious reconstruction and mental reorientation Second Baruch occupies a unique place in the history of early Jewish thought In this highly original work the author of Second Baruch developed an apocalyptic program that was intended for post 70 C E Judaism at large and not for a small dissident community only The program incorporates various theological strands chief among them the Deuteronomic promise of a prosperous and long life for those keeping the Torah and the apocalyptic promise of a new heaven and a new earth In this book Matthias Henze offers a close reading of some of the central passages in Second Baruch exposes its main themes explains the apocalyptic program it advocates draws some parallels with other texts Jewish and Christian and locates Second Baruch s intellectual place in the rugged terrain of post 70 C E Jewish literature and thought For modern readers interested in Judaism of the late Second Temple period in the Jewish world from which early Christianity emerged and in the origins of rabbinic Judaism Second Baruch is an invaluable source

The Subversion of the Apocalypses in the Book of Jubilees Todd R. Hanneken,2012-06-03 In spite of some scholars inclination to include the book of Jubilees as another witness to Enochic Judaism the relationship of Jubilees to the apocalyptic writings and events surrounding the Maccabean revolt has never been adequately clarified This book builds on scholarship on genre to establish a clear pattern among the ways Jubilees resembles and differs from other apocalypses Jubilees matches the apocalypses of its day in overall structure and literary morphology Jubilees also uses the literary genre to raise the issues typical of the apocalypses including revelation angels and demons judgment and eschatology but rejects what the apocalypses typically say about those issues subverting reader expectations with a corrected view In addition to the

main argument concerning Jubilees this volume's survey of what is fundamentally apocalyptic about apocalyptic literature advances the understanding of early Jewish apocalyptic literature and in turn of later apocalypses and comparable perspectives including those of Paul and the Qumran sectarians      **The Relevance of Apocalyptic** Olivier Rousseau,1963

Eschatological Relationships and Jesus in Ben F. Meyer, N. T. Wright, and Progressive Dispensationalism Richard Fountain,2016-07-29 Modern scholars have varied responses to apocalyptic narrative in the Synoptic Gospels Some ignore it others reinterpret it and don't think that Jesus warning about persecution works in this setting In order to understand apocalyptic in the New Testament we need to understand Jewish apocalyptic and its similarities and differences with Jesus We need to know the key themes and where those themes develop in the Synoptic Gospels Eschatological Relationships and Jesus begins by exploring the components of prophetic and apocalyptic eschatology figurative language history sequence and juxtaposition of ideas and then develops some of the major theological themes in Meyer Wright and Progressive Dispensationalism from the Synoptic Gospels As readers work through Eschatological Relationships and Jesus they begin to see and interpret the various patterns and themes in the eschatological discourses Samples from Mark's Gospel to Matthew and Luke and a table of key eschatological relations makes this study a practical guide to the gospels      **Revealed Wisdom and Inaugurated Eschatology in Ancient Judaism and Early Christianity** Grant Macaskill,2007 This book examines four texts 1 Enoch 4QInstruction Matthew and 2 Enoch and argues that in each the revealing of wisdom to an elect group inaugurates the eschatological period This idea leads to the fusion of sapiential and apocalyptic elements      **The People of God in the Apocalypse** Stephen Pattemore,2004-06-17 Stephen Pattemore examines passages within Revelation 4 1 22 21 that depict the people of God as actors in the apocalyptic drama and infers what impact these passages would have had on the self understanding and behaviour of the original audience of the work He uses Relevance Theory a development in the linguistic field of pragmatics to help understand the text against the background of allusion to other texts Three important images are traced The picture of the souls under the altar 6 9 11 is found to govern much of the direction of the text with its call to faithful witness and willingness for martyrdom Even the militant image of a messianic army 7 1 8 14 1 5 urges the audience in precisely the same direction Both images combine in the final image of the bride the culmination of challenge and hope traced briefly in the New Jerusalem visions      *The Genre of the Book of Revelation from a Source-critical Perspective* Frederick David Mazzaferri,2010-10-13 Die Reihe Beihefte zur Zeitschrift f r die neutestamentliche Wissenschaft BZNW ist eine der ltesten und renommiertesten internationalen Buchreihen zur neutestamentlichen Wissenschaft Seit 1923 publiziert sie wegweisende Forschungsarbeiten zum fr hen Christentum und angrenzenden Themengebieten Die Reihe ist historisch kritisch verankert und steht neuen methodischen Ans tzen die unser Verst ndnis des Neuen Testaments bef rdern gleichfalls offen gegen ber      **The relevance of apocalyptic : a study of Jewish and Christian apocalypses from Daniel to the Revelation** H. Niditch,2016-01-26 The Companion to Ancient Israel offers an innovative overview of ancient Israelite culture and history richly informed by a variety of approaches and fields Distinguished scholars provide original contributions that explore the tradition in all its complexity multiplicity and diversity A methodologically sophisticated overview of ancient Israelite culture that provides insights into political and social history culture and methodology Explores what we can say about the cultures and history of the people of Israel and Judah but also investigates how we know what we know Presents fresh insights richly informed by a variety of approaches and fields Delves into religion as lived an approach that asks about the everyday lives of ordinary people and the material cultures that they construct and experience Each essay is an original contribution to the subject

The Oxford Handbook of Millennialism Catherine Wessinger,2016-07 Seventh Day Adventists Melanesian cargo cults David Koresh's Branch Davidians and the Raelian UFO religion would seem to have little in common What these groups share however is a millennial orientation the audacious human hope for a collective salvation which may be either heavenly or earthly The Oxford Handbook of Millennialism offers readers an in depth look at both the theoretical underpinnings of the study of millennialism and its many manifestations across history and cultures

Poetic Prophecy in Western Literature Jan Wojcik,Raymond-Jean Frontain,1984 In this collection of twelve essays the editors attempt to define the poet as prophet in Western literature and to select the general attributes of prophetic writing The essays focus in the main on the prophetic tradition in the English speaking world as well as on a sufficient number of writers outside that tradition to prove that all prophetic writing shares common features

**Christology From Within and Ahead** Mark Chan,2021-10-01 Troeltsch's struggle with historicism sets the stage for a proposal that Christology be done from within and from ahead Gadamer's philosophical hermeneutics and Schleiermacher's experiential theology inform a Christology from within that is rooted in tradition and experience while Pannenberg's notion of proleptic eschatological fulfilment serves as resource for a Christology from ahead This volume develops a hermeneutical Christology that takes into account the historical contingency of knowledge and seeks a Christology beyond the objectivism of timeless truth and the relativism of absolutised contextuality The book is concluded with an examination of the convergence of critical traditionality experiential appropriation and eschatological prolepsis in the Christology of the apostle Paul The author explores how Christology might respond to the scandal of universality in postmodernity without defaulting on its claim to transcontextual referentiality

**The Apocalypse of Abraham in Its Ancient and Medieval Contexts** Amy Paulsen-Reed,2021-11-22 The Apocalypse of Abraham is a pseudepigraphal work that narrates Abraham's rejection of idol worship and his subsequent ascent to heaven where he is shown eschatological secrets through angelic mediation This fascinating text was only preserved in Old Church Slavonic and must be studied as both a medieval Christian and an ancient Jewish text This monograph addresses the following questions Why were medieval Slavs translating and reading Jewish pseudepigrapha How much if at all did they emend or edit the Apocalypse of Abraham When in antiquity was it most likely written What were its ancient Jewish social and theological

contexts     *The Myth of Rebellious Angels* Stuckenbruck, Loren T., 2017-02-17 The mythical story of fallen angels preserved in 1 Enoch and related literature was profoundly influential during the Second Temple period In this volume renowned scholar Loren Stuckenbruck explores aspects of that influence and demonstrates how the myth was reused and adapted to address new religious and cultural contexts Stuckenbruck considers a variety of themes including demonology giants exorcism petitionary prayer the birth and activity of Jesus the Holy Spirit the conversion of Gentiles apocalyptic and the understanding of time and more He also offers a theological framework for the myth of fallen angels through which to reconsider several New Testament texts the Synoptic Gospels the Gospel of John Acts Paul's letters and the book of Revelation     The Dead Sea Scrolls and Pauline Literature Jean-Sébastien Rey, 2013-11-11 The relationships between Pauline literature and the Dead Sea scrolls have fascinated specialists ever since the latter were first discovered Now that all the Qumran scrolls have been published it is possible to see more clearly the amplitude and impact of this corpus on first century Judaism This book offers some syntheses of the results obtained in the last decades and also opens up new perspectives by highlighting similarities and indicating possible relationships between these various writings within Mediterranean Judaism In addition the authors wish to show how certain traditions spread evolve and are reconfigured in ancient Judaism as they meet new religious cultural and social challenges     **But the Wise Shall Understand** Felipe A. Masotti, 2025-02-17 Using Bakhtin's theory Felipe A Masotti examines how ancient prophecies are reused to shape ideas of divine intervention and the passing of time It reveals a blend of traditional and innovative elements in Daniel's eschatological narrative reflecting a deep theological engagement with prophetic traditions     The relevance of apocalyptic: a study of Jewish and Christian apocalypses from Daniel to the Revelat Harold Henry Rowley, 1947
