Arthur James Wells

Religion And Its Relevance In Post Modernism Essays In Honor Of Jack C Verheyden:

Religion and Its Relevance in Post-modernism Jack Clyde Verheyden, 2001 *Christianity and Culture* William Valmyr, 2009 Christianity Culture A Christian Perspective on Worldview Development is a historical scriptural and comprehensive examination of the dynamics in secular and Christian education in light of the current cultural philosophy With transformative stimulating and revolutionary principles this book challenges Christians to integrate Judeo Christian values in an atheistic and pluralistic society If you have been inundated by humanistic liberal and secular indoctrination the redemptive solutions in this book will ensoul the tools necessary to produce a Christian worldview It will impart a commanding sense of purpose passion and appreciation for the teaching profession Christianity Culture will enable you to Deepen and broaden your understanding of the core presuppositions of the Christian faith Effectively face the challenges presented by a hostile world Take heed to your God given mandate to influence this world for Christ Build stimulate and develop a biblical and theocentric worldview of education Assume your responsibility as a steward of the mysteries of God Discover the dynamics of an education that is Christian A practical teacher minister college professor author speaker counselor and husband is the president and founder of Higher Call Ministries International a multi faceted ministry with its headquarter in Fort Lauderdale Florida William Valmyr is a graduate of Nova Southeastern University B S M S and ED S Knox Theological Seminary M A and South Florida Theological Seminary Ph D and is a Doctor of Ministry D Min candidate at Oral Roberts University He is a member of the Evangelical Training Association and a member of the American Counseling Association He serves as Professor of Religious Studies at the University of Fort Lauderdale His careful research and study over many years has resulted in this scholarly work on Religious Education Spiritual Formation Christianity and worldviews in higher education **The British National Bibliography** Arthur James Wells, 2002 *Books In Print 2004-2005* Ed Bowker Staff, Staff Bowker, Ed, 2004 Theology and the University David Ray Griffin, Joseph C. Hough Jr., 1991-03-21 This book explores the relationship between theology and the modern university Most of the essays were written specifically for this volume and all of them are published here for the first time David Ray Griffin Gordon Kaufman Hans K ng Schubert Ogden and Wolfhart Pannenberg address the question of whether theology belongs in the university at all Essays by Joseph Hough Catherine Keller and Marjorie Suchoki argue that theology has a vital role in helping the university recover its central mission that of educating for the sake of the common good Thomas Altizer William Beardslee and Jack Verheyden provide historical analyses of the interactions between theology and the university with Altizer focusing on the modern divorce between faith and reason Beardslee on the relevance of the renewed emphasis upon rhetoric and Verheyden on the ideal of knowledge As a whole Theology and the University presents an impressive case against the position that theology is inappropriate in the university It argues not only that theology has a rightful place in the university but also that the university needs theology just as theology needs the university American Book Publishing Record , 2002 *Theologische*

Revue, 1990 **The Logic of Incarnation** Neal DeRoos, Brian Lightbody, 2009-01-01 With his *Logic of Incarnation* James K A Smith has provided a compelling critique of the universalizing tendencies in some strands of postmodern philosophy of religion A truly postmodern account of religion must take seriously the preference for particularity first evidenced in the Christian account of the incarnation of God Moving beyond the urge to universalize which characterizes modern thought Smith argues that it is only by taking seriously particular differences historical religious and doctrinal that we can be authentically religious and authentically postmodern Smith remains hugely influential in both academic discourse and church movements This book is the first organized attempt to bring both of these aspects of Smith's work into conversation with each other and with him With articles from an internationally respected group of philosophers theologians pastors and laypeople the entire range of Smith's considerable influence is represented here Discussing questions of embodiment eschatology inter religious dialogue dogma and difference this book opens all the most relevant issues in postmodern religious life to a unique and penetrating critique After God Mark C. Taylor, 2007-10-15 With fundamentalists dominating the headlines and scientists arguing about the biological and neurological basis of faith religion is the topic of the day But religion Mark C Taylor shows is more complicated than either its defenders or critics think and indeed is much more influential than any of us realize Our world Taylor maintains is shaped by religion even when it is least obvious Faith and value he insists are unavoidable and inextricably interrelated for believers and nonbelievers alike Using scientific theories of dynamical systems and complex adaptive networks for cultural and theological analysis *After God* redefines religion for our contemporary age Taylor begins by asking a critical question What is religion He then proceeds to explain how Protestant ideas in particular undergird the character and structure of our global information society the Reformation Taylor argues was an information and communications revolution that effectively prepared the way for the media revolution at the end of the twentieth century Taylor's breathtaking account of religious ideas allows us to understand for the first time that contemporary notions of atheism and the secular are already implicit in classical Christology and Trinitarian theology Weaving together theoretical analysis and historical interpretation Taylor demonstrates the codependence and coevolution of traditional religious beliefs and practices with modern literature art architecture information technologies media financial markets and theoretical biology *After God* concludes with prescriptions for new ways of thinking and acting If we are to negotiate the perils of the twenty first century Taylor contends we must refigure the symbolic networks that inform our policies and guide our actions A religion without God creates the possibility of an ethics without absolutes that leads to the promotion of creativity and life in an ever more fragile world Publisher description **Religion in Late Modernity** Inger Furseth, 2007 After the Death of God John D. Caputo, Gianni Vattimo, 2007 In these original essays and interviews leading hermeneutical philosophers and postmodern theorists John D Caputo and Gianni Vattimo engage with each other's past and present work on the subject and reflect on our modern transition from secularism to post secularism *Implications of the*
